RECORDS OF TOWN MEETINGS AND ELECTIONS DURING THE YEAR 1936

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Wednesday, the 29th day of January, 1936, at 8.00 o'clock, P.M., to act on the following Articles, viz:

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will make an appropriation to meet expenditures for Works Progress Administration projects; determine in what manner the money shall be raised and expended; or take any action relating to any such projects.

Article 3. To see if the Town will make an appropriation to be expended under the direction of the Board of Selectmen for employment of the poor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 4. To see if the Town will make any alterations and repairs of the vault in the office of the Town Clerk in the Robbins Memorial Town Hall; make an appropriation therefor; determine in what manner the money shall be raised and expended; or take any action relating to alterations and repairs of said office.

Article 5. To see if the Town will transfer two hundred (200) dollars from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund; or take any action relating thereto.

(Inserted at the request of the Cemetery Commissioners)

Article 6. To see if the Town will amend Article 1 of the Town By-Laws by inserting after Section 1 the following new section:

Section 1A—"In accordance with the provisions of Section 4 of Chapter 43A of the General Laws, entitled "Standard Form of Representative Town Meeting Government," accepted by the Town at the Annual Meeting of 1935, and any amendments thereof and additions thereto, the following officers are designated as and shall be town meeting members at large, namely: the town moderator, the town clerk, the town treasurer, the town collector of taxes, the chairman of the board of selectmen, the chairman of the board of public works, the chairman of the assessors of taxes, the chairman of the school committee, the chairman of the planning board, the chairman of the park commissioners, the chairman of the board of health, the chairman of the sinking fund commissioners, the chairman of the trustees of the Robbins Library, the chairman of the cemetery commissioners, and the chairman of the finance committee;" or will take any other action to designate in the by-laws of the Town the officers who shall be town meeting members at large.

Article 7. To see if the Town will amend Section 2

of Article 1 of the Town By-Laws by striking out the last sentence of said section and inserting in place thereof the following:

"The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which each representative town meeting is to be held at least seven days before the meeting and shall also cause notice of such meeting to be published in at least one local newspaper. The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which any adjourned session of a representative town meeting is to be held at least twelve hours before such session and shall also cause a notice of such session to be posted in each precinct," so that said section of the Town By-laws shall read as follows:

"The Selectmen shall, before calling a Town Meeting, post a notice of their intention so to do, in each precinct in the town, at least five days before closing the warrant calling the meeting. A copy of the warrant for a meeting shall be posted in each precinct at least seven days before the day of the meeting and a copy left at every dwelling house in the town previous to the day of meeting. The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which each representative town meeting is to be held at least seven days before the meeting and shall also cause notice of such meeting to be published in at least one local newspaper. The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which any adjourned session of a representative town meeting is to be held at least twelve hours before such session and shall also cause a notice of such session to be posted in each precinct"; or will take any other action relating to notices of representative town meetings and any adjourned sessions thereof.

Article 8. To see if the Town will amend Section 6

of Article 2 of the Town By-Laws by striking out the words "legal voters" in the last line of said Section 6 and substituting therefor the words "town meeting members," so that said Section 6 shall read as follows: "Section 6. On all questions submitted for the consideration of the Town Meeting there shall be a roll call when requested, in writing, by twelve or more town meeting members present at the meeting"; or will take any other action relating to such a change in said Section 6 of Article 2 of the Town By-Laws.

Article 9. To see if the Town will acquire by purchase, eminent domain or otherwise, for the enlargement of its Town Yard or for any other municipal purpose or purposes, all or any portion or portions of the parcel of land with the buildings thereon now numbered 1083 on Massachusetts Avenue, hereinafter described; will make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said parcel is bounded and described substantially as follows: Beginning at the southerly corner of said parcel on the northeasterly side of Massachusetts Avenue, thence running north 40°30′ east on land formerly of Cyrus B. Harrington and on land formerly of Walter Fletcher three hundred forty-one and 14/100 (341.14) feet to the center of Mill Brook or the Raceway; thence running northwesterly by the center of said brook one hundred three (103) feet, more or less, to land formerly of Theodore Schwamb; thence running southwesterly by said land formerly of Theodore Schwamb two hundred four (204) feet, more or less, to a canal; thence running southeasterly by said canal two (2) feet ten (10) inches; thence running southwesterly crossing said canal and by land now or formerly of Rebecca M. Fessenden et al thirty-four (34) feet, more or less; thence running southeasterly by land formerly of John Lloyd one hundred and 38/100 (100.38)

feet; thence running southwesterly by said land formerly of Lloyd eighty and 55/100 (80.55) feet to Massachusetts Avenue; thence running southeasterly by said Avenue fifty-one and 84/100 (51.84) feet to the point of beginning; containing 33,000 square feet more or less, and being shown upon a plan marked "Plan of Land in Arlington, Mass. owned by Henry Siskind, October 15, 1918, S. L. Leftovith, Surveyor", recorded with Middlesex So. Dist. Deeds Plan Book 269, Plan 18, subject to any and all rights of drainage, flowage or otherwise of the Town of Arlington.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this twentieth day of January, in the year of our Lord one thousand nine hundred and thirty-six.

GEORGE H. LOWE, Jr.
ERNEST W. DAVIS

Selectmen of the Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., January 21, 1936.

Middlesex County:

•By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington, to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,

Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, January 29, 1936

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a Constable of the said Town and sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Wednesday evening, January 29, 1936 at eight o'clock.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and thirty Town Meeting Members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator called the meeting to order at 8:50 o'clock P.M.

The Moderator requested any Town Meeting Members who had not already been sworn to rise and be sworn.

The Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by unanimous consent of the meeting.

On motion of Selectman Lowe:

Voted: (Unanimously) That if all the business of the meeting as set forth in the Warrant is not disposed of on this date the meeting adjourn to Friday evening, February 7, 1936 at eight o'clock.

A roll call to determine the number of Town Meeting Members present having been taken the Moderator declared a quorum not present, in accordance with which on motion of Selectman Lowe the meeting adjourned at 9:10 o'clock P.M.

A True Record, Attest:

E. CAROLINE PIERCE FAIRCHILD,

Town Clerk.

ADJOURNED MEETING

Arlington, February 7, 1936.

Pursuant to the vote of adjournment on January 29, 1936, the Town Meeting Members met in the Town Hall Friday evening, February 7, 1936, notices having been sent by mail by the Town Clerk seven days before the meeting. Notices were published in the local papers.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and seventy members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to the faithful performance of his duties.

The Moderator declaring a quorum present the meeting was called to order.

The meeting was called to order at 8:05 o'clock P.M.

Town Meeting Members not already sworn were sworn by the Moderator.

The Clerk read the call and the Constable's Return of the Warrant the reading of the remainder of the Warrant being waived by the unanimous consent of the meeting.

On motion of Selectman Lowe:

Voted: (Unanimously) That if all the business of the meeting as set forth in the Warrant is not disposed of on this date the meeting adjourn to Monday evening, February 17, 1936 at eight o'clock.

On motion of Selectman Lowe:

Voted: That Article 1 be taken up.

Article 1 taken up. (Reports of Committees).

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That the report of the Finance Committee as presented in its printed form be received.

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That Article 1 be laid on the table.

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That the remaining Articles in the Warrant be now taken up separately and in the order in which they appear in said warrant and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting to be voted upon without further motion separately and in the order in which they appear in said warrant.

On motion of John E. Mitchell:

Voted: That Article 1 be taken from the table.

Mr. Mitchell presented the following report of the Town Yard Committee which being put before the meeting was received.

REPORT OF THE TOWN YARD COMMITTEE

Dated January 29, 1936.

During the year 1935 the Town Yard Committee met on several occasions to study and discuss ways and means of securing more space to accommodate the requirements of the Board of Public Works.

On account of the increase of motor equipment and the gradual demolition of the yards at Summer Street, the committee finds that the garage at Hobbs Court is not sufficiently large to accommodate the equipment owned by the Town and coming under the jurisdiction of the Board of Public Works.

The committee also finds that the water shop at Hobbs Court yard is not large enough to take over the carpenter shop, paint shop, and blacksmith shop now located at the Summer Street yards.

Realizing the advantages to be gained in the centralization of the towns equipment and shops for economically carrying out the functions of the Public Works Department, the Town Yard Committee is presenting for consideration at this town meeting the purchase of additional land and buildings which is more fully explained in Article #9 on the Warrant of a Special Town Meeting for January 29, 1936.

Respectfully submitted,

TOWN YARD COMMITTEE

John E. Mitchell, Chairman
Walter F. Robinson
F. Hedley Barnhill

On motion of Committee Chairman Davidson:

Voted: That Article 1 be laid on the table.

Article 2 taken up. (Expenditures for W. P. A. Projects.)

Voted: (Unanimously) That the sum of thirty thousand (30,000) dollars be and hereby is appropriated to meet expenditures for Works Progress Administration projects; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

The Moderator declared Article 2 disposed of.

Article 3 taken up. (Employment of the Poor.)

Voted: (Unanimously) That the sum of five thousand (5,000) dollars be and hereby is appropriated for employment of the poor; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

The Moderator declared Article 3 disposed of.

Article 4 taken up. (Alterations and Repairs in Office of Town Clerk.)

Voted: (Unanimously) That the Board of Selectmen be and hereby is authorized to make alterations and repairs of the vault in the office of the Town Clerk in the Robbins Memorial Town Hall and also alterations and repairs of said office; and that the sum of one thousand ($1,000) dollars be and hereby is appropriated for these purposes; said sum to be raised by general tax and expended under the direction of said Board.

The Moderator declared Article 4 disposed of.

Article 5 taken up. (Transfer of Mt. Pleasant Cemetery Funds.)

Voted: (Unanimously) That the sum of two hundred (200) dollars be transferred from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund for the perpetual care of the westerly one-half of lot No. 208 on Cross Avenue in said cemetery, containing 448 square feet, provided that as a part of the same transaction all interests and rights in the other one-half of said lot are vested in the Town; and that the Board of Cemetery Commissioners be and hereby is authorized to do whatever may be necessary or proper to effectuate such transfer.

The Moderator declared Article 5 disposed of.

Article 6 taken up. (Amendment of Town By-Law)

Voted: That Article 1 of the Town By-Laws be and hereby is amended by inserting after Section 1 the following new section:

Section 1A—In accordance with the provisions of Section 4 of Chapter 43A of the General Laws, entitled "Standard Form of Representative Town Meeting Government," accepted by the Town at the Annual Meeting of 1935, and any amendments thereof and additions thereto, the following officers are designated as and shall be town meeting members at large, namely: the town moderator, the town clerk, the town treasurer, the town collector of taxes, the chairman of the board of selectmen, the chairman of the board of public works, the chairman of the assessors of taxes, the chairman of the school committee, the chairman of the planning board, the chairman of the park commissioners, the chairman of the board of health, the chairman of the sinking fund commissioners, the chairman of the trustees of the Robbins Library, the

chairman of the cemetery commissioners, and the chairman of the finance committee.

The Moderator declared Article 6 disposed of.

Article 7 taken up. (Amendment of Town By-Law.)

Voted: (Unanimously) That Section 2 of Article 1 of the Town By-Laws be and hereby is amended by striking out the last sentence of said section and inserting in place thereof the following:

"The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which each representative town meeting is to be held at least seven days before the meeting and shall also cause notice of such meeting to be published in at least one local newspaper. The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which any adjourned session of a representative town meeting is to be held at least twelve hours before such session and shall also cause a notice of such session to be posted in each precinct, "so that said section of the Town By-Laws shall read as follows:

"The Selectmen shall, before calling a Town Meeting, post a notice of their intention so to do, in each precinct in the town, at least five days before closing the warrant calling the meeting. A copy of the warrant for a meeting shall be posted in each precinct at least seven days before the day of the meeting and a copy left at every dwelling house in the town previous to the day of meeting. The Town Clerk shall mail to every Town Meeting Member a notice of the time and place at which each representative town meeting is to be held at least seven days before the meeting and shall also cause notice of such meeting to be published in at least one local newspaper. The Town Clerk shall mail to every Town Meeting Member a notice

of the time and place at which any adjourned session of a representative town meeting is to be held at least twelve hours before such session and shall also cause a notice of such session to be posted in each precinct."

The Moderator declared Article 7 disposed of.

Article 8 taken up. (Amendment of Town By-Law)

On the substitute motion as offered by P. Joseph McManus it was

Voted: (Unanimously) That Section 6 of Article 2 of the Town By-Laws be and hereby is amended by striking out the words "legal voters" in the last line of said Section 6 and substituting therefor the words "town meeting members" so that said Section 6 shall read as follows: "Section 6. On all questions submitted for the consideration of the Town Meeting there shall be a roll call when requested by twenty or more town meeting members present at the meeting.

The Moderator declared Article 8 disposed of.

Article 9 taken up. (Land with Buildings for Enlargement of Town Yard).

The recommendation of the Finance Committee being put before the meeting was lost by a standing vote, Messrs. Snow, Bixby and Homer acting as duly sworn tellers. Ninety-nine voted in favor and fifty-three in opposition—not the necessary two-thirds.

The Moderator declared Article 9 disposed of.

On motion of Committee Chairman Davidson Article 1 was taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

On motion of Committee Chairman Davidson:

The meeting adjourned at 10:15 o'clock P.M.

A True Copy, Attest:

E. CAROLINE PIERCE FAIRCHILD,
Town Clerk.

To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 23. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise, of any land, easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 24. To see if the Town will make an appropriation to meet expenditures for Works Progress Administration projects; determine in what manner the money shall be raised and expended; or take any action relating to any such projects.

Article 25. To see if the Town will accept the alteration of the portion of the way known as Bow Street, under the provisions of law authorizing the assessment of betterments or otherwise, beginning at a point 40.72 feet easterly of Sunset Road and extending easterly 175.19 feet in said Town, as made and reported by the Joint Board of Selectmen and Board of Public Works; will make an appropriation for said alteration, including land damages; will make an appropriation or appropriations for the alteration, construction of, and specific repairs

upon all or any part of said portion of said street, as now existing or as hereafter altered, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; determine in what manner the money shall be raised and expended; or take any action in any way relating to all or any of the foregoing.

Said portion of said way as so altered is to include the parcel of land bounded and described as follows:

Beginning at a point on the northerly side line of Bow Street, said point being 40.72 feet southeasterly of a Stone Bound at the point of intersection of the said northerly side line of Bow Street and the southeasterly side line of Sunset Road, thence easterly through private lands on a curve to the left with a radius of 200.0 feet, a distance of 167.69 feet to a point on said northerly side line of Bow Street, thence southwesterly on said northerly side line of Bow Street, a distance of 63.28 feet to a Stone Bound at a point of curve in said northerly side line of Bow Street, thence westerly and northwesterly on said northerly side line of Bow Street on a curve to the right with a radius of 58.0 feet, a distance of 48.63 feet to a Stone Bound at a point of tangency in said northerly side line of Bow Street, thence continuing northwesterly on said northerly side line of Bow Street, a distance of 63.28 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled:—Plan showing proposed alteration, Bow Street, Arlington, Mass., Scale: $1'' = 20'$, Jan. 21, 1936, James M. Keane, Town Engineer.

Article 26. To see if the Town will accept the alteration of the portion of the way known as Wyman Street, under the provisions of law authorizing the assessment of betterments or otherwise, extending from the easterly side line of Massachusetts Avenue northerly 34.91 feet

in said Town, as made and reported by the Joint Board of Selectmen and Board of Public Works; will make an appropriation for said alteration, including land damages; will make an appropriation or appropriations for the alteration, construction of, and specific repairs upon all or any part of said portion of said Street as now existing or hereafter altered, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; determine in what manner the money shall be raised and expended; or take any action in any way relating to all or any of the foregoing.

Said portion of said way as so altered is to include the parcel of land bounded and described as follows:

Beginning at a point on the northeasterly side line of Mass. Ave., said point being 138.20 feet northwesterly of a Stone Bound at the point of intersection of said northeasterly side line of Mass. Avenue and the northwesterly side line of Allen Street, thence northwesterly on said northeasterly side line of Mass. Avenue, a distance of 18.78 feet to the point of intersection of said northeasterly side line of Mass. Avenue, and the southeasterly side line of Wyman Street, thence northeasterly on said southeasterly side line of Wyman Street, a distance of 34.91 feet to an angle point in said southeasterly side line of Wyman Street, thence southwesterly through private lands a distance of 31.46 feet to a point of curve in said private lands, thence southwesterly and southerly through said private lands on a curve to the left with a radius of 10.0 feet, a distance of 11.57 feet to the point of beginning, as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled:—Plan showing proposed alteration, Wyman Street, Arlington, Mass., Scale: $1'' = 10'$, Jan. 17, 1936, James M. Keane, Town Engineer.

Article 27. To see if the Town will make an appro-

priation or appropriations for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any part of the ways within the town as now existing or hereafter relocated, altered or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriations to be used with a sum or sums allotted by the Commonwealth or County or both for this purpose; determine in what manner the money shall be raised and expended; or take any action in any way relating to all or any of the foregoing.

Article 28. To see if the Town will accept the deed of William H. Richardson to the Town dated December 14, 1935 and recorded with Middlesex So. Dist. Deeds on December 20, 1935, book 5994, page 160, relating to premises bounded southeasterly by Robbins Road seventy-five (75) feet, and containing about 9422 square feet, being lot No. 14 on a plan drawn by F. R. Page, C. E., dated September 1897 and recorded with said deeds as File Plan 167, subject to any takings of rights or easements therein on behalf of the Town; or take any action relating to said deed.

Article 29. To see if the Town will sell, convey or otherwise dispose of the two parcels of land hereinafter described, which are now parts of the public parks within the town; will make an appropriation for the purpose, determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said parcels are situated in said town, are shown on a plan entitled "Town of Arlington, Mass. Plan Showing Park Land Proposed To Be Transferred Scale 1″ = 40′, Jan. 7, 1936 James M. Keane Town Engineer," on file in the office of the Town Engineer, and are bounded and described as follows:

Parcel 1. Beginning at a point in the northeasterly side line of Chestnut Street distant, measured on said side line, eighteen and twenty-five one hundredths feet southeasterly from the southeasterly side line of Cemetery Street; thence running northeasterly one hundred forty-two and ninety-seven one hundredths feet to a point in the said southeasterly side line of Cemetery Street distant measured on said side line one hundred fifty-two and twenty-one one hundredths feet northeasterly from the said side line of Chestnut Street at other land of said town held for park purposes; thence running southeasterly on said other land of said town fifteen and five one hundredths feet to land of Mary W. Byrne; and thence running southwesterly on said land of Mary W. Byrne one hundred fifty-one and five one hundredths feet to the point of beginning; containing nine hundred and thirty-three square feet: all as shown on said plan.

Parcel 2. Southeasterly, nearly southerly, by the northwesterly side line of Medford Street ten feet more or less; southwesterly, nearly westerly, by land of Marjorie E. Shea one hundred and fifty-nine feet more or less; northerly by other land of said town held for park purposes ten feet more or less; and northeasterly, nearly easterly, by said other land of said town on a line parallel with and distant ten feet northeasterly, nearly easterly, from said land of Marjorie E. Shea one hundred and fifty-five feet; containing one thousand five hundred and seventy square feet more or less: all as shown on said plan.

Article 30. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise for park purposes, of all or any portion of the parcel of land situated in said Arlington hereinafter described; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said parcel is bounded and described as follows:

Beginning at a point at the intersection of the southwesterly side line of the Boston & Maine Railroad and the southeasterly side line of Thorndike Street Ext., thence southeasterly on said southwesterly side line of the Boston & Maine Railroad, a distance of 200 feet, more or less, to a point on said southwesterly side line of the Boston & Maine Railroad at land of Metropolitan District Commission, thence westerly by land of Metropolitan District Commission, a distance of 111.0 feet, more or less, to the northerly side line of the Concord Highway, thence westerly on said northerly side line of the Concord Highway, a distance of 591 feet, more or less, thence northwesterly by land, now or formerly of Wyman, a distance of 348.7 feet, more or less, to land of owners unknown, thence easterly by said land of owners unknown, a distance of 464.94 feet to a point on the southwesterly side line of Thorndike Street Ext., thence southeasterly on said southwesterly side line of Thorndike Street Ext., a distance of 471 feet, more or less, to an angle point in said southwesterly side line of Thorndike Street, Ext., thence northeasterly on the southeasterly side line of Thorndike Street, Ext., a distance of 40.0 feet, more or less, to the point of beginning, and containing 338,216 square feet, more or less.

(Inserted at the request of the Board of Park Commissioners and the Planning Board)

Article 31. To see if the Town will make an appropriation to be expended under the direction of the Board of Selectmen for the employment of the poor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Emergency Unemployment Committee, the Board of Selectmen, Board of Public Works and Park Commissioners)

Article 32. To see if the Town will appropriate the

sum of forty-three hundred (4300) dollars, or any other sum, to be expended under direction of the School Committee for the purpose of removing old toilets and installing new toilets in the Junior High Center and old Parmenter School Buildings; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 33. To see if the Town will appropriate the sum of three thousand (3000) dollars or any other sum, to be expended under direction of the School Committee, for the purpose of relaying slate on the roof and providing new gutters, valleys and caps at the Russell School and performing any other necessary work in connection therewith; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 34. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1936, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 35. To see if the Town will make provisions for the management, care, maintenance, use, sale, lease or other disposition of lands and buildings thereon, or any interest in lands and buildings, heretofore or hereafter acquired by the Town by tax sales and foreclosure proceedings, or otherwise through proceedings for the collection of taxes; authorize the execution of such deeds, leases and other instruments as may be necessary or convenient in carrying out such provisions as may be made; will make an appropriation or appropriations for said

purposes; or take any action relating to anything herein mentioned.

Article 36. To see if the Town will appoint a committee of five, consisting of the three present members of the Town Yard committee and two other persons to be appointed by the Moderator, to investigate and consider a method or methods of disposing of ashes, rubbish and offal; will make an appropriation of fifty (50) dollars or any other sum for the expenses of such committee; or take any action relating thereto.

Article 37. To see if the Town will amend or alter the articles and sections hereinafter mentioned, of the Town's by-laws in the manner hereinafter set forth; or will take any action relating to the amendment or alteration of said articles and sections.

A. Section 5 of Article 4 relative to "Town Clerk," by striking out the word "Auditor" and inserting in place thereof, the words "Town Accountant."

B. Article 6 relative to "Treasurer," by striking out said article and inserting in place thereof the following:

ARTICLE 6

Treasurer

Section 1. The Town Treasurer shall have the custody of all certified checks filed by any person, firm or corporation in connection with bids of any nature.

Section 2. The Treasurer shall have custody of all paid matured notes, bonds and coupons, issued by the town and all paid checks issued by him.

C. Article 7 relative to "Auditor," by striking out said article and inserting in place thereof the following:

ARTICLE 7

Accounting Department

Section 1. The Town Accountant shall have the custody of all vouchers which have been entered on warrants for payment and approved by the Selectmen and Accountant. Said vouchers are to be available for inspection by the Town Treasurer at all times.

Section 2. No head of a department, board or committee authorized to spend money shall make purchases of supplies or materials or contract to render services to the Town without issuing a written purchase order on prescribed forms for all such supplies or materials or services to be rendered; provided, however, that the provisions of this section shall not apply to the salaries or wages of part-time or regularly-employed officers, clerks and wage earners of any department of the Town. All purchase orders shall be in triplicate; one to be designated for the Vendor; one to be designated for and delivered to the Town Accountant; and one to be designated for the files of the department issuing the order. The order designated for the Vendor, before being transmitted to the Vendor, shall be submitted to the Town Accountant to be certified by him that there is sufficient unencumbered balance of the appropriation to be charged to liquidate the amount of the order; provided, however, that verbal orders for supplies or materials or services to be rendered may be issued for an amount not to exceed twenty-five dollars. All verbal orders shall be confirmed in writing on the prescribed purchase order forms on the day the orders are given and transmitted immediately to the Town Accountant for certification.

Section 3. The Town Accountant shall prescribe the methods of Accounting and forms to be used by the several departments of the Town wherein the collection or disbursement of money is concerned, so that such methods and forms shall conform to the requirements of the State system of accounting.

D. Section 8 of Article 8 relative to "Finance Committee," by adding two sentences at the end thereof so that said section shall be as follows:

Section 8. Except as hereinbefore provided, the Committee shall have power to elect its own officers, and to fill vacancies upon a two-thirds vote of the remaining members. Each such vacancy shall be filled by a registered voter residing in the same precinct as that in which the vacancy occurred, who shall hold office only until the next annual election after which time an appointment shall be made by the Moderator for the unexpired term according to the procedure herebefore provided in this Article 8. A vacancy shall be declared to exist whenever any member moves away from the precinct he is appointed to represent, either away from Arlington or into another precinct.

E. Section 19 of Article 9 relative to "Public Ways," by striking out the said Section 19 and inserting in place thereof the following:

Except as otherwise provided by statute, by-law, or department regulation, no person shall, in any manner, place or cause to be placed in or upon any public way, public place or body of water within the Town, rubbish, waste material, filth, or discarded substance of any kind.

F. Article 9 entitled "Public Ways," by adding thereto a new section to read as follows:

Section 22. No person, either by himself or his employees, shall engage in the distribution of handbills, circulars, or other prepared reading matter except newspapers, within the Town of Arlington, or shall go about or send employees about in the streets, alleys, and public places in said Town for the purpose of such distribution, without first having obtained a permit from the Chief of Police of said Town. Said permit may contain such conditions as may be deemed expedient and shall be revocable at the pleasure of said Chief of Police. Any person having such a permit may send out employees for whom he shall be responsible. No permit granted under the provisions hereof shall be good for a period exceeding twelve months and every person having such a permit may be required to leave with the Chief of Police a sample of each handbill, circular or other prepared reading matter before distributing the same. The Chief of Police may establish a fee for every permit granted under the provisions hereof, not to exceed $2.00.

G. Section 5 of Article 10 relative to "Board of Health," by striking out said Section relating to Heat and Plumbing.

H. Article 10 relative to the Board of Health, by adding a new section to read as follows:

Section 5. No person residing in the town shall allow any dog belonging to him to run at large in the town unless said dog shall have been vaccinated against rabies at some time during the previous twelve months.

A clinic for the inoculation of dogs against rabies shall be established under the direction of the Board of Health. The Board of Health may establish a fee not exceeding fifty cents ($.50) to cover cost of rabic vaccine and other materials required for each dog innoculated.

I. Section 2 of Article 12, by striking out paragraph "(h)" and inserting in place thereof the following:

(h) No person, firm, association or corporation shall erect, display or maintain within any residential district any billboard or other outdoor advertising device, except the following if located not more than six inches nearer to any boundary of the lot or premises on which it is located than it would be lawful to maintain a building:

(1) Any lawful sign or signs advertising only the sale or rental of the premises not exceeding a total area of ten square feet;

(2) on the premises of any public building;

(3) any farm, garden, or tree nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises;

(4) any lawful accessory signs on the front wall of any building occupied by a non-conforming business;

(5) at any boundary line of the town a lawful sign not exceeding five square feet in area indicating the meetings of any civic organization located therein;

(6) on property owned and principally occupied by a religious, civic or charitable organization, association of war veterans or the like any lawful accessory sign displayed by written permission of the Selectmen and approval of the inspector of buildings for a limited period not exceeding sixty days;

In the foregoing certain words are defined as follows:

"Residential District" shall mean any area zoned as residential.

"Non-conforming business" shall mean a business located in a residential or rural district, other than such rural business as farming or the raising and sale on the same premises of farm, garden or orchard products.

"Lawful Sign" shall mean any outdoor advertising device not prohibited by any provision of law or by any lawful regulation.

"Accessory Sign" shall mean any outdoor advertising device which carries only advertisements strictly incidental and subordinate to a lawful use of the premises on which it is located, including signs indicating business transacted or goods sold or produced on the premises or an occupant thereof, but not including any sign sold or rented to an outside party.

J. Section 6 of Article 12 by striking out the said section and inserting in place thereof the following:

BEGGARS, SOLICITORS AND PEDDLERS

Section 6. No person unless otherwise authorized shall go from place to place within the Town selling or bartering or carrying for sale or barter or exposing therefor or taking orders therefor any goods, wares or merchandise, nor shall any person go from place to place within the Town begging or soliciting alms or contributions for any person, cause, or organization, either on foot or from any animal or vehicle, without having first recorded his name and address with the Chief of Police

and furnished such other information as may be requested of him. The Chief of Police shall thereupon, if satisfied with the honesty of the applicant, issue a permit for a period not exceeding twelve months, which must be shown on request, and shall state that said person has duly registered and is entitled to go from place to place within the Town for the purpose specified.

K. Article 12 entitled "Miscellaneous," by adding at the end thereof a new section to read as follows:

Section 8. No official or employee of the Town shall dispose of any material or other personal property belonging to the Town without permission being granted by a vote of the Town, subject to the following exception. Any department, board, or committee of the town may sell or otherwise dispose of scrap material of other discarded personal property belonging to the Town which is within the jurisdiction or control of such department, board, or committee, provided such department, board, or committee in its sound discretion first determines that a just and reasonable value for same does not exceed $50.

Article 38. To see if the Town will amend or alter the sections and paragraphs hereinafter mentioned of Article 15 of the Town's by-laws known as the Building Code, in the manner hereinafter set forth; or will take any action relating to the amendment or alteration of said sections.

Section 8-11 relative to "Mortars," by striking out the third paragraph and inserting in place thereof the following: Lime and Cement Mortar shall be composed of one (1) part lime putty or dry hydrated lime, one (1) part Portland cement and six (6) parts sand all by volume.

Section 8-22 relating to "Floor Loads," in the table

of the minimum number of pounds of live load per square foot which floors must be of sufficient strength to carry, by striking out "Residence buildings, including porches 50" and inserting in place thereof "Residence buildings, including porches 40."

Section 9-3 relative to "Foundations," by striking out the second paragraph beginning "First and Second-Class Buildings" and inserting in place thereof the following: Depth of Foundations. Every building shall have foundations laid in cement mortar extending at least four (4) feet below the surface of ground exposed to frost and such foundations shall rest on solid ground or suitably driven piles, and shall be so designed that the loads will be as nearly uniform as possible and not in excess of the safe bearing capacity of the soil.

Section 9-41 relative to "Masonry Construction" by inserting under the heading "Mortars" after paragraph (c) a new paragraph as follows: (d) Lime and cement mortars may be used for all masonry construction when the stresses allowed for masonry in Section 8-3 are not exceeded, or where the presence of an excessive amount of lime will not endanger the stability of the masonry from frost, water or pressure of any kind.

Section 9-46 relative to "Faced Wall" by inserting at the end thereof a new paragraph as follows: Stone veneer when used as a facing on frame construction shall be laid with stones of uniform depth with flat beds and tops for at least 75% of the total depth of stone and shall be securely attached to frame structure at intervals of not more than twelve (12) inches vertically and twenty-four (24) inches horizontally by copper, brass or other approved non-corrosive metal of not less than #8 gauge.

Section 9-7 relative to "Wood Construction" in the third paragraph by striking out the last five words

"Mortised, tenoned and pinned together," so that said paragraph will read as follows: All frame buildings and their projections having a floor area of more than three hundred (300) square feet or over one (1) story in height used as dwellings, storage or manufacturing purposes, shall have all sills, including piazzas, not less than 4 by 6 inches, and, if over 1½ stories in height, girts and posts not less than 4 x 6 inches.

Section 11-4 relative to "Partitions," by striking out paragraph "(b) Stores in Blocks" and inserting in place thereof the following: (b) Stores. The ceiling of every store shall be finished with metal lath and Portland cement mortar, or the equivalent. In the cellar, or basement, of every store, except where cellar or basement is equipped with a standard system of automatic sprinklers, all partitions shall be of fire resisting material. The height of such cellars shall be at least seven (7) feet in the clear with such entrance from the outside through a bulkhead or door, as the inspector of buildings may consider necessary for protection against fire.

Section 11-8 relative to "Roof Structures and Roofing" under "Roof Coverings" by inserting after paragraph "(d) Repairs to Shingle Roofs," the following: (e) No new roofing material shall be laid over an existing roofing material except where the roof construction under same is sound and the additional roofing material will not stress the structure beyond that provided in Div. 8 of this code. (f) All shingles on roofs shall be laid so as to give practically three thicknesses of shingles at every point on the roof. The Inspector of Buildings may approve shingles laid in variation of the above method when it can be shown that the shingles are specifically designed by the manufacturers to be laid in a different manner and, that when so laid they will insure weather tightness of roof.

Section 11-9 relative to "Fire Stopping," by adding at the end thereof the following: (k) Sprinklers. Automatic sprinklers shall be installed in the cellar or basement of any building utilized in whole or in part as a boarding or lodging house, hospital, nursing home, or for any similar purpose, unless constructed of first class construction. The Inspector of Buildings may require the installation of automatic sprinklers in the cellar or basement of any existing building used as a boarding or lodging house, hospital, nursing home or for any similar purpose, when a serious fire hazard exists therein.

Division 12 relative to "Heating Appliances and Chimneys" under the heading "Chimneys" by striking out paragraph "(g)" and inserting in place thereof the following: (g) Height of Chimneys. Every chimney shall be carried to sufficient height to protect adjoining buildings from fire and smoke. All chimneys constructed within eight feet of the ridge of the roof must be built at least two (2) feet higher than the ridge, and all chimneys over eight feet from the ridge must be at least level with the ridge. The Inspector of Buildings may modify the height of chimneys above the roof in specific cases where it is evident that the relative height between ridge and top of chimney does not affect the draft in chimney or in any way increase the fire hazard.

Division 12 relative to "Heating Appliances and Chimneys" under "Chimneys" by striking out paragraph "(m)" and inserting in place thereof the following: (m) Kitchen Chimney and Vent for Gas Stoves and Heaters. Every building used for habitation shall have a separate kitchen flue or chimney of masonry lined with tile, having an outside dimension not less than 8½ inches by 8½ inches, or round tile not less than 8 inches in diameter.

Section 15-2 relative to Plumbing Permits, by adding at the end of the first paragraph, the following: Permits to perform plumbing shall be issued only to Master

Plumbers who have registered their names and places of business with the Inspector of Buildings.

Section 15-3 relative to quality and weights of plumbing material, by adding at the end thereof the following: The Inspector of Plumbing may issue special permits for the use of seamless hard drawn copper tubing assembled with copper fittings for drain, soil, waste and vent pipes. All copper fittings of the sweated sleeve type shall have joints prepared by a thorough cleaning and sweated by capillary action to the full depth of the socket, to make a complete solder sweated contact between pipe and fitting. The following weights and sizes may be used under the special permit:

Pipe Size	Thickness of Wall	Weight Per Foot	Depth of Bore For Drainage Fittings
1½″	.060	1.14	15/16
2″	.070	1.75	1-1/16
3″	.090	3.33	1-3/8

In section 15-6 relative to "Water Supply and Distribution," in paragraph "(O)" relative to "Size of Circulating Pipes," by striking out the schedule of minimum size of circulating pipes for gas water heaters and inserting in place thereof the following:

GAS WATER HEATERS

Gas Consumed Per Hour	Size of Inside Diameter of Brass or Copper Pipe
Under 10	⅜
11 to 25	½
25 to 60	¾
60 to 100	1 ″
100 to 200	1¼
200 to 360	1½
360 to 500	2 ″
500 to 650	2½

Section 15-9 of the Building Code relative to "Soil, Waste and Vent Pipes," under "Vent Pipes," in the first sentence of the fourth paragraph, by striking out the words "four feet" and inserting in place thereof the words "five feet" so that said sentence shall read as follows: No trap shall be placed more than five feet, horizontal developed length, from its vent nor have a greater drop than two inches in this length.

Section 15-12 relative to "Refrigerator, Safe and Special Wastes" under "Refrigerator Wastes" in the third paragraph, by striking out "3½ feet" and inserting in place thereof "4 feet" and inserting after the word "feet" the words "and not less than three (3) feet" so that said third paragraph shall read as follows: Refrigerator waste lines shall discharge over an open, trapped and ventilated ordinarily used sink, connected with water supply for flushing and placed not more than 4 ft. and not less than 3 feet above the cellar floor. No ventilation is required for traps of refrigerators if located on the first floor.

Section 15-13 relative to "Miscellaneous Toilet Accommodations," by inserting at the end thereof the following: Every building used for habitation and every building where persons are regularly employed shall have a sink and suitable sanitary accommodation.

Division 18 relative to "Signs and Billboards" in the paragraph "Sky Signs" by striking out the second sentence which reads as follows: "Sky signs shall be set back at least eight feet from the cornice or wall on a street front, shall not project more than twenty-five (25) feet above the roof, and shall have a space at least six (6) feet in height between the bottom of the sign and the roof," and inserting in place thereof the following: No sky sign shall extend more than fifteen (15) feet above the roof on which it stands nor set nearer than one-half its height to the cornice or wall thereof on a street front.

Article 39. To see if the Town will make an appropriation or appropriations for the printing and publishing of the Town's by-laws, the amendments thereof adopted at this meeting, or any portions thereof; determine in what manner the money shall be raised and expended; or take any other action relating to such printing and publishing.

Article 40. To see whether the Town will authorize the Selectmen to lease or otherwise dispose of the whole or any part of certain land belonging to the Town, bounded and described as follows:

A certain parcel of land with the buildings thereon, situated in Arlington and bounded as follows: Southwesterly on Maple Street, 81.57 feet; Northwesterly on land of the Town of Arlington, 209.82 feet; Northeasterly on land of the Town of Arlington, 83.20 feet; Southeasterly on land now or formerly of Cousins, 122.79 feet; Northeasterly on said last named land, 5.58 feet; and Southeasterly on land of Taylor, 104.38 feet; containing 18,375 square feet of land and being shown on plan entitled "Plan of land in Arlington, Mass.," C. H. Gannett, C. E., February, 1924, recorded with Middlesex So. Dist. Deeds, end of Book 4816; or take any other action with respect to said land.

(Inserted at the request of more than ten (10) registered voters)

Article 41. To see if the Town will appropriate the sum of Four Hundred Dollars ($400) to be expended under the direction of the Board of Selectmen, for the purpose of providing suitable headquarters for Arlington Post #1775, Veterans of Foreign Wars of the United States, in accordance with Chapter 40, Section 9, of the General Laws of Massachusetts; said sum to be raised by General Tax.

(Inserted at the request of more than ten (10) registered voters)

Article 42. To see if the Town will appropriate the sum of Four Hundred Dollars ($400) to be expended under the direction of the Board of Selectmen, for the purpose of providing suitable headquarters for Arlington Chapter, Disabled American Veterans in accordance with Chapter 245, Section 3 of the General Laws of Massachusetts; said sum to be raised by General Tax.

(Inserted at the request of more than ten (10) registered voters)

Article 43. To see if the Town will vote to authorize the Treasurer, with the approval of the Board of Selectmen, to borrow from the Commonwealth of Massachusetts, on behalf of the Town, a sum or sums of money for welfare aid, old age assistance or soldiers' relief, under authority of, and in accordance with the provisions of Chapter 49 of the Acts of 1933, as amended by Chapter 300 of the Acts of 1935; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this seventeenth day of February, in the year of our Lord one thousand nine hundred and thirty-six.

The necessary ballots prepared for each precinct and all other paraphernalia for the proper conduct of the elec-

tion was supplied by the Town Clerk and turned over to the officers of the various precincts.

The polls were declared open in each precinct at seven o'clock in the morning and remained open until eight o'clock in the evening at which time after due notice they were declared closed.

The ballots were counted by the election officers and encased in boxes, which were sealed, and the same were delivered by direction of the Town Clerk to the Police Station where they were to be placed under police guard until after the expiration of the time within which a petition for recount might be filed.

The returns from each precinct were turned over to the Town Clerk and with the assistance of the Registrars of Voters were canvassed and the result announced.

A true record of the election, Attest:

E. CAROLINE PIERCE FAIRCHILD,
Town Clerk.

Arlington, March 9, 1936.

I hereby certify that I have this day appointed Edith L. Hearsey Assistant Town Clerk of Arlington, during my pleasure, and that she has taken the oath required for the faithful performance of her duties.

EARL A. RYDER,
Town Clerk.

ANNUAL MEETING

Arlington, March 18, 1936.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members elected and qualified to act in Town Meetings, in Arlington, and posted at two places in each precinct, the Town Meeting Members met in the Robbins Memorial Town Hall in said Town on Wednesday, March 18, 1936, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred and fifty-eight Town Meeting Members.

The Check Lists filed with the Town Clerk at the close of the meeting showed that two hundred and twenty-three members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to the faithful performance of his duties.

The meeting was called to order at 8:00 P.M. by the Moderator, Albert W. Wunderly, who declared a quorum present.

The Town Meeting Members were sworn by the Moderator.

Copies of the Warrant having been supplied to the Town Meeting Members, the Town Clerk read only the Call and the Constable's Return of the Warrant, the meeting voting on Chairman Davis's motion to dispense with the reading of the remainder of the warrant.

Chairman Davis requested that the Town Counsel, Selectman Lowe, Secretary of the Selectmen, and Mr. Ralph Adams of the Board of Public Works, be allowed to be seated with him and there being no objection such permission was granted.

On motion of Chairman Davis it was:

Voted: (Unanimously) That if all the business of the meeting as set forth in the warrant is not disposed of on this date, the meeting adjourn to Wednesday evening, March 25, 1936, at eight o'clock.

On motion of Chairman Davis:

Voted: (Unanimously) That at 8:27 P.M. the annual meeting be recessed until the business of the special meeting called for 8:30 P.M. is completed; and that in no event

shall the recess of the annual meeting extend beyond the time at which said special meeting is adjourned.

On motion of Chairman Davis:

Voted: (Unanimously) That Article 2 be taken up.

Article 2 taken up. (Choice of Other Town Officers.)

On motion of Chairman Davis:

Voted: (Unanimously) That the following be appointed measurers of wood and bark for the term of one year.

Arthur B. Peirce,
Charles E. Hale,
Patrick F. Brosnahan.

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

On motion of Chairman Davis:

Voted: (Unanimously) That Article 3 be taken up.

Article 3 taken up. (Reports of Selectmen—Other Town Officer and Committees.)

On motion of Chairman Davis:

Voted: (Unanimously) That the reports of the Selectmen and of the various town officers and the committees heretofore appointed together with the statistics of the assessors, as presented in the Town Report, be received.

On motion of Chairman Davidson:

Voted: (Unanimously) That the report of the Finance Committee as presented in printed form be received.

Chairman Washburn, of the Committee to inquire into the inequalities of pay and pensions made a report of progress.

Chairman Marsh, of the Board of Public Works, presented the following report of the permanent town yard committee:

The garage at Hobbs Court Town Yard is dangerously over-crowded when all equipment is housed at night.

Photograph is submitted herewith, showing this crowded condition. There is no passageway through the middle of the building. The aisle is completely filled with trucks and other equipment.

In case of fire, it would be almost impossible to save more than two or three pieces nearest the doors.

The garage was not designed to accommodate the number of vehicles now in use.

The total number of pieces of equipment stored in garage						1929	28	pcs.
"	"	"	"	"	"	1930	32	"
"	"	"	"	"	"	1931	36	"
"	"	"	"	"	"	1936	45	"

In addition to the above auto equipment, there are stored in the garage: 13 Heavy Duty, Blade Type, Truck Snow Plows. These plows were originally stored in sheds at the Summer St. Yard but had to be moved to Hobbs Ct. when sheds were destroyed.

Summer St. Town Yard.

It has been impossible to provide suitable space at

the Hobbs Ct. Yard for several activities and the Summer St. Yard is still occupied by the following services.

Blacksmith Shop	829	Sq.	Ft.
Carpenter and Paint Shop	503	"	"
Two Stables	1536	"	"
Sand Storage Shed	1545	"	"
	4413	"	"

It is therefore apparent that some similar area will have to be provided at Hobbs Ct. Yard before complete consolidation can be effected.

Recommendation.

In the interest of FIRE PROTECTION and Economy in operation, it is desirable to provide additional space for the proper storage of auto equipment. The necessity for fire protection is immediately apparent. The economies to be derived from consolidation of all departments at one yard under one supervision are equally important.

Previous Plans for Extension.

In the summer of 1935, the Selectmen applied for a W. P. A. Project to include the addition of one floor upon the present Water Shop. This project included Paint Shop and Blacksmith Shop in addition to the present Water Shop building.

Delays in obtaining approval for the Project from Washington made it impossible to undertake the work last Fall. It was therefore held over until Town Meeting this year for final approval by the Town. Early in February 1936, an alternate plan was suggested whereby additional floor area and also yard storage space could be

obtained. This proposal to purchase additional facilities for the use of the Public Works Dept., at 1083 Massachusetts Ave. originated with the Board of Public Works.

We have compared the Purchase of additional property with the cost of the W. P. A. Project for Additions to the present Water Shop and submit the following opinion.

The W. P. A. Project will provide only the immediate addition of approx. 4800 sq. ft. of usable floor space for the storage of equipment and new Blacksmith and Paint Shops.

The use of the Second floor of the Water Shop will require driveway space in the rear of the building and interfere with the further development of the yard and also reduce the Pipe Storage yard.

This project will not provide sufficient additional space to allow removal of all activities from the Summer St. yard to the Hobbs Ct. yard.

No provision can be made for the open yard space required for the storage of Snow Plows, or for the erection of suitable sand storage shed or stables, if it is decided to retain same in the consolidated yard.

The purchase of the 1083 Mass. Ave. property will provide at once without expense, a suitable exit from the Hobbs Ct. Yard. The present exit at Hobbs Court out on to Mass. Ave. is very narrow, only 16 ft. and can not be widened except at great expense for land takings. Necessary changes in grade to make satisfactory connection with the Avenue also complicate any possible alteration at this bad corner. The Town has no outlet from the yard toward Brattle Street, except over Metro-

politan Water Works land, for which it is unable to obtain a lease or other positive assurance of use over any definite period of time.

The purchase of this property will allow the immediate removal of Yard and Water Shop offices from the present Water Shop thus providing sufficient storage area for the excess auto equipment now crowded in the present garage. The present Auto Repair Shop can also be given over to Storage space. The new building will provide suitable space for the consolidation of labor activities. Thus, the Auto Repair shop, Carpenter and Paint shop, Blacksmith shop, Water shop and Stock Rooms will be consolidated in one building, under the immediate supervision of proper official. Many economies may be effected by this change.

The removal of All Public Works Activities from the Summer Street Yard will make it possible for the Town to use this area for such purpose as may be desired. The area of land thus released for other use by the Town is 248,292 sq. ft. If this land should be sold it would probably bring in a sum in excess of the total cost of the Purchase of 1083 Mass. Ave., the cost of alterations of buildings, and the cost of removal of and consolidations of these activities.

Plans have been prepared by Mr. G. Bertram Washburn, for the necessary alterations to the present building required for the consolidation of these shops. Bids have been received from reputable local contractors. We believe that for the same amount of money expended in the purchase of and the remodelling of the present buildings to suit requirements, that it will be possible to obtain more than 50% more usable floor area, and (also approx. two-thirds of an acre of land) than would be obtained by the W. P. A. Project, under which present land must be occupied by the buildings to be constructed.

The amount of money to be contributed by the Town for materials and equipment under the W. P. A. Project, as authorized is $16,467.00.

By the purchase of this tract the present yard will not be encroached upon and will be preserved for further buildings as may be required for the enlarging activities of the Public Works dept.

Conclusion.

We recommend the purchase of the property at 1083 Massachusetts Ave. at the option price of Eighty-five hundred ($8500.00) dollars, plus adjusted water and tax items as may be indicated at time of transfer.

We recommend the immediate consolidation of the Summer Street Yard with the Hobbs Court Yard at the Hobbs Court location and new property 1083 Mass. Ave., and that the Summer Street Yard be abandoned by the Public Works department and turned over to the Town for other uses.

We approve the request for an appropriation for the sum of Eighty-five hundred ($8500.00) dollars for the alteration of buildings at 1083 Mass. Ave. and the removal of materials and equipment from Summer Street Yard to the Hobbs Court Yard.

We do not approve the undertaking of the so-called W. P. A. Project in the event of the Town acquiring the 1083 Mass. Ave. property.

We further do not approve the undertaking of the W. P. A. Project in preference to the purchase of the 1083 Mass. Ave. property.

Respectfully submitted,

Permanent Town Yard Committee.
WALTER F. ROBINSON,
F. HEDLEY BARNHILL,
LOREN W. MARSH.

Roger W. Homer requested that the Committee appointed by vote of the Town April 14, 1927, to make a study of a community or other building as a memorial, etc., requested that the Committee be discharged. On motion duly made and seconded it was

Voted: (Unanimously) That the Committee be discharged.

J. Howard Hayes presented the following report of the Committee to investigate and study the Public Library accommodations at the Heights.

Under vote of the Town July 1931, this committee was authorized to procure plans and estimates for altering, repairing or adding to the building on the land of the Town on the corner of Park Avenue and Paul Revere Road and/or for the construction of a new building on said land.

The plans for a new building with estimates for the same were submitted to the Federal Government in 1935 as a P. W. A. project, but was rejected. The cause of this rejection according to Congresswoman Edith Nourse Rogers was due to the fact that money originally appropriated by the Federal Government for such projects was transferred to another department.

The people at the Heights have been asking for suitable Library accommodations for over thirty years. The need for them has grown greater every year. The work at the Central Library at the present time is very congested and the proposed building at the Heights is greatly needed to serve the ever increasing population of adults and school children in the Heights section.

The activities of the Study Club and the Park Players for the purpose of raising a fund to be used for extra

furnishings of the proposed building show that there is a confident hope that the Town by some means in the near future will meet the imperative need of better library accommodations in the Heights Section of Arlington.

Respectfully submitted,

SARAH R. VAUGHN,
J. HOWARD HAYES,
VITTORIA C. DALLIN,
WILLIAM A. MULLER, Chairman.

On motion of Richard Donovan:

Voted: (Unanimously) To discharge the Committee appointed June 21, 1932, to Investigate and Report on the advisability of acquiring a suitable playground or park for small children in the easterly section of the Town.

Mr. Frederic F. Lowe presented the following report of the Committee appointed by vote of the Town passed March 27, 1935, to consider the amendment, alteration, repeal or revision of, or additions to, the town's by-laws.

The committee has held twelve meetings, its individual members have had numerous conferences with departments of the town and advertisements were inserted in the Arlington papers regarding suggestions for the committee to consider.

The committee's work is represented by articles no. 37 and no. 38 in the warrant.

Briefly and broadly speaking the purpose of these amendments is to bring department duties in conformity to state laws, to control the distribution of undesirable printed matter, to protect against rabies, to check abuses in the house to house selling of articles, to prevent the

disfigurement of our streets, parks and ponds, and those affecting the building code are intended to clarify a few of the requirements, to strengthen where it appears necessary for the public good and to modify where it seemed desirable in order to lessen the cost of construction.

All these amendments are, in the opinion of the committee, for the welfare of the town and they ask for your favorable consideration.

Having finished its work, your committee now ask for their discharge.

Respectfully submitted,

FREDERICK W. HILL,
FRANCIS KEEFE,
WILLIAM C. SCANNELL,
MALCOLM E. DODGE,
FREDERIC F. LOW, Chairman.

On motion of G. Bertram Washburn it was:

Voted: (Unanimously) That the report be received and the committee discharged.

On motion of Chairman Davidson:

Voted: (Unanimously) That Article 3 be laid on the table.

On motion of Chairman Davidson:

Voted: (Unanimously) That the remaining articles in the warrant be now taken up separately in the order in which they appear in said warrant and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now

before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4 taken up. (Town Outlays and Expenses.)

The hour of 8:27 having arrived the Moderator declared the meeting adjourned until the business of the Special Meeting is completed.

Meeting adjourned.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Wednesday, the 18th day of March, 1936, at 8.30 o'clock, P.M., at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to the referenda provided for by, Section 10 of Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will make an appropriation or appropriations for the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town for: (a) the Town's share of the principal of the bonds issued under the provisions of chapter 10 of the Acts of 1932 for the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932, maturing in the current year; (b) any other indebtedness incurred and outstanding under said chapter 10; (c) the Town's share of the interest and other charges on said bonds due in the current year; (d) the care, maintenance and repair of said hospital during the last preceding calendar year, including interest on temporary notes issued therefor in accordance with sections of chapter 111 of the General Laws applicable thereto; (e) any and all other expenses in connection with said hospital or said loan; determine in what manner the money shall be raised and expended; or take any action in any way relating to said hospital, loan or any other thing herein mentioned.

Article 3. To see if the Town will acquire by purchase, eminent domain or otherwise, for the enlargement of its Town Yard or for any other municipal purpose or purposes, all or any portion or portions of the parcel of land with the buildings thereon now numbered 1083 on Massachusetts Avenue, hereinafter described; will make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating to said land and buildings.

Said parcel is bounded and described substantially as follows: Beginning at the southerly corner of said parcel on the northeasterly side of Massachusetts Avenue, thence running north 40° 30′ east on land formerly of Cyrus B. Harrington and on land formerly of Walter Fletcher three

L. Leftovith, Surveyor," recorded with Middlesex So. Dist. Deeds Plan Book 269, Plan 18, subject to any rights of drainage, flowage or otherwise.

Article 4. To see if the Town will make any alterations and repairs of a building or buildings now numbered 1083 on Massachusetts Avenue, to be used in connection with the enlargement of its Town Yard, or for any other municipal purpose or purposes; make an appropriation or appropriations therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 5. To see if the Town will make an appropriation for equipment and materials to be used in connection with the alterations to the present building in the Town Yard, Hobbs Court, known as the Water Shop; determine in what manner the money shall be raised and expended; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this seventeenth day of February, in the year of our Lord one thousand nine hundred and thirty-six.

GEORGE H. LOWE, JR.,
ERNEST W. DAVIS,
HAROLD M. ESTABROOK,

Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., February 24, 1936.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting

precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) RALPH T. ATWOOD,
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, Mass., March 18, 1936.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of said Town and sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Wednesday, March 18, 1936, at 8:30 o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that two hundred and twenty-three members attended the meeting.

The Moderator called the Meeting to order at 8:30 o'clock P.M., declaring a quorum present.

James C. Carr was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Clerk read the call and the Constable's Return of the warrant, the reading of the remainder of the warrant being waived by the unanimous consent of the meeting.

Town Meeting Members not previously sworn were sworn by the Moderator.

On motion of Selectman Davis:

Voted: (Unanimously) That if all the business of the meeting as set forth in the warrant is not disposed of on this date the meeting adjourn to Wednesday evening, March 25, 1936, at 8:30 o'clock P.M.

On motion of Selectman Davis:

Voted: (Unanimously) That Article 1 be taken up.

Article 1 taken up. (Reports of Committees.)

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That the report of the Finance Committee as presented in its printed form be now received.

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That Article 1 be laid on the table.

Article 2 taken up. (Assessment for County Hospital.)

Voted: (Unanimously) That the sum of ten thousand (10,000) dollars be and hereby is appropriated to pay the Town's share of the principal of the Middlesex County

Tuberculosis Hospital Funding Loan, Acts of 1932 bonds maturing in 1936; that the further sum of two thousand seven hundred sixty-two and 50/100 (2762.50) dollars be and hereby is appropriated on account of interest and other charges on account thereof; that the further sum of nine thousand seven hundred sixty-three and 93/100 (9,763.93) dollars be and hereby is appropriated for the Town's share of the net cost of care, maintenance, and repairs of the Middlesex County Hospital, including interest on temporary notes issued therefor, in accordance with sections of Chapter 111 of the General Laws applicable thereto; and that said sums totaling twenty-two thousand five hundred and twenty-six and 43/100 (22,526.43) dollars be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

Article 3 taken up. (Land with Buildings for Enlargement of Town Yard.)

Chairman Marsh of the Board of Public Works read the report of the Permanent Town Yard Committee as reported in the Meeting of March 18th and followed it with pictures on the screen. After lengthy discussion the Moderator called for a standing vote which resulted in one hundred and twenty-six voting in the affirmative and eighty-three in the negative, a total of two hundred and nine votes. A two-thirds vote being necessary to carry, the Moderator declared the motion lost. There being no further business under Article 3 the Moderator declared Article 3 disposed of.

Article 4 taken up. (Alterations and Repairs, Building; Town Yard.)

Put to a vote and lost.

There being no further business under Article 4 the Moderator declared Article 4 disposed of.

Article 5 taken up. (Equipment and Materials, Water Shop; Town Yard.)

On a standing vote one hundred and fifty-seven voted in the affirmative and six in the negative,

That the Town do not make an appropriation for equipment and materials to be used in connection with alterations of the present building in the Town Yard, Hobbs Court, known as the Water Shop.

On motion duly made and seconded it was voted, one hundred and three in the affirmative and eighty-six in the negative, to reconsider Article 5.

Chairman Marsh stated he desired to prepare and offer a substitute motion, and

On motion duly made and seconded it was

Voted: That the meeting recess for five minutes.

When the meeting reconvened the Moderator called upon any Town Meeting Members who had not already been sworn to rise and take the oath and six members were sworn.

The Moderator declared Article 5 before the meeting.

Chairman Marsh offered the following substitute motion:

That the sum of sixteen thousand six hundred forty-seven (16,647) dollars be and hereby is appropriated to be expended for equipment and materials to be used in connection with alterations of the present

building in the Town Yard Hobbs Court, known as Water Shop, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

And on being put to a vote the Moderator declared the motion lost.

The original motion was again put to a vote and carried.

There being no further business under Article 5 the Moderator declared Article 5 disposed of.

On motion of Chairman Davidson:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

The business under the Special Warrant having been disposed of it was voted to adjourn.

The meeting adjourned at 10:55 P.M.

A True Record, Attest:

ADJOURNED MEETING

Arlington, April 1, 1936.

Pursuant to the vote of adjournment on March 25, 1936 the Town Meeting Members met in the Town Hall on Wednesday, April 1, 1936, notices having been sent by mail by the Town Clerk at least twelve hours before such session. A similar notice was posted in each precinct.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close

of the meeting showed that two hundred and twenty-four members attended the meeting.

James C. Carr, stenographer was sworn by the Town Clerk to the faithful performance of his duties.

The Moderator declaring a quorum present the meeting was called to order at 8:10 P.M.

On motion of Chairman Davis:

Voted: (Unanimously) That if all the business of the meeting as set forth in the warrant is not disposed of on this date, the meeting adjourn to Wednesday evening, April 8, 1936, at eight o'clock.

The Moderator declared Article 4, item 28 before the meeting.

Chairman Marsh, read the following comparative study of the Activities of the Public Works Department covering a period from 1920 to 1935.

Believing that the physical condition of the Services of the Town, which are operated by the Board of Public Works, have been allowed to deteriorate to an alarming extent under the pinch of economy during the past few years, the Board submits the following report of condition.

This department has spent yearly sums varying from $336,000 in 1922 to $774,000 in 1931 and dropping back to $451,000 in 1935. During this period the Town has increased 75% in population. The population has not dropped backward in any year. It has increased in varying amounts each year. Under these conditions, the Board feels that a survey of individual condition of each subdivision of the departmental activity is necessary at this time, including also the physical condition of the working

organization, as well as the Capital structure which has been erected under the supervision of this Board. It is not the intention, however, to discuss this matter at length except as the appropriations involved, affect the condition of the services which are in its charge.

Briefly, the Services covered by this Board include the Maintenance and Extension of the Highways and Bridges, Sewers, Storm Drains, Water department and the distinctly Service Divisions of Sanitary Department and the Removal of Snow and Ice from the Highways.

The Budget expenses under these various items have fluctuated with the growth of the town, rising to extremely high levels during the boom period and falling sharply under the exigencies of the years of depression. During the period from 1925 to 1930 the Town gained 11,000 in population and from 1930 to 1935, only 2,500. The service to be rendered has therefore not been lessened, but let us see what we have done to maintain the structure which has been built. During this period of fifteen years, with an increase in population of 75% we have gained more than 100% in the number of dwellings. The demand for domestic service such as the removal of offal, ashes, and rubbish has more than kept pace with the population.

As the Town has increased its mileage of accepted streets and extended its Storm Drain system, it has imposed additional maintenance charges. With the extension of the Highways, there has been corresponding increase in the Sewerage System. This imposes additional inspection and cleaning service, as well as the maintenance of the necessary pumps at low points in the system. Sidewalks also require maintenance and service under all weather conditions, but much more service under winter conditions.

Now, let us look into the extensions of plant and see what we have done to keep them in condition.

SANITARY DEPT.

Going back to 1919 and 1920, in the horse drawn equipment era, we had 42.28 miles of accepted streets and 29.78 miles of private ways, a total of 72.06 miles.

In 1920 the Health Department Collections were extended to Hibbert St. and Sylvia St. for the first time. Thus, this was probably the first year that the Health Department collections were extended to the extreme limits of the town. In this year the cost of the collections amounted to $10.70 per dwelling. These figures are compiled from Town Records showing the number of dwellings as reported by the assessors and the records of the Public Works Department under Health Department. The unit of cost seems to us more important than the total appropriations.

In 1922 and 1923 this collection cost averaged $11.48 per dwelling, while with the rapid growth of the town from 1925 to 1930, this cost advanced for various reasons to about $13.00 per dwelling. But with the depression years this cost has dropped back to $11.54, which includes more frequent collections than were given in 1920. The cost at this time, 1935, under motor equipment is almost exactly the same as fifteen years ago, when horses furnished the motive power.

In 1920, when heavy snow storms occurred, the horses under the Health Dept. were used for snow work and the collections discontinued until the sidewalks were cleared. The streets were not cleared in the same manner in those days. We had one horse drawn blade snow plow which was used to clear up the principal intersections and finish the work which the Elevated made for us with their track plows.

The principal problem today, in the Sanitary De-

partment is the lack of suitable disposal equipment and plant. With the building up of the town, we are now collecting upon 95.43 miles of accepted streets and private ways, an increase of 30% in total mileage, and from 6,900 dwellings as against 3,000 dwellings in 1919. The building up of the farms, and the encroachment upon lowlands suitable for rubbish and ash dumps have made longer hauls necessary. The situation is now acute.

The appropriation in 1919 was insufficient for full service, so the Town record states, so for four months in the summer, collections of rubbish were made monthly instead of weekly. There were many complaints. Perhaps we are approaching a similar situation.

SEWER DEPT.

In this department we have had an increase of 90% in the length of the system, yet the maintenance appropriation for 1936 is almost exactly the same as it was in 1920. It certainly seems reasonable 74.2 miles of sewer system cannot be maintained for the same amount of money as required for 39 miles. Yet that is the relation of system and maintenance in 1922 and 1935. The average annual expense for maintenance of the Sewer System over a period of twenty years is around $5,400, showing no increase with extension of system.

STORM DRAINS.

This extension of plant shows tremendous growth. Here we have a 200% increase in the length of the system. The cost of maintenance is under the Department of Highways and Bridges and it has not always been segregated so that the cost of maintenance must be considered as a part of the General Maintenance of Highways. No separate budget item is set up for this work. It is, how-

ever, a very considerable item of expense. In 1922 we had a system of 13 miles of drain with 527 catch basins. In 1935 we have 39 miles and 1466 catch basins.

Most of the 1,000 tons of sand used upon the streets and sidewalks this last winter must either be swept up from the gutters of the streets or dug out of the 1,466 catch basins.

HIGHWAYS AND BRIDGES.

With appropriations for General Maintenance of Highways remaining at the same total as it was in 1922, it seems reasonable that something is being neglected.

We take the year 1922 for comparison, because the substitute motion will be for almost identically the same amount as was expended in 1922. The only variation is in the amount of Highway Maintenance and Reconstruction. This year we ask for about one third the amount used in 1922 for Reconstruction and have placed the difference in the Maintenance item.

Compare these Maintenance items for Highways and Bridges and see what they must cover.

Our accepted streets are now 38.3% more in mileage. Our surface treated roads of which there were 40 miles in 1922 are now thirteen years older. These streets require more repair than the more heavily constructed streets. The heavy trucks, and busses combine with the effects of frost and general deterioration make increasing amount of repairs. This heavy increase in repairs of the older streets, apparently justifies the change in practice which now prevails in the use of heavy stone streets, either of the concrete or penetration constructions. These new streets require little attention.

This general item of maintenance should cover damage by storm and flood. This is not a serious item under ordinary conditions. But today we have a very unusual condition confronting us. We must now partially reconstruct several streets. We have several storm drains, completely plugged up which cannot be cleared by usual methods. These must be practically reconstructed. Temporary repairs have been made where possible, for immediate public safety, but certain reconstruction must follow.

No extended reconstruction is contemplated for participation by the County and State under so-called Chapter 90 authority, but should opportunity to avail ourselves of help from this source be presented, we shall with the authority of the Joint Board accept such help, within the limits of storm damaged streets only.

EXTENSION OF SERVICES, (Water, Sewer, and Storm Drain).

These extension items vary with the growth of the town in population and with the attendant growth in dwellings and new construction, and also in some relation to the length of accepted streets.

These items vary with the demand and are not constant nor can they be definitely forecast. As may be easily surmised, our extension expense has dropped to levels comparable with twenty years ago.

WATER DEPARTMENT.

The replacement of inadequate water mains with larger sized pipe is considered an extension and not a maintenance expense. These extensions are largely proportional to development. The opening up of new tracts of land come upon us without warning. For several years

there has been almost no new development. Yet, during the year 1935 there were actual applications for $37,742.50 worth of extensions which could not be granted. Of course, the total amount of applications need never be entirely covered by appropriation because the tracts are never fully developed in one year's time. There is, however, at this time a very decided improvement in the development field. Since the above figures were given to the Finance Committee, we have had presented to us four additional developments, one of about twenty acres in extent for the Niles Estate on Mystic Street, another for several acres off Hutchinson Road, one for several acres off Lake Street, and one off Eastern Ave. of smaller extent. Some appropriations for these developments may be required during the year.

Accurate requirements for this extension can not be compiled at this time. Upon the basis of Actual Applications in hand at the first of the year, amounting to $37,742.50, a tentative request of $30,000 was made.

The Finance Committee recommendation is $19,300. In view of the total applications and additional projects under consideration at this time the Board feels that a minimum of $30,000 should be available for the coming year.

SEWERAGE SYSTEM EXTENSION.

This extension work follows closely with the extension of Water Services. The pipes are all run in one trench wherever possible. The projects mentioned for Water extensions will also require Sewer at some time: It may not be possible to extend all these services because of existing system layouts.

At the first of the year we had applications for Sewer

Extensions amounting to $29,552.00. A tentative request of $20,000 was considered advisable at that time. The Finance Committee recommended only $13,000. In view of the developments now in hand we believe that there should be at the very least $20,000 available for this work.

Study of Betterment Assessments and Debt Payments.

So far as we are able to learn, there has never been a complete understanding or report of the relation of Receipts from Betterments for Highway Construction and Sewer Assessments. We have known in a general way Highway Costs were divided between the Town and the abutting property owners. Certain sums have been taken out of the General Tax when the authorizations have been made. Other sums have been borrowed and serial notes have been issued extending over a period of years prescribed by law. It has been generally accepted that a large part of the cost of these borrowings consisted of interest payments. Inasmuch as the Water department is subject to entirely different conditions it does not submit of inclusion in this analysis.

The Sidewalk costs and assessments are somewhat different and are purposely omitted from the comparison.

The Highway Construction including storm drains in connection therewith make up the total cost of the Highway, but the cost of the storm drains has never been included in the Betterment Assessments against the abutters. So the comparison must take this fact into consideration.

We find that the amount received from Highway Betterment Assessments plus the amount received from Sewer Assessments amounts to 87½% of the total Debt and Interest payments for Highway Debt and Sewer Debt requirements, over the period of twelve years from 1923

to 1934 inclusive. This does not include the amounts taken from General Tax.

During this period the total cost of New Streets and Sewer Extensions amounted to $1,860,953. With the Total Betterment Receipts must be included the total amount of apportioned betterments, not yet received in order to arrive at the percentage of cost borne by the abutting owners. We find that for the streets built from 1923 to 1934 inc. that the Town will receive from the assessments 43.7% of the total cost of the streets, plus the Sewer costs.

And, extended over the entire period of liquidation of the Debt incurred during this period, the assessments will return 90.1% of the Debt and interest requirements.

Thus it will be seen that a very considerable burden of Highway and Sewer Extensions are borne by abutting property owners.

The figures above submitted for Budget Requests have been requested by the full Board of Public Works. The chairman personally submits the figures of analysis.

In arriving at Budget requests, we do not assert that the amounts asked for are sufficient to cover our working needs. We feel that our Sewers and Storm Drains and Highway surfaces are not receiving adequate attention in upkeep. Only the present depression and its many demands upon all branches of the Town Government, induce us to take the risks attendant upon lack of maintenance which we think has been conclusively proven.

Board of Public Works

(Signed) by LOREN W. MARSH, Chairman.
RALPH ADAMS,
JAMES R. SMITH.

Mr. Marsh offered a substitute motion, which was seconded, that the sum of $103,300 be and hereby is appropriated for the Division of Highways and Bridges, said appropria tion to be raised by a general tax and expended under the direction of the Board of Public Works as follows:

VI. Capital Outlay	1,550.00
VII. Vocational School Tuition	4,000.00
	$660,970.00

Considerable discussion ensued. The Moderator called for a voice vote, the result of which was in doubt. Messrs. McManus, Washburn, and Donovan acting as

tellers, ninety-nine voted in the affirmative and one hundred and nine in the negative the Moderator declared the motion lost. Thereupon, Rose Collins questioned the vote and asked for a roll call. Twenty Town Meeting Members seconded the motion and the roll call was ordered. A roll call was taken by the Town Clerk and 107 voting yes and 102 voting no the motion carried.

The substitute motion being placed before the meeting the Moderator asked for a voice vote and the result being in doubt he asked for a rising vote. Messrs. Hennessy, Washburn and Donovan acting as tellers, 105 voted in the affirmative and 96 in the negative. The Moderator declared the motion carried.

At 10:55 P.M., on motion duly made and seconded it was voted to adjourn.

Town Clerk.

ADJOURNED MEETING

Pursuant to the vote of adjournment on April 1, 1936, the Town Meeting Members met in the Town Hall on Wednesday, April 8, 1936 notices having been sent by mail by the Town Clerk at least twelve hours before such session. A similar notice was posted in each precinct.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close

of the meeting showed that two hundred and eleven members attended the meeting.

The Moderator declaring a quorum present the meeting was called to order at 8:00 P.M.

Selectman Estabrook requested permission to have Mr. Golden, the Secretary of the Board of Selectmen, Mr. Marsh, Chairman of the Board of Public Works, and Mr. White, Town Counsel, seated in the front of the hall and there being no objection, permission was granted.

On motion of Selectman Estabrook:

Voted: (Unanimously) That if all the business of the meeting as set forth in the warrant is not disposed of on this date, the meeting adjourn to Wednesday evening, April 15, 1936, at 8:00 P.M.

On motion of Selectman Estabrook:

Voted: (Unanimously) That at 8:12 P.M. the Annual Meeting be recessed until the Special Meeting called for 8:15 P.M. adjourns, either to a time certain or finally, and that in no event shall the recess of the Annual Meeting extend beyond the time at which said Special Meeting so adjourns.

The Moderator declared Article 4, item 35 before the meeting.

Mr. Hennessy offered the following substitute motion, which was seconded:

That the sum of $27,475.76 be and hereby is appropriated for the Robbins Library and Branches, said appropriation to be raised by general tax and expended under the direction of the Trustees of the Robbins Library as follows:

Personal Services	$17,323.41
Material and Expenses	7,897.24
Dog Tax	2,255.11

The Moderator declared that the motion was not in order because it included the dog tax.

Mr. Hennessy stated that his intention was to add the sum of $2,255.11 to the recommendation of the Finance Committee. At this point the Moderator declared that as he was about to recess the meeting, Mr. Hennessy would have further time to present his motion in proper form and thereupon at 8:15 o'clock P.M. the meeting was recessed because of the Special Town Meeting.

containing 33,000 square feet more or less, and being shown upon a plan marked "Plan of Land in Arlington, Mass., owned by Henry Siskind, October 15, 1918, S. L. Leftovith, Surveyor," recorded with Middlesex So. Dist. Deeds Plan Book 269, Plan 18, subject to any rights of drainage, flowage or otherwise.

(Inserted at the request of more than one hundred (100) registered voters)

Article 3. To see if the Town will make any alterations and repairs of a building or buildings now numbered 1083 on Massachusetts Avenue, to be used in connection with the enlargement of its Town Yard, or for any other municipal purpose or purposes; make an appropriation or appropriations therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of more than one hundred (100) registered voters)

Article 4. To see if the Town will make an appropriation to be expended under direction of the School Committee for the purpose of replacing the decayed gymnasium floor in the high school building on Massachusetts Avenue, grading, draining and ventilating the space beneath said floor, and for performing any necessary work in connection therewith; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 5. To see if the Town will make an appropriation to be expended under direction of the School Committee for the purpose of changing the sewer connections of the old high school building from the trunk sewer under Massachusetts Avenue to the trunk sewer in the rear of the high school building; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 6. To see if the Town will make an appropriation or appropriations for the reconstruction, alteration and repair of the "Weir Bridge" known as the Medford Street Bridge and of the bridge known as the River Street and Harvard Avenue Bridge, crossing the Mystic River at the boundary line between the Town of Arlington and the City of Medford; determine in what manner the money shall be raised and expended; or take any action in any way relating to said two bridges or either of them.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings, thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this thirtieth day of March, in the year of our Lord one thousand nine hundred and thirty-six.

ERNEST W. DAVIS,
HAROLD M. ESTABROOK,
GEORGE H. LOWE, JR.,

Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., April 1, 1936.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) J. HERBERT GUNNERSON,
Constable, Town of Arlington, Mass.

SPECIAL TOWN MEETING

Arlington, Mass., April 8, 1936.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of the said Town and notices sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Wednesday, April 8, 1936, at 8:15 P.M.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that two hundred and eleven members attended the meeting.

The Moderator called the meeting to order at 8:15 o'clock P.M. declaring a quorum present.

James C. Carr was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Clerk read the call and the Constable's Return of the warrant, the reading of the remainder of the warrant being waived by the unanimous consent of the meeting.

On motion of Selectman Estabrook:

Voted: (Unanimously) That if all the articles of the warrant for this meeting are not finally disposed of and so declared by the Moderator on this date, the meeting adjourn to Wednesday evening, April 15, 1936, at 8:30 o'clock P.M.

On motion of Selectman Estabrook:

Voted: (Unanimously) That Article 1 be taken up. (Reports of Committees.)

The Moderator declared Article 1 before the meeting.

On motion of Selectman Estabrook:

Voted: (Unanimously) That the report of the Finance Committee as printed be received.

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That Article 1 be laid on the table.

On motion of Committee Chairman Davidson:

Voted: (Unanimously) That the remaining articles in the warrant be now taken up, separately and in the order in which they appear in said warrant, and that the recommendations of the Finance Committee under said articles, as presented in their printed report, be considered as now before the meeting, to be voted upon without further motion, separately and in the order in which they appear in said warrant.

The Moderator read Article 2 and declared it before the meeting.

After much discussion it was moved by Mr. C. M. Sawyer and seconded that the question now before the meeting be referred to a committee of five, to be appointed by the Moderator, with power to fill vacancies occurring in said committee, said members to be not connected with the Town government, with instructions to investigate the matter of the purchase of land in question or any other land that may be necessary for present or future needs of the Board of Public Works, and further to investigate the needs of housing or storage facilities for the present or future use of said Board, and that the committee be further instructed to report a comprehensive plan for the development and equipment of Town Yard properties, said report to be returned as promptly as possible to a special town meeting that will be held not later than December 31, 1936, and that the sum of $100 be and hereby is appropriated for the use of said committee, said appropriation to be raised by general tax.

On being put to a vote it failed to carry and the Moderator declared the motion lost. Then followed further lengthy discussion of the main motion, the recommendation of the Finance Committee. Finally the Moderator called for a voice vote thereon and the result being in doubt he again called for a voice vote and once more the result was in doubt. Whereupon he called for a standing vote, the tellers being Messrs. McManus, Donovan and Washburn which resulted in 125 voting in the affirmative and 77 in the negative. A two-thirds vote being required to carry the Moderator declared the motion lost. A roll call was then requested and more than twenty persons standing in favor thereof a roll call was ordered and was taken by the Town Clerk with the result that 126 voted in the affirmative and 80 in the negative. The Moderator declared the motion lost.

There being no further business under Article 2 the Moderator declared it disposed of.

Article 3 taken up. (Alterations and Repairs, Building; Town Yard.)

The motion was put to a voice vote and failed to carry. The Moderator declared the motion lost. There being no further business under Article 3 the Moderator declared Article 4 before the meeting.

Article 4 taken up. (Replacing Gymnasium Floor; High School Building.)

On a standing vote substantially two-thirds voted in the affirmative and none in the negative it was

Voted: That no appropriation be made under Article 4 of the warrant for the purpose of replacing the gymnasium floor in the high school building on Massachusetts Avenue, grading, draining and ventilating the space be-

neath said floor, or for performing work in connection therewith.

There being no further business under Article 4 the Moderator declared Article 4 disposed of.

Article 5 taken up. (Changing Sewer Connections: Old High School Building.)

Voted: (Unanimously) That the sum of one thousand (1,000) dollars be and hereby is appropriated for the purpose of changing the sewer connections of the old high school building from the trunk sewer under Massachusetts Avenue to the trunk sewer in the rear of the high school building; said sum to be raised by general tax and expended under the direction of the School Committee.

There being no further business under Article 5 the Moderator declared Article 5 disposed of.

Article 6 taken up. (Alteration and Repair of Bridges.)

On motion of Selectman Estabrook:

Voted: (Unanimously) That Article 6 be laid on the table.

On motion of Selectman Estabrook:

Voted: (Unanimously) That the meeting adjourn.

Whereupon, at 10:20 o'clock P.M. the special Town Meeting adjourned to 8:30 P.M. Wednesday, April 15, 1936.

A true record, Attest:

EARL A. RYDER,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

Arlington, April 8, 1936.

Pursuant to the taking of recess the Adjourned Annual Town Meeting of April 8th reconvened at 10:20 P.M.

The Moderator called the meeting to order stating that the motion under item 35 of Article 4 has been offered. Whereupon Mr. Hennessy moved to lay item 35 on the table. The motion was put to a vote and failed to carry.

Mr. Hennessy then offered the following substitute motion:

That the sum of $26,827.49, including the dog tax, be and hereby is appropriated for the Robbins Library and Branches, said appropriation to be raised by general tax and expended under the direction of the Trustees of the Robbins Library, as follows:

ADJOURNED MEETING

Arlington, April 15, 1936.

Pursuant to the vote of adjournment on April 8, 1936, the Town Meeting Members met in the Town Hall on Wednesday, April 15, 1936, at 8:15 P.M., notices having been sent by the Town Clerk at least twelve hours before such session and a similar notice posted in each precinct.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that 170 attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to the faithful performance of his duties.

The Moderator declaring a quorum present the meeting was called to order at 8:15 P.M.

On motion of Selectman Davis:

Voted: (Unanimously) That if all the business of the meeting as set forth in the Warrant is not disposed of on this date when the meeting adjourns, it adjourn to Wednesday evening, April 22, 1936, at 8:00 o'clock.

On motion of Selectman Davis:

Voted: (Unanimously) That at 8:27 P.M. the annual meeting be recessed until the special meeting adjourned to 8:30 P.M. adjourns, either to a time certain or finally, and that in no event shall the recess of the annual meeting extend beyond the time at which said special meeting so adjourns.

A True Record, Attest:

EARL A. RYDER,

Town Clerk.

ADJOURNED SPECIAL TOWN MEETING

Arlington, Mass., April 15, 1936.

The Adjourned Town Meeting of April 8th was called to order by the Moderator at 8:30 P.M.

There being 170 Town Meeting Members present when the meeting was called to order the Moderator declared a quorum present.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

James C. Carr was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The check list filed with the Town Clerk at the close of the meeting showed that 170 members attended the meeting.

On motion of Chairman Davis:

Voted: (Unanimously) That unless all the articles of the Warrant for this meeting are finally disposed of and

so declared by the Moderator on this date, when the meeting adjourns it adjourn to Wednesday evening, May 13, 1936, at 8:00 o'clock.

The Moderator then asked if Article 6 should be taken from the table. Selectman Davis stated that the Board of Selectmen and Joint Board had nothing to report under this article because no action had been taken by the legislature and that, in his opinion, no action at this time should be taken regarding it. He moved that the meeting adjourn and on a standing vote, the tellers being McManus, Donovan and Washburn, 110 voted in the affirmative and 36 in the negative. The Moderator declared the motion carried.

Voted: (Unanimously) that

A. Section 5 of Article 4 relative to "Town Clerk, be amended by striking out the word "Auditor" and inserting in place thereof, the words "Town Accountant."

Voted: (Unanimously) that

B. Article 6 relative to "Treasurer," be amended by striking out said article and inserting in place thereof the following:

ARTICLE 6

Treasurer

Section 1. The Town Treasurer shall have the cus-

tody of all certified checks filed by any person, firm or corporation in connection with bids of any nature.

Section 2. The Treasurer shall have custody of all paid matured notes, bonds and coupons, issued by the town and all paid checks issued by him.

Voted: (Unanimously) that

C. Article 7 relative to "Auditor," be amended by striking out said article and inserting in place thereof the following:

ARTICLE 7

Accounting Department

Section 1. The Town Accountant shall have the custody of all vouchers which have been entered on warrants for payment and approved by the Selectmen and Accountant. Said vouchers are to be available for inspection by the Town Treasurer at all times.

Section 2. No head of a department, board or committee authorized to spend money shall make purchases of supplies or materials or contract to render services to the Town without issuing a written purchase order on prescribed forms for all such supplies or materials or services to be rendered; provided, however, that the provisions of this section shall not apply to the salaries or wages of part-time or regularly-employed officers, clerks and wage earners of any department of the Town. All purchase orders shall be in triplicate; one to be designated for the Vendor; one to be designated for and delivered to the Town Accountant; and one to be designated for the files of the department issuing the order. The order designated for the Vendor, before being transmitted to

the Vendor, shall be submitted to the Town Accountant to be certified by him that there is sufficient unencumbered balance of the appropriation to be charged to liquidate the amount of the order; provided, however, that verbal orders for supplies or materials or services to be rendered may be issued for an amount not to exceed twenty-five dollars. All verbal orders shall be confirmed in writing on the prescribed purchase order forms on the day the orders are given and transmitted immediately to the Town Accountant for certification.

Section 3. The Town accountant shall prescribe the methods of Accounting and forms to be used by the several departments of the Town wherein the collection or disbursement of money is concerned, so that such methods and forms shall conform to the requirements of the State system of accounting.

Mr. Hennessy moved that the following be added after Section 3.

Section 4. The auditor shall examine the books of the Treasurer, Collector and all other boards, officers or committees holding funds or trust funds for the benefit of the Town. He shall in his annual report give a detailed statement of all receipts and expenditures of the Town for the past financial year, giving the amount of each specific appropriation, showing to whom paid, the amount, and the object of the expenditures therefrom, the receipts from each source of income; the change, if any, in the Town debt, and shall include a list of all debts incurred and not paid up to and including December 31 of each year, showing to whom due, for what due, and the amounts.

On being put to a vote it failed to carry and the Moderator declared the motion lost.

A motion was made to adjourn but failed to carry.

Whereupon, it was declared that there was not a quorum present. A standing vote was taken, Messrs. McManus, Donovan and Washburn, acting as tellers, with the result that 147 Town Meeting members were present and the Moderator declared a quorum in attendance.

D. Voted to not amend Section 8 of Article 8.

Voted: (Unanimously) that

E. Section 19 of Article 9 relative to "Public Ways," be amended by striking out the said Section 19 and inserting in place thereof the following:

Except as otherwise provided by statute, by-law, or department regulation, no person shall, in any manner, place or cause to be placed in or upon any public way, public place or body of water within the Town, rubbish, waste material, filth, or discarded substance of any kind.

F. Mr. Hill offered the following substitute motion:

That Article 9 entitled "Public Ways," be amended by adding thereto a new section to read as follows:

Section 22. No person, either by himself or his employees, shall engage in the distribution of handbills, circulars, or other prepared reading matter except newspapers, within the Town of Arlington, or shall go about or send employees about in the streets, alleys, and public places in said Town for the purpose of such distribution, without first having obtained a permit from the Board of Selectmen of said Town. Said permit may contain such conditions as may be deemed expedient and shall be revocable at the pleasure of said Board of Selectmen. Any person having such a permit may send out employees for whom he shall be responsible. No permit granted under the provisions hereof shall be good for a period exceeding

twelve months and every person having such a permit shall be required to leave with the Chief of Police a sample of each handbill, circular or other prepared reading matter before distributing the same. The Chief of Police shall have the right to temporarily suspend the right of persons holding such permit to distribute circulars, handbills, etc., pending a hearing before the Board of Selectmen.

The Board may establish a fee for every permit granted under the provisions hereof, not to exceed $2.00.

It was put to a vote and unanimously carried.

Moved and seconded that the Meeting adjourn.

Whereupon, at 11:40 o'clock P.M. the adjourned Town Meeting adjourned to 8:00 P.M. Wednesday, April 22, 1936.

A True Record, Attest:

EARL A. RYDER,
Town Clerk.

ADJOURNED MEETING

Arlington, April 22, 1936.

Pursuant to vote of adjournment on April 15, 1936, the Town Meeting Members met in the Town Hall on Wednesday, April 22, 1936, notices having been sent by mail by the Town Clerk at least 12 hours before such session and a similar notice was posted in each precinct.

Lists of the duly qualified Town Meeting Members

were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The Check lists filed with the Town Clerk at the close of the meeting showed that 172 members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to the faithful performance of his duties.

The Moderator declaring a quorum present the meeting was called to order at 8:20 P.M.

One Town Meeting Member not already sworn was sworn by the Moderator.

On motion of Selectman Estabrook:

Voted: (Unanimously) That if all the business of the meeting as set forth in the warrant is not disposed of on this date, when the meeting adjourns it adjourn to Friday evening, April 24, 1936, at 8:00 P.M.

Selectman Estabrook asked permission to have the Town Counsel, and the clerk of the Selectmen seated with him and such permission was granted.

Voted: (Unanimously) That

G. Section 5 of Article 10 relative to "Board of Health," be amended by striking out said Section relating to Heat and Plumbing.

Voted: (Unanimously) That

H. Article 10 relative to the Board of Health, be amended, by adding a new section to read as follows:

Section 5. No person residing in the town shall allow any dog belonging to him to run at large in the town unless said dog shall have been vaccinated against rabies at some time during the previous twelve months.

A clinic for the inoculation of dogs against rabies shall be established under the direction of the Board of Health. The Board of Health may establish a fee not exceeding fifty cents ($.50) to cover cost of rabic vaccine and other materials required for each dog inoculated.

Voted: (Unanimously) That

1. Section 2 of Article 12, be amended by striking out paragraph "(h)" and inserting in place thereof the following:

(h) No person, firm, association or corporation shall erect, display or maintain within any residential district any billboard or other outdoor advertising device, except the following if located not more than six inches nearer to any boundary of the lot or premises on which it is located than it would be lawful to maintain a building:

(1) Any lawful sign or signs advertising only the sale or rental of the premises not exceeding a total area of ten square feet;

(2) on the premises of any public building;

(3) any farm, garden, or tree nursery or forest, any lawful accessory signs not exceeding all together fifteen square feet in area within the limits of said premises;

(4) any lawful accessory signs on the front wall of any building occupied by a non-conforming business;

(5) at any boundary line of the town a lawful sign

not exceeding five square feet in area indicating the meetings of any civic organization located therein;

(6) on property owned and principally occupied by a religious, civic or charitable organization, association of war veterans or the like any lawful accessory sign displayed by written permission of the Selectmen and approval of the inspector of buildings for a limited period not exceeding sixty days;

In the foregoing certain words are defined as follows:

"Residential District" shall mean any area zoned as residential.

"Non-conforming business" shall mean a business located in a residential or rural district, other than such rural business as farming or the raising and sale on the same premises of farm, garden or orchard products.

"Lawful Sign" shall mean any outdoor advertising device not prohibited by any provision of law or by any lawful regulation.

"Accessory Sign" shall mean any outdoor advertising device which carries only advertisements strictly incidental and subordinate to a lawful use of the premises on which it is located, including signs indicating business transacted or goods sold or produced on the premises or an occupant thereof, but not including any sign sold or rented to an outside party.

On the substitute motion of Mr. Bixby it was

Voted: (Unanimously) That

J. Section 6 of Article 12 be amended by striking out the said section and inserting in place thereof the following:

BEGGARS, SOLICITORS AND PEDDLERS

Section 6. No person unless otherwise authorized shall go from place to place within the Town selling or bartering or carrying for sale or barter or exposing therefor or taking orders therefor any goods, wares, or merchandise, nor shall any person go from place to place within the Town begging or soliciting alms or contributions for any person, cause, or organization, either on foot or from any animal or vehicle, without having first recorded his name and address with the Chief of Police and furnished such other information as may be requested of him. The Chief of Police shall thereupon, if satisfied with the honesty of the applicant, issue a permit for a period not exceeding twelve months, which must be shown on request, and shall state that said person has duly registered and is entitled to go from place to place within the Town for the purpose specified.

The Chief of Police may, however, authorize the director of any religious organization within the Town to solicit such contributions, etc., without having each solicitor under his direction registered.

Voted: (Unanimously) That

K. Article 12 entitled "Miscellaneous," be amended by adding at the end thereof a new section to read as follows:

Section 8. No official or employee of the Town shall dispose of any material or other personal property belonging to the Town without permission being granted by a vote of the Town, subject to the following exception. Any department, board, or committee of the town may sell or otherwise dispose of scrap material or other discarded personal property belonging to the Town which is within the jurisdiction or control of such department,

board or committee, provided such department, board, or committee in its sound discretion first determines that a just and reasonable value for same does not exceed $50.

There being no further business under Article 37 the Moderator declared it disposed of.

Article 38 taken up.

On motion duly made and seconded it was

Voted: To dispense with the entire reading of this article as presented and to vote separately on the various sections.

Voted: (Unanimously) That

Section 8–11 relative to "Mortars," be amended by striking out the third paragraph and inserting in place thereof the following: Lime and Cement Mortar shall be composed of one (1) part lime putty or dry hydrated lime, one (1) part Portland cement and six (6) parts sand all by volume.

Voted: (Unanimously) That

Section 8–22 relating to "Floor Loads" in the table of the minimum number of pounds of live load per square foot which floors must be of sufficient strength to carry, be amended, by striking out "Residence buildings, including porches 50" and inserting in place thereof "Residence buildings, including porches 40."

Voted: (Unanimously) That

Section 9–3 relative to "Foundations," be amended by striking out the second paragraph beginning "First and Second-Class Buildings" and inserting in place thereof

the following: Depth of Foundations. Every building shall have foundations laid in cement mortar extending at least four (4) feet below the surface of ground exposed to frost and such foundatons shall rest on solid ground or suitably driven piles, and shall be so designed that the loads will be as nearly uniform as possible and not in excess of the safe bearing capacity of the soil.

Voted: (Unanimously) That

Section 9–41 relative to "Masonry Construction" be amended by inserting under the heading "Mortars" after paragraph (c) a new paragraph as follows: (d) Lime and cement mortars may be used for all masonry construction when the stresses allowed for masonry in Section 8–3 are not exceeded, or when the presence of an excessive amount of lime will not endanger the stability of the masonry from frost, water or pressure of any kind.

Voted: (Unanimously) That

Section 9–46 relative to "Faced Wall" be amended by inserting at the end thereof a new paragraph as follows: Stone veneer when used as a facing on frame construction shall be laid with stones of uniform depth with flat beds and tops for at least 75% of the total depth of stone and shall be securely attached to frame structure at intervals of not more than twelve (12) inches vertically and twenty-four (24) inches horizontally by copper, brass or other approved non-corrosive metal of not less than #8 gauge.

Voted: (Unanimously) That

Section 9–7 relative to "Wood Construction" in the third paragraph by striking out the last five words "Mortised, tenoned and pinned together," so that said paragraph will read as follows: All frame buildings and their

projections having a floor area of more than three hundred (300) square feet or over one (1) story in height used as dwellings, storage or manufacturing purposes, shall have all sills, including piazzas, not less than 4 by 6 inches, and, if over 1½ stories in height, girts and posts not less than 4 x 6 inches.

Voted: (Unanimously) That

Section 11–4 relative to "Partitions," be amended by striking out paragraph "(b) Stores in Blocks" and inserting in place thereof the following: (b) Stores. The ceiling of every store shall be finished with metal lath and Portland cement mortar, or the equivalent. In the cellar, or basement, of every store, except where cellar or basement is equipped with a standard system of automatic sprinklers, all partitions shall be of fire resisting material. The height of such cellars shall be at least seven (7) feet in the clear with such entrance from the outside through a bulkhead or door, as the inspector of buildings may consider necessary for protection against fire.

Voted: (Unanimously) That

Section 11–8 relative to "Roof Structures and Roofing" under "Roof Coverings" be amended by inserting after paragraph "(d) Repairs to Shingle Roofs," the following: (e) No new roofing material shall be laid over an existing roofing material except where the roof construction under same is sound and the additional roofing material will not stress the structure beyond that provided in Div. 8 of this code. (f) All shingles on roofs shall be laid so as to give practically three thicknesses of shingles at every point on the roof. The Inspector of Buildings may approve shingles laid in variation of the above method when it can be shown that the shingles are specifically designed by the manufacturers to be laid in a different manner and, that when so laid they will insure weather tightness of roof.

Voted: (Unanimously) That

Section 11–9 relative to "Fire Stopping," be amended, by adding at the end thereof the following: (k) Sprinklers. Automatic sprinklers shall be installed in the cellar or basement of any building utilized in whole or in part as a boarding or lodging house, hospital, nursing home, or for any similar purpose, unless constructed of first class construction. The Inspector of Buildings may require the installation of automatic sprinklers in the cellar or basement of any existing building used as a boarding or lodging house, hospital, nursing home or for any similar purpose, when a serious fire hazard exists therein.

Voted: (Unanimously) That

Division 12 relative to "Heating Appliances and Chimneys" under the heading "Chimneys" be amended, by striking out paragraph "(g)" and inserting in place thereof the following: (g) Height of Chimneys. Every chimney shall be carried to sufficient height to protect adjoining buildings from fire and smoke. All chimneys constructed within eight feet of the ridge of the roof must be built at least two (2) feet higher than the ridge, and all chimneys over eight feet from the ridge must be at least level with the ridge. The Inspector of Buildings may modify the height of chimneys above the roof in specific cases where it is evident that the relative height between ridge and top of chimney does not affect the draft in chimney or in any way increase the fire hazard.

Voted: (Unanimously) That

Division 12 relative to "Heating Appliances and Chimneys" under "Chimneys" be amended, by striking out paragraph "(m)" and inserting in place thereof the following: (m) Kitchen Chimney and Vent for Gas Stoves and Heaters. Every building used for habitation shall have a separate kitchen flue or chimney of masonry lined

with tile, having an outside dimension not less than 8½ inches by 8½ inches, or round tile not less than 8 inches in diameter.

Mr. Hart offered the following substitute motion: That

Section 15–2 relative to Plumbing Permits, be amended, by adding at the end of the first paragraph the following: Permits to perform plumbing shall be issued only to Master Plumbers and Journeymen Plumbers, residents of Arlington, who have registered their names and places of business with the Inspector of Buildings.

The above was amended by striking out the words "Residents of Arlington."

On a rising vote, Messrs. McManus, Donovan and Washburn acting as tellers, 61 voting in the affirmative and 86 in the negative, the Moderator declared the motion lost.

On the motion to amend as recommended by the Finance Committee 73 arose in the affirmative and 80 in the negative and the Moderator declared the motion lost.

Voted: (Unanimously) That

Section 15–3 relative to quality and weights of plumbing material, be amended by adding at the end thereof the following: The Inspector of Plumbing may issue special permits for the use of seamless hard drawn copper tubing assembled with copper fittings for drain, soil, waste and vent pipes. All copper fittings of the sweated sleeve type shall have joints prepared by a thorough cleaning and sweated by capillary action to the full depth of the socket, to make a complete solder sweated contact between pipe and fitting. The following weights and sizes may be used under the special permit:

Pipe Size	Thickness of Wall	Weight per Foot	Depth of Bore For Drainage Fittings
1½″	.060	1.14	15/16
2″	.070	1.75	1-1/16
3″	.090	3.33	1-3/8

In section 15–6 relative to "Water Supply and Distribution," in paragraph "O" relative to "Size of Circulating Pipes," by striking out the schedule of minimum size of circulating pipes for gas water heaters and inserting in place thereof the following:

Gas Water Heaters

Gas Consumed Per Hour	Size of Inside Diameter of Brass or Copper Pipe
Under 10	⅜″
11 to 25	½″
25 to 60	¾″
60 to 100	1″
100 to 200	1¼″
200 to 360	1½″
360 to 500	2″
500 to 650	2½″

Voted: (Unanimously) That

Section 15–9 of the Building Code relative to "Soil, Waste and Vent Pipes," under "Vent Pipes," in the first sentence of the fourth paragraph, be amended, by striking out the words "four feet" and inserting in place thereof the words "five feet" so that said sentence shall read as follows: No trap shall be placed more than five feet, horizontal developed length, from its vent nor have a greater drop than two inches in this length.

Voted: (Unanimously) That

Section 15-12 relative to "Refrigerator, Safe and Special Wastes" under "Refrigerator Wastes" in the third paragraph, be amended by striking out "3½ feet" and inserting in place thereof "4 feet" and inserting after the word "feet" the words "and not less than three (3) feet" so that said paragraph shall read as follows: Refrigerator waste lines shall discharge over an open, trapped and ventilated ordinarily used sink, connected with water supply for flushing and placed not more than 4 ft. and not less than 3 feet above the cellar floor. No ventilation is required for traps of refrigerators if located on the first floor.

Voted: (Unanimously) That

Section 15–13 relative to "Miscellaneous Toilet Accommodations," be amended, by inserting at the end thereof the following: Every building used for habitation and every building where persons are regularly employed shall have a sink and suitable sanitary accommodation.

Voted: (Unanimously) That

Division 18 relative to "Signs and Billboards" in the paragraph "Sky Signs" be amended, by striking out the second sentence which reads as follows: "Sky signs shall be set back at least eight feet from the cornice or wall on a street front, shall not project more than twenty-five (25) feet above the roof, and shall have a space at least six (6) feet in height between the bottom of the sign and the roof," and inserting in place thereof the following: No sky sign shall extend more than fifteen (15) feet above the roof on which it stands nor set nearer than one-half its height to the cornice or wall thereof on a street front.

There being no further business under Article 38 the Moderator declared Article 38 disposed of.

Article 39 taken up. (Printing of the Town's By-Laws.)

Voted: (Unanimously) That the sum of two hundred (200) dollars be and hereby is appropriated for the printing and publishing of the Town's By-Laws, the amendments thereof adopted at this meeting, or any portions thereof; said sum to be raised by general tax and expended under the direction of the Board of Selectmen. There being no further business under Article 39 the Moderator declared it disposed of.

Article 40 taken up. (Lease or Disposal of Certain Land of Town.)

Voted: (Unanimously) That the Town do not authorize the Selectmen to lease or otherwise dispose of the whole or any part of the land belonging to the Town, particularly described in Article 40 of the Warrant.

There being no further business under Article 40 the Moderator declared it disposed of.

Article 41 taken up. (Annual Rental for Arlington Post 1775 V. F. W.)

On the substitute motion of Mr. Lansing it was:

Voted: That the sum of Four hundred dollars (400) be and hereby is appropriated to be expended under direction of the Board of Selectmen, for the purpose of providing suitable headquarters for Arlington Post #1775, Veterans of Foreign Wars of the United States, in accordance with Chapter 40, Section 9, of the General Laws of Massachusetts, said sum to be raised by General Tax.

There being no further business under Article 41 the Moderator declared it disposed of.

Article 42 taken up. (Headquarters for Arlington Chapter, 49 D. A. V.)

Mr. Gaddis offered the following substitute motion which was lost.

That the sum of Four hundred dollars (400.00) be and hereby is appropriated for the purpose of providing suitable permanent quarters for Arlington Chapter, #49 Disabled American Veterans of the World War and that said sum be used by the Board of Selectmen in renovating, altering or making suitable such building or buildings as may be owned by the Town of Arlington or under the control or jurisdiction of the Town of Arlington and that such appropriation be made in accordance with Chapter 245, Section 3 of the General Laws of the Commonwealth of Massachusetts and that said sum be raised by General Tax and as heretofore set forth be expended under the direction and supervision of the Board of Selectmen.

On the recommendation of the Finance Committee it was

Voted: That the Town do not appropriate the sum of four hundred (400) dollars for the purpose of providing headquarters for Arlington Chapter, Disabled American Veterans.

There being no further business under Article 42 the Moderator declared it disposed of.

Article 43 taken up. (Borrowing for Welfare Aid, etc.)

Voted: (Unanimously) That the Town do not, under article 43 of the warrant, authorize the Treasurer to borrow any sum of money for welfare aid, old age assistance or soldiers' relief.

There being no further business under Article 43 the Moderator declared it disposed of.

On motion duly made and seconded it was

Voted: (Unanimously) That Article 3 be taken from the table.

Voted: That the committee appointed by vote of the Town on April 5, 1926, to investigate and consider school accommodations be discharged.

There being no further business under Article 3 the Moderator declared it disposed of.

On motion duly made and seconded it was

Voted: That the Town Meeting adjourn.

The Meeting adjourned at 10:20 P.M.

A True Record, Attest:

ADJOURNED SPECIAL TOWN MEETING

Arlington, Mass., May 13, 1936.

The second Adjourned Special Town Meeting of April 8th was called to order by the Moderator at 8:15 P.M.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that 185 members attended the meeting.

James C. Carr was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

Timothy Creedon was sworn as a Town Meeting Member by the Moderator.

On motion of Selectman Estabrook:

Voted: That unless all the articles of the warrant for this meeting are finally disposed of, when the meeting adjourns, it adjourn to Wednesday evening, May 20, 1936, at 8 P.M.

On motion of Selectman Estabrook:

Voted: That unless all the articles in the warrant for this meeting are finally disposed of before 8:27 P.M., at said time the Adjourned Special Town Meeting be recessed until the business of the Special Meeting called for 8:30 P.M., is completed and that in no event shall the recess of the Adjourned Meeting extend beyond the time at which said special meeting so adjourns.

On motion of Committee Chairman Chamberlain:

Voted: That Article 6 now be taken from the table.

Selectman Estabrook stated that he expected ere this to be able to report some progress in the matter of action by the legislature.

He stated a hearing was held before the Committee on Metropolitan Affairs and that the Joint Board had met with the Middlesex County Commissioners but no decision had been reached in connection with the reconstruction of the bridge.

He further stated that a hearing was to be held before the Ways and Means Committee and hoped that some decision would be reached as to the amount of money necessary to be appropriated by the Town of Arlington, if any. That in view of all this uncertainty he recommended that Article 6 be disposed of at this time. It was, therefore,

Voted: That no appropriation be made under Article 6.

On motion of Committee Chairman Chamberlain:

Voted: That Article 1 be taken up.

There being no business to come up under Article 1 of the Special Meeting the Moderator declared it disposed of.

On motion of Selectman Estabrook:

Voted: That the Special Town Meeting originally called for April 8, 1936, adjourn.

The meeting adjourned at 8:27 o'clock P.M.

A True Record, Attest:

EARL A. RYDER,
Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Wednesday, the 13th day of May, 1936, at 8:30 o'clock P.M., at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to the referenda provided for by, Section 10 of Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will acquire by purchase, eminent domain or otherwise, for the enlargement of its Town Yard or for any other municipal purpose or purposes, all or any portion or portions of the parcel of land with the buildings thereon now numbered 1083 on Massachusetts Avenue, hereinafter described; will make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating to said land and buildings.

Said parcel is bounded and described substantially as follows:

Beginning at the southerly corner of said parcel on the northeasterly side of Massachusetts Avenue, thence running north 40 degrees, 30 feet east on land formerly of Cyrus B. Harrington and on land formerly of Walter Fletcher three hundred forty-one and 14/100 (341.14) feet to the center of Mill Brook or the Raceway; thence running northwesterly by the center of said brook one hundred three (103) feet, more or less, to land formerly of Theodore Schwamb; thence running southwesterly by said land formerly of Theodore Schwamb two hundred four

(204) feet, more or less, to a canal; thence running southeasterly by said canal two (2) feet ten (10) inches; thence running southwesterly crossing said canal and by land now or formerly of Rebecca M. Fessenden et al thirty-four (34) feet, more or less; thence running southeasterly by land formerly of John Lloyd one hundred and 38/100 (100.38) feet; thence running southwesterly by said land formerly of Lloyd eighty and 55/100 (80.55) feet to Massachusetts Avenue; thence running southeasterly by said Avenue fifty-one and 84/100 (51.84) feet to the point of beginning; containing 33,000 square feet more or less, and being shown upon a plan marked "Plan of Land in Arlington, Mass., owned by Henry Siskind, October 15, 1918, S. L. Leftovith, Surveyor", recorded with Middlesex So. Dist. Deeds Plan Book 269, Plan 18, subject to any rights of drainage, flowage or otherwise.

Article 3. To see if the Town will make any alterations and repairs of a building or buildings now numbered 1083 on Massachusetts Avenue, to be used in connection with the enlargement of its Town Yard, or for any other municipal purpose or purposes; make an appropriation or appropriations therefor; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 4. To see if the Town will amend or alter the following section of Article 15 of the Town's By-Laws known as the Building Code in the manner hereinafter set forth, or will take any action relating to the amendment or alteration of said section.

Section 15–2 relative to Plumbing Permits, by adding at the end of the first paragraph, the following: Permits to perform plumbing shall be issued only to Master Plumbers who have registered their names and places of business with the Inspector of Buildings.

(Inserted at the request of more than one hundred (100) registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this sixth day of May, in the year of our Lord one thousand nine hundred and thirty-six.

HAROLD M. ESTABROOK
GEORGE H. LOWE, JR.

Selectmen of the Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., May 8, 1936.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting

precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) WARREN LINDBERG,
Constable, Town of Arlington, Mass.

SPECIAL MEETING

Arlington, Mass., May 13, 1936.

Pursuant to the Warrant of the Selectmen, served according to law upon the inhabitants of the Town of Arlington, by a constable of the said Town, and notices having been sent by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Wednesday at 8:30 o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that 185 members attended the meeting.

James C. Carr was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator called the meeting to order at 8:30 P.M., declaring a quorum present.

The Moderator called upon Town Meeting Members not already sworn to stand but there were none.

The Clerk read the call and the Constable's Return of the warrant.

On motion of Selectman Estabrook:

Voted: To dispense with the reading of the remainder of the Warrant.

On motion of Selectman Estabrook:

Voted: That unless all the articles of the warrant for this meeting are finally disposed of and so declared by the Moderator on this date, when the meeting adjourns, it adjourn to Wednesday evening, May 20, 1936, at 8:30 o'clock.

On motion of Selectman Estabrook:

Voted: That Article 1 be taken up.

On motion of Committee Chairman Chamberlain:

Voted: That the report of the Finance Committee as presented in printed form be received.

On motion of Committee Chairman Chamberlain:

Voted: That Article 1 be laid on the table.

On motion of Committee Chairman Chamberlain:

Voted: That the remaining Articles in the Warrant be now taken up separately and in the order in which they appear in said warrant, and that the recommendations of the Finance Committee under said articles as printed in

their printed report be considered as now before the meeting to be voted upon without further motion, separately and in the order in which they appear in said Warrant.

Article 2 taken up. (Land with Buildings for Enlargement of Town Yard.)

On motion of Committee Chairman Chamberlain:

Voted: That the reading of the description be dispensed with.

After lengthy discussion of this Town Yard Project, which had previously been voted upon three times, on motion of Mr. Cutler it was

Voted: That all further speakers be limited to three minutes and no more.

After further discussion the Moderator called for a vote and, being in doubt, asked for a standing vote. Messrs. Washburn, Donovan and McManus acted as tellers. The result was 133 voted in the affirmative and forty-nine in the negative. The Moderator declared the motion carried by more than the two-thirds vote. Mr. Donovan then asked for a roll call. Twenty Town Meeting Members standing in favor thereof a roll call was taken by the Clerk.

Voted: (134 in the affirmative and 48 in the negative, more than the necessary two-thirds)

That the Board of Selectmen be and hereby is authorized and empowered, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for the enlargement of its Town Yard to be used with the present Town Yard under the control of the Board of Public Works in connection with the duties

and powers of said Board, the parcel of land with the buildings thereon now numbered 1083 on Massachusetts Avenue, bounded southwesterly by Massachusetts Avenue, southeasterly by land formerly of Harrington and land formerly of Fletcher, northeasterly by the center of Mill Brook or the Raceway, northwesterly by land formerly of Theodore Schwamb and by land formerly of Rebecca M. Fessenden, southwesterly and northwesterly by land formerly of John Lloyd, as more particularly described in Article 2 of the Warrant; that for the purpose of such purchase, taking or acquisition the sum of eight thousand nine hundred (8,900) dollars be and hereby is appropriated; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 2 the Moderator declared it disposed of.

Article 3 taken up. (Alterations and Repairs, Building; Town Yard.)

Voted: That the sum of eight thousand five hundred (8,500) dollars be and hereby is appropriated for alterations and repairs of a building or buildings now numbered 1083 Massachusetts Avenue, to be used in connection with the enlargement of the Town Yard, or for any other municipal purpose or purposes, provided that at the time of such alterations and repairs said buildings shall have been acquired by the Town in accordance with the vote passed under Article 2 of the warrant for this meeting; said sum to be raised by general tax and so expended under the direction of the Board of Public Works.

There being no further business under Article 3 the Moderator declared it disposed of.

Article 4 taken up. (Amending of Town's By-Laws; "Building Code.")

After much discussion it was

Voted: That section 15-2 of Article 15 of the Town's By-Laws, known as the Building Code, be and hereby is amended by adding at the end of the first paragraph, the following:

Permits to perform plumbing shall be issued only to Master Plumbers who have registered their names and places of business with the Inspector of Buildings.

There being no further business under Article 4 the Moderator declared it disposed of.

On motion of Committee Chairman Chamberlain:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared it disposed of.

On motion of Committee Chairman Chamberlain:

Voted: That the meeting adjourn.

The Moderator declared the meeting adjourned at 10:10 P.M.

A True Record, Attest:

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Monday, the nineteenth day of October, 1936, at 8-00 o'clock, P.M., to act on the following Articles, viz.:

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will appropriate the sum of eight thousand forty-six and 60/100 (8,046.60) dollars or any other sum or sums for the purpose of making the payment required to be made by the Town under the provisions of chapter 377 of the Acts of 1936 entitled "An Act Providing for the reconstruction of a Bridge and its Approaches over the Mystic River in the City of Medford

and the Town of Arlington," other than the proportionate part of the cost payable on account of the Town's membership in the metropolitan parks district (said bridge being at Medford Street); will determine in what manner the money shall be raised and expended (by borrowing or otherwise); or will take any other action in any way relating to anything mentioned hereinbefore or in said chapter 377.

Article 3. To see if the Town will vote to appropriate a sum or sums of money to meet expenditures for public welfare, old age assistance and state and military aid; provide for these appropriations by borrowing under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933 as amended by Chapter 300 of the Acts of 1935 and Chapter 281 of the Acts of 1936, or otherwise, or take any action relative thereto.

Article 4. To see if the Town will make an additional appropriation for the removal of Ashes, Offal and Rubbish; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 5. To see if the Town will make an appropriation for the extension of Water Mains in Pleasant View Road and Brunswick Road; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 6. To see if the Town will make an appropriation or appropriations for the Extension of Water Mains and/or for the Extension of the Sewerage System in all or any portion or portions of the parcel of land within the town, fifteen (15) feet in width, with the center line of which is described substantially as follows:

Beginning at a point on the southerly side line of Appleton Street, said point being about 270 feet south-

westerly of the intersection of the said southerly side line of Appleton Street with the easterly property line of land of Margaret Henderson et al, thence southeasterly through land of said Margaret Henderson et al, about 180 feet to an angle point; thence southwesterly through land of said Margaret Henderson et al, about 360 feet to an angle point; thence southerly through land of said Margaret Henderson et al, about 330 feet to an angle point; thence southwesterly through land of said Margaret Henderson et al, about 680 feet to an angle point; thence southerly through land of said Margaret Henderson et al, about 40 feet to an angle point; thence southeasterly through land of said Margaret Henderson et al and land of the Arlmont Country Club, about 170 feet to the northerly side line of Concord Turnpike; thence southerly across said Concord Turnpike about 80 feet to an angle point; thence northwesterly on said Concord Turnpike about 530 feet to an angle point; thence southwesterly on said Concord Turnpike and land of Arlmont Housing Corporation about 60 feet to Standish Road; thence southeasterly through said Standish Road, about 820 feet to proposed sewerage pumping plant; all as shown upon a plan on file in the office of the Town Engineer;

or in any other land of the said Margaret Henderson et al, the said Arlmont Country Club, or the said Arlmont Housing Corporation or in any other land on or adjacent to the said Concord Turnpike or the said Appleton Street; will authorize the acquisition, by purchase, eminent domain or otherwise of land, easements and/or rights for or relating to any or all such extensions; will make an appropriation for such acquisition; or will take any action in any way relating to anything hereinbefore mentioned.

Article 7. To see if the Town will transfer the sum of two hundred seventy (270) dollars from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund; will appropriate

the sum of seventy-five (75) dollars to be expended from said Sale of Lots and Graves Fund or otherwise, for the acquisition of an unused lot or rights therein, in said cemetery, or take any action relating thereto.

(Inserted at the request of the Cemetery Commissioners)

Article 8. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in a Business District the area now included in a Single Residence District, bounded and described as follows: To Wit—

A certain parcel of land shown as Lots No. 1 and 2 on a Plan of Land in Arlington, Mass., dated September 14, 1936, Fred A. Joyce, Surveyor. Said lots, taken together, are more particularly bounded and described as follows:

State Highway, Thirty-five and 53/100(35.53) Feet, more or less.

Containing according to said plan Fifty-seven Thousand and Three Hundred Six (57,306) Sq. Ft. of land, more or less.

(Inserted at the request of more than one hundred (100) registered voters)

Article 9. To see if the Town will acquire for park purposes or for any other purpose or purposes, Elizabeth Island so-called, situated in Spy Pond, in said Arlington, and containing about one and three-quarters acres; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action in any way relating to the said island or any portion thereof.

(Inserted at the request of more than one hundred (100) registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this fifth day of October, in the year of our Lord one thousand nine hundred and thirty-six.

ERNEST W. DAVIS
HAROLD M. ESTABROOK
GEORGE H. LOWE, JR.

Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Oct. 10, 1936.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) WILLIAM F. DUGGAN,
Constable, Town of Arlington, Mass.

SPECIAL TOWN MEETING

Arlington, Mass., Oct. 19, 1936.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a Constable of the said Town, and notices sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Monday, October 19, 1936, at eight o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrance of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and sixty-one members attended the meeting.

James C. Carr, stenographer, was sworn by the Town Clerk to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator called the meeting to order at 8:20 P.M.

The Moderator asked if there were any Town Meeting Members who had not already been sworn to stand, apparently all had been sworn.

There being no objections, the Board of Selectmen, clerk of the Board, Chairman of the Board of Public Works, and the Town Counsel, were permitted to sit within the voting enclosure.

The Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by the unanimous consent of the meeting.

On motion of Chairman Davis:

Voted: (Unanimously) That if all the business of the meeting as set forth in the Warrant is not disposed of on this date the meeting adjourn to Monday, October 26, 1936, at 8 o'clock P.M.

On motion of Chairman Davis:

Voted: That Article 1 be taken up.

Article 1 taken up. (Reports of Committees)

On motion of Mr. Chamberlain:

Voted: That the report of the Finance Committee as presented in its printed form be now received.

On motion of Mr. Chamberlain:

Voted: That Article 1 be laid on the table.

On motion of Mr. Chamberlain:

Voted: That the remaining articles in the Warrant be now taken up separately and in the order in which they appear in said Warrant and that the recommendations of the Finance Committee under said articles as presented in their printed report, be considered as now before the meeting to be voted upon without further motion, separately and in the order in which they appear in said report.

Article 2 taken up. (Reconstruction of Bridge over Mystic River in Medford and Arlington)

Voted: (Unanimously) That the sum of eight thousand forty-six and 60/100 (8,046.60) dollars be and hereby is appropriated for the purpose of making the payment required to be made by the Town under the provisions of chapter 377 of the Acts of 1936 enitled "An Act Providing for the reconstruction of a Bridge and its Approaches over the Mystic River in the City of Medford and the Town of Arlington," other than the proportionate part of the cost payable on account of the Town's membership in the Metropolitan parks district (said bridge being at Medford St.); that said sum be taken from available funds now in the Treasury and expended under the direction of the Board of Selectmen.

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

Article 3 taken up. (Additional Appropriations: Public Welfare, Old Age Assistance, State and Military Aid.)

Voted: (Unanimously) That the following amounts be appropriated to meet expenditures for public welfare, old age assistance and state and military aid:

a) Public Welfare, aid	$30,000.00
b) Old Age Assistance	8,000.00
c) State and Military Aid	1,000.00

and that to meet said appropriations the treasurer, with the approval of the selectmen, be and hereby is authorized to borrow the sum of thirty-nine thousand dollars, and to issue a note or notes of the Town therefor, all in accordance with the provision of Chapter 49 of the Acts of 1933, as amended by Chapter 300 of the Acts of 1935 and Chapter 281 of the Acts of 1936; and that all said amounts be expended under the direction of the Board of Selectmen.

There being no further business under Article 3 the Moderator declared Article 3 disposed of.

On motion of Mr. Bixby:

Voted: (Unanimously) That Article 1 be taken from the table.

Mr. Bixby presented the following report of Progress.

REPORT OF THE COMMITTEE ON PLAYGROUNDS TO THE SPECIAL TOWN MEETING ON OCTOBER 19, 1936

The Committee of ten members appointed by the Moderator to consider playgrounds in the town expects to

submit a complete report with definite recommendations at the next annual town meeting.

Our committee has held six meetings as a whole committee and its members as sub-committees have investigated the need of playgrounds in all sections of the town. We have been making a study of the situation on the basis of the recommendations of the National Recreation Association which states that no child should walk over a half mile to a playground.

We find a great need of playgrounds in various sections.

The impending improvement in building conditions warrants the belief that much of our vacant land will be soon unavailable and we feel that there is the urgent necessity to purchase suitable sites while the price is still reasonable. We shall report on this matter in more detail in March.

We also believe that in some manner there should be a more unified control of playground and recreational activities in the town.

The Committee makes this report as one of progress and is considering the situation not only as to the present but as to the future development of our community.

Respectfully submitted,

WARREN N. BIXBY, Chairman
WILLIAM H. KEEFE, Secretary
HARRIE H. DADMUN
MATTHEW J. FLAHERTY
HAROLD L. FROST
ARCHIE F. BULLOCK
FRANKLIN P. HAWKES
GEORGE H. LOWE, JR.

NILS G. ANDERSON

On motion duly made and seconded it was

Voted: That the report be accepted and placed on file.

On motion duly made and seconded it was

Voted: That Article 1 be laid on the table.

Article 4 taken up. (Additional Appropriation for Removal of Ashes, Offal and Rubbish)

Voted: (Unanimously) That the additional sum of five thousand (5,000) dollars be and hereby is appropriated for the removal of ashes, offal and rubbish; that for this purpose the sum of four thousand two hundred (4,200) dollars be taken from the unexpended balance of the appropriation made for the construction of ways by vote passed March 27, 1935, under article twenty (20) of the warrant for the annual meeting of 1935 and the sum of eight hundred (800) dollars be taken from the unexpended balance of the appropriation made for the construction of ways by vote passed April 15, 1936, under article twenty-two (22) of the warrant for the annual meeting of this year; and that said appropriation hereby made be expended under the direction of the Board of Public Works.

There being no further business under Article 4 the Moderator declared Article 4 disposed of.

Article 5 taken up. (Extension of Water Mains in Pleasant View Road and Brunswick Road)

Voted: (Unanimously) That the sum of three thousand two hundred (3,200) dollars be and hereby is appropriated for the extension of water mains in Pleasant View Road and Brunswick Road; that for this purpose the sum of three thousand two hundred (3,200) dollars be taken

from the unexpended balance of the appropriation made for the construction of ways by vote passed April 15, 1936, under article twenty-two (22) of the warrant for the annual meeting of this year; and that said appropriation hereby made be expended under the direction of the Board of Public Works.

There being no further business under Article 5 the Moderator declared Article 5 disposed of.

Article 6 taken up. (Extension of Water Mains and Sewerage System; Land Situate Concord—Appleton Street.

The following substitute motion of Chairman Davis being put before the meeting was lost by a standing vote, 56 voting in the affirmative and 92 in the negative, Messrs. Felix Cutler, Richard Donovan, and Roderick Peters acting as tellers.

That the sum of five thousand nine hundred thirty-eight and 95/100 (5,938.95) dollars be and hereby is appropriated for the extension of the sewerage system, including land damages, in the parcel of land fifteen (15) feet in width, the center line of which is described substantially in article 6 of the warrant and that the further sum of fourteen thousand sixty-one and 05/100 (14,061.05) dollars be and hereby is appropriated for the extension of water mains, including land damages, in the said parcel of land; that the Board of Public Works be and hereby is authorized and empowered on behalf of the Town to purchase or take by eminent domain or otherwise acquire the rights or easements in said parcel to construct, lay, alter, renew, repair and forever maintain and operate a sewer or sewers therein and to construct, lay, alter, renew, repair and forever maintain and operate water works therein, and in connection with such sewers and/or water works (a) to construct, alter, renew, repair and forever

maintain and use pipes, drains, manholes, pumps, fixtures, attachments and appurtenances, (b) to remove such rocks, stones and soil as may be necessary or proper, (c) to replace materials therein and thereon, and (d) to do any and all other acts and things necessary, convenient or things proper in carrying out or in connection with the foregoing; and that said sums be taken from unappropriated free cash now in the treasury and expended under the direction of the Board of Public Works.

The recommendation of the Finance Committee being put before the meeting it was

Voted: That under article six (6) of the warrant, the Town do not make any appropriation for the extension of water mains or for the extension of the sewerage system; do not authorize the acquisition of any land, easements or rights relating to any such extension; and do not make any appropriation for such acquisition.

There being no further business under Article 6 the Moderator declared Article 6 disposed of.

Article 7 taken up. (Transfer of Cemetery Funds)

Voted: (Unanimously) That the sum of two hundred seventy (270) dollars be transferred from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund to the (Mt. Pleasant Cemetery) Perpetual Care Fund; and that the sum of seventy-five (75) dollars be and hereby is appropriated for the acquisition of lot No. 664 on Mystic Avenue or rights therein in said cemetery, said sum to be taken from said Sale of Lots and Graves Fund; and that the Board of Cemetery Commissioners be and hereby is authorized to do whatever may be necessary or proper to effectuate such transfer and acquisition.

There being no further business under Article 7 the Moderator declared Article 7 disposed of.

Article 8 taken up. (Zoning)

The Planning Board presented the following report:

Arlington, Mass., Oct. 19, 1936.

To the Town Meeting, Arlington, Massachusetts.

In connection with the proposed modification or amendment of the Town's "Zoning By-Law" so-called, relating to premises situated on the Cambridge-Concord Highway and Park Ave. in Arlington, as more particularly set forth in Article No. 8 of the Warrant for the meeting of October 19, 1936, the Planning Board reports as follows:

The said Board received a petition for the said proposed modification or amendment on September 28, 1936.

The said Board held a public hearing upon the matter of such proposed amendment at the Hearing Room in the Robbins Memorial Town Hall on October 8, 1936, public notice of which hearing was first given by publication in the Arlington *Advocate* of October 1, 1936, a copy of which is attached hereto.

The area in question is almost entirely surrounded by a residential development and there is no indication but that the future growth will be of the same character. Investigation indicates that the service requirements of the neighborhood are being satisfactorily met at the present time and inasmuch as the owner of this property was the only one appearing in favor of this change while there was strong opposition from the residents of this

locality, the Planning Board feels, that no justification for the change has been shown at this time.

The Planning Board recommends that no change be made.

Respectfully submitted,

HAROLD C. KNIGHT, Chairman
HERBERT M. DUTCHER
CHARLES M. MacMILLIN
SEROVP P. BASMAJIAN
WALTER F. ROBINSON

On motion duly made and seconded:

Voted: (Unanimously) That the report be accepted and placed on file.

It was moved and seconded that Article 8 be laid on the table.

On a rising vote, 42 voting in the affirmative and 80 in the negative, Messrs. Felix Cutler, Richard Donovan, and Roderick Peters acting as tellers, the Moderator declared the motion lost.

There being no further business under Article 8 the Moderator declared Article 8 disposed of.

Article 9 taken up (Acquisition of Island, Situated in Spy Pond)

A substitute motion was offered by Mrs. Reed which being put before the meeting was lost.

The recommendation of the Finance Committee being put before the meeting it was

Voted: That the Town do not now acquire for park purposes or for any other purpose or purposes, all or any portion of Elizabeth Island so-called, situated in Spy Pond, in said Arlington, and containing about one and three-quarters acres.

There being no further business under Article 9 the Moderator declared Article 9 disposed of.

On motion of Committee Chairman Chamberlain

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

All business in the Warrant calling this meeting having been disposed of the Moderator declared the meeting adjourned at 10:10 P.M.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington, to meet in the Town Hall in said Town on Monday, November 30, 1936, at 8:00 o'clock P.M., to act on the following Articles, viz.:

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will make an appropriation or appropriations for the Extension of Water Mains and/or for the Extension of the Sewerage System in all or any portion or portions of the parcel of land within the town, fifteen (15) feet in width, the center line of which is described substantially as follows:

Beginning at a point on the southerly side line of

Appleton Street, said point being about 270 feet southwesterly of the intersection of the said southerly side line of Appleton Street with the easterly property line of land of Margaret Henderson et al, thence southeasterly through land of said Margaret Henderson et al, about 180 feet to an angle point; thence southwesterly through land of said Margaret Henderson et al, about 360 feet to an angle point; thence southerly through land of said Margaret Henderson et al, about 330 feet to an angle point; thence southwesterly through land of said Margaret Henderson et al, about 680 feet to an angle point; thence southerly through land of said Margaret Henderson et al, about 40 feet to an angle point; thence southeasterly through land of said Margaret Henderson et al and land of the Arlmont Country Club, about 170 feet to the northerly side line of Concord Turnpike; thence southerly across said Concord Turnpike about 80 feet to an angle point; thence northwesterly on said Concord Turnpike about 530 feet to an angle point; thence southwesterly on said Concord Turnpike and land of Arlmont Housing Corporation about 60 feet to Standish Road; thence southeasterly through said Standish Road, about 820 feet to proposed sewerage pumping plant; all as shown upon a plan on file in the office of the Town Engineer;

or in any other land of the said Margaret Henderson, et al, the said Arlmont Country Club, or the said Arlmont Housing Corporation or in any other land on or adjacent to the said Concord Turnpike or the said Appleton Street; will authorize the acquisition, by purchase, eminent domain or otherwise of land, easements and/or rights for or relating to any or all such extensions; will make an appropriation for such acquisition; or will take any action in any way relating to anything hereinbefore mentioned.

(Inserted at the request of more than one hundred (100) registered voters)

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified

by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this eighteenth day of November, in the year of our Lord one thousand nine hundred and thirty-six.

ERNEST W. DAVIS
HAROLD M. ESTABROOK
GEORGE H. LOWE, JR.
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Nov. 23, 1936.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and object of the meeting was published in the local papers.

(Signed) RALPH T. ATWOOD,
Constable, Town of Arlington, Mass.

Arlington, Mass., Nov. 30, 1936.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a constable of the said Town and notices sent by mail by the Town Clerk seven days before the day of the meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Robbins Memorial Town Hall in said Town on Monday, November 30, 1936, at 8 o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting places and were in charge of Philip T. Robinson and James E. Sweeney.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and fifty members attended the meeting.

The Moderator called the Meeting to order at 8:15 o'clock P.M. declaring a quorum present.

The Moderator asked Town Meeting Members not already sworn to stand but there were none to be sworn.

The Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the warrant being waived by the unanimous consent of the meeting.

On motion of Chairman Davis:

Voted: That Article 1 be taken up (Reports of Committees)

On motion of Committee Chairman Chamberlain:

Voted: That the report of the Finance Committee as presented in its printed form be now received.

On motion of Committee Chairman Chamberlain:

Voted: That Article 1 be laid on the table.

On motion of Chairman Davis:

Voted: That Article 2 be taken up. (Extension of Water Mains and Sewerage System; Land from Appleton Street to Concord Turnpike)

Mr. Chamberlain offered the following recommendation of the Finance Committee, which was duly seconded:

That under article two (2) of the warrant, the Town do not make any appropriation for the extension of Water Mains or for the extension of the sewerage system; do not authorize the acquisition of any land, easements or rights relating to any such extension; and do not make any appropriation for such acquisition.

Thereupon Mr. Roger W. Homer offered the following substitute motion, which was duly seconded.

That the sum of $11,138.95 be and hereby is appropriated for the extension of the sewerage system, including land damages, in the parcel of land fifteen feet in width, the center line of which is described substantially in Article II of the Warrant, and that the further sum of $7,060.45 be and hereby is appropriated for the extension of water mains, including land damages, in the said parcel of land; that the Board of Public Works be and hereby is authorized and empowered on behalf of the Town to purchase or take by eminent domain or otherwise the rights or easements in said parcel, to construct, lay, alter, renew, repair and forever maintain and operate a sewer or sewers therein

and to construct, lay, alter, renew, repair and forever maintain and operate water works therein and in connection with such sewers and/or water works.

(a) to construct, alter, renew, repair and forever maintain and use sewerage pumping plants, force mains, pipes, drains, manholes, pumps, fixtures, attachments and appurtenances,

(b) to remove such rocks, stones and soil as may be necessary or proper,

(c) to replace materials therein and thereon, and

(d) to do any and all other acts and things necessary, convenient or proper in carrying out or in connection with the foregoing; and that for this purpose the sum of nine thousand eight hundred and twelve dollars and thirty-four cents ($9,812.34) be taken from the unexpended balances of the following appropriations made, to wit:

For the purpose of constructing a building to be used for elementary school purposes, upon land of the Town situated on Eastern Avenue, passed January 14, 1931, under Article thirteen (13)	54.73
For the purpose of paying claims or charges of Symmes Arlington Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1936, to persons falling into distress and standing in need of immediate relief, passed March 18, 1936, under Article thirty-four (34)	2,758.05

and the balance, amounting to Eight Thousand Three Hundred and Eighty-seven Dollars and six cents (8,387.06) to be taken from unappropriated free cash now in the Treasury, and the total, amounting to Eighteen Thousand One Hundred and Ninety-nine Dollars and Forty Cents (18,199.40) to be expended under the direction of the Board of Public Works.

On a standing vote, Messrs. Cutler, Donovan and Washburn acting as tellers, 86 voting in the affirmative and 64 in the negative, the Moderator declared the substitute motion before the meeting.

The subject was discussed at length, whereupon the Moderator called for a vote of the meeting on the question of adopting the substitute motion in place of the recommendation of the Finance Committee, and there being doubt in his mind as to the result, he called for a standing vote, naming Messrs. Cutler, Donovan and Washburn as tellers, who reported 94 in the affirmative and 49 in the negative. The Moderator declared the motion carried.

There being no further business under Article 2 the Moderator declared Article 2 disposed of.

Mr. Donovan asked the Moderator to record him as protesting the vote, claiming instead of a majority vote it should be a two-thirds vote.

On motion of Committee Chairman Chamberlain:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the Moderator declared Article 1 disposed of.

All the business calling this meeting having been disposed of, on motion of Chairman Davis:

Voted: (Unanimously) That the meeting adjourn.

The Meeting adjourned at 10:20 P.M.

A True Record, Attest:

EARL A. RYDER,
Town Clerk.

RECOUNT

Arlington, Mass., Dec. 2, 1936.

In accordance with an Order received from the Secretary of State a Recount of the votes cast for the office of Lieutenant Governor was held on December 2, 1936, in the Robbins Memorial Town Hall, Arlington, Mass.

The meeting was called to order by Timothy J. Buckley, Chairman of the Board of Registrars, at seven o'clock in the evening.

The persons appointed to assist the Registrars in the Recount were sworn to the faithful performance of their duties by the Town Clerk.

The candidates for the above mentioned office had been duly notified by the Town Clerk by registered mail.

Fourteen tables were used in the Recount.

The candidates were not present. Messrs. Kelly and Saltonstall were represented by agents.

The Order was presented by Chairman Buckley.

The persons assisting the Registrars were as follows:

Philip T. Robinson	Harry W. Marden
William E. Robinson	George H. Peirce
Leonard Collins	Harold A. Gleason
Maurice A. Cameron	Jack J. Donaldson
Frank E. Kenney	Russell T. Hamlet
Theresea M. Cutter	John W. Willwerth

REPORT OF THE TOWN CLERK'S DEPARTMENT

Arlington, Mass., Jan. 12, 1937.

Honorable Board of Selectmen.

Arlington, Mass.

Gentlemen:

In accordance with section 3 of Article 3 of the Town By-Laws, I beg to submit my report of this Department for the year 1936.

RECEIPTS:

During the year we have taken in the sum of $6,673.52, as per reports of births, marriages, deaths, etc., attached, and the Town's fees amounted to $2,478.62, as follows:

$304.60	Dog licenses.
136.50	Fishing and Hunting licenses.
939.82	Recording mortgages.
745.38	Marriage licenses.
211.50	Various licenses.
130.82	Various certificates.

We have approved vouchers for $89.25 to pay doctors for reporting births, and for $78.00 to pay undertakers for reporting deaths.

BALLOT BOXES:

I call your attention to my recommendation of December 14th last relative to a supply of improved cases, with proper facilities for sealing in accordance with law,

for the safe keeping of ballots after they have been used at elections. I hope an appropriation will be forthcoming to purchase these cases so that we may strictly comply with the law, and avoid further criticism about them.

Voting Lists:

I beg to call your attention to the fact that the work of preparing and keeping the Voting List in order has reached such proportions that it seriously interferes with the proper handling of our regular daily work which is governed by law and requires accurate and prompt attention.

With only two clerks in this office (and they are most capable and willing) whose time is fully occupied with the Department's routine work, it is beyond us to take care of the voting list without disrupting our regular duties. We now have 20,561 registered voters. Since March 9th, when I was installed as Town Clerk, some 3,800 persons have registered as voters, and the recording of the information required by law relative to each one, together with the filing of their cards, is a huge task in itself. Fortunately we have had at our disposal several W.P.A. workers to assist us, but as we see it we cannot count on them in the future. Of course, we realize that our annual meeting was unusually extended, that we had several special meetings, and that we had State and Presidential elections with their numerous nominations papers to be checked, but nevertheless "the world do move", and we must meet the needs of our growing town. I urge you, therefore, to bear this in mind and arrange your budget so that, if we are to continue to do the work we may call upon you to furnish at least one clerk for six months, or for one year if found necessary. We desire to keep expenses at the lowest point, and have every wish to do our part and more, but we cannot exceed what is humanly possible, and we should not neglect our departmental duties.

W.P.A. Assistance:

We appreciate the assistance furnished us through W.P.A. At present we are using W.P.A. workers to place on cards the names of births, marriages and deaths recorded and indexed between 1844 and 1902; there are over 15,000 names to be transferred, and when the cards are completed it will simplify finding names during these years. Due to Old Age Assistance and the Social Security, we are called upon almost daily to search the records for these old names.

Board of Registrars:

In order that it may be on record, permit me to state that by law the Town Clerk becomes Clerk and member of the Board of Registrars, but that I did not participate in the amount of $600.00 which was appropriated for the Board, as was customary in preceding years.

Appreciation:

Following in the footsteps of Miss Caroline E. Pierce, who had capably and faithfully served as a clerk for 18 years, from 1905 to 1923, and as Town Clerk for 13 years, from 1923 to 1936, it is a pleasure to acknowledge that my assistants and all departments (and not the least your genial and competent Secretary) have been most kindly and helpful to me during this, my first year as Town Clerk, and I am very grateful.

Respectfully submitted,

EARL A. RYDER

Reports of Town Meetings, Cemetery Commissioners, Registrars of Voters, all of which are included in the work of this Department, will be found under those headings.

TAX TITLES

Tax Titles are lots sold or taken by the Town each Fall on which the taxes for the previous year have not been paid. They are not taxes, neither are they titles, but simply liens on the properties. The Collector makes out a deed for each lien, has it recorded at the Registry of Deeds and hands the deeds to the Treasurer. Taxes of subsequent years with interest are added to each tax title without further sale.

After two years the Treasurer must foreclose and take the property for the Town if the back taxes and costs are still unpaid. A partial payment, however, may be made consisting of at least one-quarter of the tax for which the property was sold, plus all costs and interest to date of payment, and this extends the time of redemption one year but no more.

Under a recent law the Town may sell Tax Titles. The purchaser secures an interest in the property superior to every other interest, subject only to the right of redemption.

The holder of a tax title has no right to collect rents or do anything to the property, until it is foreclosed.

The partial payment plan cannot be adopted in the event the Tax Title is held by others than the municipality.

The foreclosures of our Tax Titles, after the time limit has expired, are kept closely up to date.

Our tax titles increased rapidly from $2,257.86 in 1929, to $156,790.93 December 31, 1935. The amount is charged against surplus. Our tax titles December 31, 1936, amounted to $153,489.44, representing about 400 parcels. We have borrowed against Tax Titles three times, once $100,000 in 1935, then $50,000, and this year $39,000. These amounts being paid back from the money received as Tax Titles were redeemed, are credited to surplus.

We reduced our loan on Tax Titles to $9,683.77 by December 31st.

We have foreclosed on about two hundred lots, mostly lots of small value, $50 to $300 or $400.

These are now Tax Possessions and three or four have been disposed of to builders. However, one block of four small stores was taken, value $8,050, one tract of land which was assessed for $17,650, and one house valued at $1,750.

Our funded debt has been reduced from over $2,000,000 to less than $1,000,000 during the past few years, and with a marked improvement in tax collections our fiscal condition is quite sound.

CHARLES A. HARDY,
Town Treasurer.

REPORT OF FINANCE COMMITTEE

The Finance Committee of 1935–36 held thirteen meetings from January 3, to April 3, and reported to the Special Town Meeting of January 29, the Annual and Special of March 18, and the Special Meeting of April 8, 1936.

The Finance Committee of 1936–37 was organized May 7, 1936.

REPORT OF THE BOARD OF SELECTMEN

At the annual Town Election held March 2, 1936, George H. Lowe, Jr., was reelected a member of the Board of Selectmen for a term of three years. The Board organized with Ernest W. Davis as Chairman, and James J. Golden, Jr., as Secretary.

The regular meetings of the Board are held on Monday evening of each week. The Heads of Departments are interviewed; hearings on petition are given as required by law, and individuals and committees are given an opportunity to be heard by appointment. Frequently additional meetings were held in order to make disposition of matters that had arisen.

Despite our fond hopes, the year 1936 saw a continuance of the depression and our unemployment situation parallel with that of the preceding year. However, due to the cooperation of the Works Progress Administration program and the employment so given, our case load has been lowered and the total expenditures show a substantial decrease over the preceding year for the first time since 1929.

A close liaison has been maintained between Clifford W. Cook, Public Welfare Agent, and Neil S. Peters, Works Progress Administration Administrator. This cooperation has enabled these two important Departments that directly contact so many of our citizens to operate in a manner with a keen regard for the individual, yet cognizant of the burden to our Town as a whole.

The Board therefore publicly commends Mr. Cook and Mr. Peters for the administration of their respective Departments.

Reports in complete form of the Departments responsible to the Board of Selectmen will be found in this edition as reported by the Heads of Departments.

POLICE DEPARTMENT

The past year has been marked by no unusual developments. The physical equipment has been maintained to a high degree of efficiency. A shooting gallery for the training of men in the Department has been modernized under a Works Progress Administration project. Likewise plans have been approved for an addition to the present garage to be constructed as a Federal project during the ensuing year.

On October 4, 1936, Officer F. Joseph Cahalin was retired from active duty upon attaining the age limit as prescribed by Chapter 439 of the Acts of 1936. A resolution commending Officer Cahalin for the faithful performance of his duties was adopted by the Board and presented to him.

On December 6, 1936, Reserve Officer John A. Ryan, ranking No. 1 on the Civil Service List, was appointed a regular officer to fill the vacancy caused by the retirement of Officer Cahalin.

The citizens are assured that their Police Department has functioned in a very desirable manner. The splendid morale, efficiency and deportment of the Chief and men are recognized by the Board. Law and order have been maintained.

FIRE DEPARTMENT

The well established constructive work of this Department continued during the year. The men of the Department voluntarily on their day off duty maintained

the inspection of all buildings in the Town. The cooperation of the citizens during these inspections has been extremely beneficial. Chief Tierney and the men of the Department are commended for their efficiency and they should indeed be proud of the record made as reflected by the very low fire loss of approximately $15,000.

The Department has again cooperated with the State Board of Education in maintaining a training school for firemen. The instructors for these classes are from our own Department with local and adjoining Departments sending their men for training. The Board is unanimous in its belief that these classes are of inestimable value.

GENERAL MATTERS

The Nineteenth of April (Patriots' Day) was observed in the customary manner. The Local Committee cooperated with the General Committee of Boston in arranging the program. The various local patriotic and military groups participated. Revere and Dawes, together with their escorts, visited the Town Hall and were officially greeted.

On May 18, 1936, at a joint meeting with the Board of Assessors, Mr. David A. Wilcox was elected Assessor to fill the vacancy caused by the resignation of Earl A. Ryder.

In order to conform to the provisions of new regulations adopted by the State of Massachusetts, the Board of Selectmen was instructed to establish a local Bureau of Old Age Assistance to be comprised of three citizens. Accordingly the Board appointed Harold M. Estabrook, Mrs. Semira E. Perry and George H. Lowe, Jr. The meetings of this Bureau are held twice a month and all matters pertaining to Old Age Assistance are discussed and decisions rendered.

During the year Robbins Memorial Town Hall has had some minor changes. The office of the Board of Selectmen has been moved to the rear of the building to the space formerly used as the private office of the Town Clerk. The room was newly furnished and is a decided improvement. It was also found necessary to replace the floor in the auditorium and stage. Superintendent Carmody and his assistant have been very conscientious in their supervision and care of the building.

The Robbins House continues to be occupied on the lower floor by the Welfare Department. During the year a Medical Clinic has been maintained and operated under the supervision of this Department and Dr. Edward W. Feeley, Town Physician. Medical care has been rendered through the Clinic and, where practical, medicines have been dispensed through the Clinic rather than by prescription with a consequent saving of expense. In mid-summer a Dental Clinic was opened for the benefit of recipients of Public Welfare and has proven most satisfactory and likewise has shown a substantial saving in expense. The second floor gives desirable space to coordinated activities under the Works Progress Administration program. Likewise the administration staff of the Works Progress Administration occupies a portion of Menotomy Hall. A large sewing unit is maintained in the auditorium. Veteran organizations, the Welfare Council, The National Reemployment Service and the Girl and Boy Scouts also make their headquarters in this building.

The Town has made appropriations for the administration, personnel and the purchase of materials under the Works Progress Administration. The Board has endeavored to cooperate with all other Town Departments in selecting work projects. It has conscientiously studied the ratio between the Town's material appropriation and the labor furnished by the Federal Government. This course of action has resulted in the completion of major

projects that will be of a permanent value to the Town and also reflects a consequent reduction in the budgets of various Town Departments.

The Board commends the Heads of Departments and their employees for their cooperation during the year. The Executive Secretary, James J. Golden, Jr., has courteously represented the Board and has been diligent and efficient in his duties. To him and the clerks in the Selectmen's office, the Board expresses its appreciation for the performance of their duties during the year.

REPORT OF BOARD OF PUBLIC WELFARE

January 1, 1937.

Honorable Board of Selectmen,

Town Hall, Arlington, Mass.

Gentlemen:

I herewith submit my report for the Welfare and Soldiers' Relief Departments and Bureau of Old Age Assistance for the year ending December 31, 1936.

In the administration of relief to our citizens in distress, the Board of Public Welfare has been not only duly mindful of its obligations to those in need of relief, but also has been in complete realization of its stewardship and incumbent duties to the taxpayers. Adequate relief has been granted following a thorough investigation of each case, and every known means has been utilized in order to provide adequate relief in accordance with accepted budgetary standards, and at the same time to protect the Town against fraudulent abuse of Welfare privileges. The visits of our Social Workers and Visitors have been supplemented in every case by Police investigations.

We believe there is an encouraging note in the fact that our total case load for the year, 785 families, aided by all charities, is less than in the preceding year, and also that the expenditures for relief show a substantial decrease over the preceding year for the first time since 1929. This has been due principally to the complete cooperation and proper functioning of our local Federal Works Administration, and to some extent as a result of a return to em-

ployment in private industry. Two hundred and eighty-five of the above mentioned families received relief through this department supplementary to their Federal Works Administration employment.

In order to more adequately provide for the medical and dental needs of those on relief rolls, a medical and dental clinic was established in May of this year in the Robbins House. Equipment owned by the Town was utilized without incurring any additional expense to the Department.

The Medical Clinic has been operated directly under the supervision of this department and Dr. Edward W. Feeley, Town Physician. Twelve hundred and thirty-two patients were rendered medical care in the Clinic from May 10th through the balance of the year. In all cases where practical, medicines have been dispensed through the Clinic, rather than by prescription, with a resultant saving of expense.

Four hundred and thirty-three persons received dental care at the Clinic from June 11, 1936, to December 31st.

Under the new Old Age Assistance Law, which became operative September 1, 1936, the age limit was reduced from 70 to 65 years, and all citizens over 65 years of age, who were in need of relief under the Law, were eligible for this assistance. Also, under the provisions of this Act, the relief policies were liberalized in many respects. The law was obviously designed to better conditions of deserving citizens in need of relief, sixty-five years of age or over. Reimbursement to the Town under the Federal Social Security Act, effective September 1, 1936, was on a basis of one half of the amount expended in each case, not in excess of $30 monthly with a State reimbursement of two-thirds of the balance.

In accordance with State requirements, a Bureau of Old Age Assistance was organized consisting of Mr. Harold M. Estabrook and Mr. George H. Lowe, Jr., two members of the Board of Public Welfare, and Mrs. Semira E. Perry.

Our Old Age Assistance case load increased from 125 cases on August 31, 1936, to 213 cases on December 31, 1936, with a corresponding increase in gross expenditures.

Able bodied men, whose families have been aided by this Department have been obliged to work for aid received at a $3 per diem rate. The Park Department has benefited to the extent of 2,605 man days' work as a result of this procedure.

Ninety-four young men between the ages of 17 and 28 were enrolled through this Department for assignment to the Civilian Conservation Corps. Families benefited to the extent of $25 monthly in each case.

Welfare Aid was granted to 478 families, and participated in by 1,777 persons; 320 cases were Arlington settled; 107 cases were unsettled and State responsibilities; 51 cases were settled in other cities and towns in the Commonwealth.

Mothers' Aid was rendered to 21 mothers with dependent children. There were 9 cases with Arlington settlement; 9 cases with settlement elsewhere; 3 State cases.

Soldiers' Relief was granted to 96 Veterans and their families.

State and Military Aid was allowed to 16 disabled Veterans or their widows and families.

Total Expenditures for Welfare Aid		$125,511.02*

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

Arlington, Mass.

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Arlington for the year ending December 31, 1936.

The inspection of cattle and other farm animals is a small part of the duties of my office. The following table shows the work of that division:

Number of premises inspected where cattle were kept	8
Number of cattle inspected on these premises	11
Number of goats recorded	2
Number of calls on cattle and other farm animals	9

As usual the major portion of the inspection work is centered around the activities of our dogs.

Our Dog Clinic for free rabies vaccination, held in April, did not, for some reason, receive as hearty co-operation from dog owners as we had hoped it would, and it is possible that even now we may feel the results of the neglect to vaccinate, especially in that part of the Town nearest to Somerville and Cambridge.

We had fifteen cases of rabies in 1935, and it was fair to assume that owners of dogs would be anxious to take advantage of another free vaccination.

During the early part of 1936 we had only one case of rabies, but, about October 25, 1936, an unknown dog from Cambridge came into Arlington, and after biting several dogs and two or three children, was shot by the Police Department, and the Laboratory report showed a positive case of rabies. Since that time four positive cases of rabies have developed in that section of the Town, and we confidently expect more to develop later on, as the result of a dog fight, participated in by several un-vaccinated dogs, among them a violent case of rabies.

The following table shows the work in connection with our dog bites and rabies cases:

Number of dogs quarantined for biting people	139
Number of dogs quarantined for contact with rabid dog	9
Number of dogs' heads sent to Laboratory from Arlington	7
Number of dogs' heads proved positive for rabies	6
Number of dogs' heads proved negative for rabies	1
Total number of rabies cases in Arlington, 1936	6
Total number of calls on dogs	309
Total number of calls on all animals	318

I strongly advise a continuation of the Rabies Clinics and quarantine of all unvaccinated dogs.

I wish to thank the Board of Health and the Police Department for their hearty co-operation.

Respectfully submitted,

CHESTER L. BLAKELY, M.D.V.,

Inspector of Animals.

BOARD OF APPEAL

January 1, 1937.

To the Honorable Board of Selectmen

Arlington, Massachusetts.

Gentlemen:

The Board of Appeal respectfully submits the eighth Annual Report.

During the year ending December 31, 1936, six (6) appeals from the decision of the Inspector of Buildings have been made to the Board. The Board affirmed the decision of the Inspector of Buildings not to grant a permit in two (2) cases, and annulled his decision in four (4) cases, and ordered a permit to be granted subject to such conditions and provisions as were required by the Board.

Respectfully submitted,

FREDERIC F. LOW,
ALTON F. TUPPER,
THOMAS J. DONNELLY,

Board of Appeal.

668 Plumbing permits	1,070.25
741 Gas permits	370.50
1,744	$2,502.75

The foregoing compilation of permits issued for the year 1936 indicates the increase of building activity that we have had.

Permits for the construction of single family dwellings have increased more than 100% over the preceding year and, due to the opening of several new developments, we look forward to seeing this figure exceeded in the coming year.

No serious violations have occurred that have made it necessary to resort to Court procedure.

To the Board of Selectmen and Town officials with whom we are in contact I wish to extend my thanks for their consideration and cooperation during the performance of my duties this past year.

Respectfully submitted,

PAUL H. MOSSMAN,

Inspector of Buildings.

FIRE AND POLICE SIGNAL SYSTEM

Arlington, Mass., January 1, 1937

Honorable Board of Selectmen

Arlington, Massachusetts.

Gentlemen:

I have the honor to present my sixth report as Superintendent of the Fire and Police Signal System for the year ending December 31, 1936.

This System was transferred to the Chief of the Fire Department on May 1, 1930. It was formerly in charge of Superintendent William E. Mason. On July 1, 1933 it was separated from the Fire Department and placed in charge of Lester W. Cameron. On September 25, 1934 it was made a Division of the Fire Department.

The salaries of the two men assigned to maintain the Fire and Police Signal System are included in the payroll of the Fire Department.

FIRE ALARM

January 23rd. Seven workers supplied by P.W.A. began trimming all trees through which aerial wires of fire and police signal circuits run.

Aerial lines on Park Avenue Extension from Lowell Street to Summer Street and from Park Avenue to Westmoreland Avenue were reconstructed.

New construction on Appleton Street from Wachusett Avenue to Concord Turnpike was installed to relocate Police Box 414 from Appleton Street—Ashland Street to Appleton Street—Concord Turnpike.

June 4th. P.W.A. Project completed.

There were two open circuits on the fire alarm system, one caused by lightning and the other by trouble in the underground cable in Pedestal 533, Massachusetts Avenue —Prentiss Road.

Park Circle Station was rewired to conform with alterations to the building and additional house alarm system was installed. Completed November 25th.

November 26th. Lightning struck the Town Clock and caused damage to the cable feed to lights on dials. Cable replaced by R. W. LeBaron, Inc.

December 18th. The men of this Division performed all work for Christmas decoration at Town Hall, the tree on Monument Park, Highland and Park Circle Stations. Lights were turned on December 18th and on January 2, 1937 wires and lamps were removed.

An unknown automobile collided with pedestal of Box 353, Mystic Street—Summer Street, breaking outer casting of Box.

May 1st. A supervisor panel was installed on Master Box 8212 at Locke School. An open sprinkler head will now operate the Box automatically.

June 1st. All auxiliary boxes in Boston Elevated Car Barn connecting with Box 57 were disconnected.

October 20th. A ground occurred on light switch in Headquarters on fire alarm Circuit No. 2.

One pole and five wires were removed from streets and twenty-eight transfers of wires to new poles were made during the year.

Responded to thirty-six radio calls while away from Headquarters.

SPECIAL CALLS

Seventeen persons locked out, admitted to their homes.

Eleven cats taken from trees.

POLICE SIGNAL SYSTEM

March 10th. Police telephone in Selectmen's office was relocated to conform with new arrangement of desks.

April 2nd. Water freezing in conduit of underground cable at Massachusetts Avenue—Tufts Street caused an open circuit in Police Recall Circuit No. 1.

September 20th. An Edison wire fell on our signal wires on Eastern Avenue burning them off.

I recommend an appropriation of $3,260.00 for the year 1937. This amount includes $1,220.00—cost of installing police boxes at Park Avenue—Concord Turnpike, Warren Peirce Playground, Pond Lane—Pond Lane Terrace, and Robin Hood Road—Lake Shore Drive—request of Chief Bullock.

1936 appropriation	$1,585.00
Expended	1,577.29
Balance	$7.71

I am deeply grateful to the men assigned to this Division for the faithful performance of regular duties and the willingness to forego "time-off" of their own accord whenever the occasion requires.

DANIEL B. TIERNEY

Superintendent, Fire and Police Signal System.

REPORT OF THE FIRE DEPARTMENT

Arlington, Mass., January 1, 1937

Honorable Board of Selectmen

Arlington, Massachusetts

Gentlemen:

I have the honor to present my fourteenth annual report as Chief of the Arlington Fire Department for the year ending December 31, 1936.

MANUAL FORCE

The manual force consists of fifty men, including the Chief, two Deputy Chiefs, five Captains, one Inspector-fireman assigned to the Fire and Police Signal System, six Lieutenants, thirty-five Privates, one of whom is assigned to the Fire and Police Signal System; also a Department Surgeon, Dr. Winslow M. Kingman and a Department Clerk, Anna B. Hurley.

GENERAL MATTERS

Two ladder trucks, four pumping units and a Special Service Unit are in active service.

A Knox Combination purchased in 1913 is in reserve. A 1,000-gallon capacity monitor nozzle is mounted on the deck for use at large fires.

A Knox Combination, 1911, is in use as a supply truck.

The Department responded to 145 Box Alarms, 241 Still (telephone calls), 90 Mutual Aid Calls (out of town), a total of 476; 32 less than in 1935.

Eleven False Alarms were sounded as compared with 16 in 1935, 14 in 1934 and 21 in 1933.

REPORT OF DR. KINGMAN

Dr. Kingman responded to 91 alarms and made 104 calls divided as follows:

Office visits, 61; station visits, 17; hospital visits, 7; firemen treated at fires, 4; victims treated at fires, 2; Special Service calls, 13, consisting of: carbon monoxide victims, 7; illuminating gas, 2, and all others, 4.

FIRE LOSSES

The total assessed value of property endangered, the insurance thereon, the loss sustained and the insurance paid is as follows:

	Assessed Value	Insurance	Damage	Ins. Paid
Buildings	$627,800.00	$666,200.00	$12,344.32	$12,094.32
Contents	43,685.00	38,800.00	3,416.35	2,866.35
Total	$671,485.00	$705,000.00	$15,760.67	$14,960.67

This loss represents approximately 2/10 of 1% of the assessed value of the property involved and of the insurance placed thereon.

The loss this year is the lowest for sixteen years, in fact, only five times in twenty-five years has it been lower:

1920	1919	1918	1916	1915
$11,893.85	$8,674.21	$12,400.71	$10,291.00	$10,565.75

FIRES THAT CAUSED LOSS OF MORE THAN $1,000

February 14th, Louise Woodside, 18–20 Hopkins Road	$2,641.46
February 20th, Wilbur F. Lewis, 40–42 Margaret Street	1,761.00
March 6th, Ernest White, 25–27 Melrose Street	1,430.00
July 17th, George Crowe, 24–26 Silk Street	1,423.50
December 22nd, Dominick Gallucci, 9 Webster Street	1,125.95

LOSSES BY FIRE FOR FIVE YEARS

1936	1935	1934	1933	1932
$15,760.67	$38,190.60	$67,531.05	$37,141.01	$60,206.96

APPROPRIATION

Appropriation	$122,699.50
By transfer from Reserve	355.39
	$123,054.89
Expended	122,986.02
Balance	$68.87

CREDITS

Fees for 59 permits for alcohol	$28.50
Fees for 72 permits to blast	36.00
Fees for 11 permits for sale of fireworks	5.50
Sale of junk	33.00
	$103.00

FIRE PREVENTION

The Department made 17,387 twice-a-month inspec-

tions of all business places and public buildings throughout the Town, in which only 4 fires occurred, one was of incendiary origin.

Record of previous years: 7 fires occurred in 1935, 4 in 1934, 3 in 1933, 6 in 1932, 3 in 1931 and 3 in 1930.

Only through regular, systematic inspections together with owners and occupants who are willing and anxious to work with us in observing Fire Prevention Rules could such records be accomplished.

DWELLINGS

The firemen for the thirteenth consecutive year donated their "days-off" for the annual inspection of the cellars of all dwellings.

The cellars of 7,098 dwellings were thoroughly inspected and a record of existing conditions found in each dwelling is on file at Headquarters.

Of all the fires in dwellings only 9 occurred in cellars (one probably incendiary) compared with 11 in 1935, 9 in 1934, 11 in 1933, 7 in 1932, 11 in 1931 and 9 in 1930.

These records are ample assurance that the voluntary inspection of cellars has value and does in reality, "put them out before they start."

The following is some data compiled as a result of this inspection:

1936		1935
7,098	Total houses	6,990
4,041	Single houses	3,935
2,910	Two-apartment houses	2,908
147	Of more than two apartments	147

42	Houses under construction	12
136	Vacant apartments	184
406	Combustible roofs	417
5,634	Oil burners	4,754
10,471	Total number of families	10,361

NUMBER OF HOUSES EACH YEAR

1936, 7,098; 1935, 6,990; 1934, 6,942; 1933, 6,893; 1932, 6,849; 1931, 6,739; 1930, 6,494; 1929, 6,247; 1928, 5,924; 1927, 5,561; 1926, 5,170; 1925, 4,640; 1924, 3,918 (first inspection.)

INSPECTIONS

1936		1935
17,387	Mercantile	17,490
7,098	Dwellings	6,990
410	Power oil burners	342
470	Range oil burners	507
25,365	Total inspections	25,329

FIRE DRILLS IN SCHOOLS

Fire drills were given in all public and private schools, a record was taken of the number of classrooms, pupils, exits used, and the time required to vacate each building. These records show that the pupils have been thoroughly trained and should an emergency arise they would leave the buildings speedily and safely.

Three hundred and eighty-seven fire extinguishers were recharged in schools and other public buildings, garages and factories.

PARK CIRCLE STATION

By taking advantage of the opportunity afforded by

the Works Progress Administration the Park Circle Station was enlarged to double its former size at comparatively small cost to the Town.

The addition was made in the rear of the original building increasing the apparatus floor space and providing a Common Room on the basement floor.

A portion of the cellar was made over for a kitchen which was formerly in the attic, the boiler room for a shower room and a new oil burning heater installed in the room where coal was stored.

The bathroom on the first floor was discontinued and that space converted to a watchroom, the dormitory was partitioned to provide an officer's room and the entire interior of the building was renovated.

The sheathing used in the Common Room and kitchen was made from the lumber obtained from the old Almshouse on Summer Street which had been razed earlier in the year. This lumber was sawed to proper length and width by the firemen and sent out to be planed.

The apparatus door was widened and an overhead door installed.

The exterior of the building was greatly improved by the addition of a terrace, retaining wall, cupola, hand-carved Town Seal over apparatus door, flagstone ramp for apparatus and walk to entrance door, curbing set in place and a concrete sidewalk laid.

Entrance to the sewer was made through private property to Prospect Avenue.

After an almost daily observation of every detail of this work I can truthfully state that every mechanic em-

ployed on this job performed his duty intelligently and efficiently and gave full measure of service every hour.

The entire project was ably supervised with the result that the addition shows far better workmanship than the original building.

THE GARDEN

The unsightly area in the rear of this building has been transformed into what promises to be a beauty spot when the season arrives for planting and seeding.

We are indebted to Miss Esther M. Wyman, Landscape Architect, of 129 Lake Street, Arlington, who drew the plans and supervised the work.

The work was done by Welfare labor.

REPLACEMENT OF LADDER 2

I recommend that an eighty-five foot aerial ladder truck be purchased to replace Ladder 2, which has been in service since December 1, 1915. It is an obsolete type and the only one of its kind in use in this section of the country. It was not standard built, cost being the determining factor in its purchase.

The braking facilities are wholly inadequate making it unsafe for the men responding with it and a menace on the highways under the present traffic conditions.

The longest ladder in the Department at present is fifty-four feet, portable, which requires five men to raise, while one man can speedily raise an aerial to any height, as it is mechanically operated. It also serves as a water tower by means of hose always in position and a nozzle

attached to the tip of the ladder, the direction of the stream controlled from the base of the ladder.

To insure rescue facilities for the residents in case of fire it is imperative that Ladder 2 be replaced because it cannot be depended upon when the call comes, the frequency with which it is out of service, the delay in restoring it to duty occasioned by inability to obtain parts and the unsafe operating conditions.

A modern ladder truck can reasonably be expected to serve efficiently for a period of twenty to twenty-five years.

I recommend that $125,291.25 be appropriated to operate the Department for the ensuing year and that $18,750.00 be appropriated to purchase an eighty-five foot aerial ladder truck.

In conclusion, I extend heartiest thanks to the Honorable Board of Selectmen for its keen interest in this Department and for valuable assistance in maintaining the high standard of fire service; to the Board of Public Works for its splendid cooperation; to Town Engineer, James M. Keane, for many favors throughout the year and to the Police Department which always works hand-in-hand with our Department. I am deeply grateful to my own officers and men who through their unfailing loyalty and devotion to duty deserve all credit for the lowest fire loss in a period of sixteen years.

DANIEL B. TIERNEY
Chief, Fire Department.

REPORT OF THE GYPSY AND BROWN TAIL MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as superintendent of the Gypsy and Brown Tail Moth Department for the year ending December 31, 1936.

The regular winter work which is required by law, that is, of inspecting each and every tree in the town, both public and private, for Gypsy and Brown Tail Moths was attended to. The egg clusters of the Gypsy Moths were treated with creosote and the webs of the Brown Tail Moths were cut off and burned. I found that conditions here were very favorable compared with other communities.

There was a large infestation of the Tent Caterpillar in some of the woodlands and outlying districts, namely, Hutchinson Road, Forest Street and upper Summer Street.

Through the cooperation of the Garden Club, the Boy Scouts, as well as the Girl Scouts, became interested in the elimination of this caterpillar and by their work more than forty thousand (40,000) egg clusters were cut off and burned, for which a prize was offered to the person bringing in the most clusters.

There were also nine men working on a W.P.A. project to eradicate this pest and also the Gypsy and Brown Tail Moth, but due to lack of funds the work had to cease after a period of about five weeks.

There was a large infestation of the Elm Leaf Beetle this year especially on the English Elms on Academy Street and Pleasant Street. Some of our large stately Elms on Mystic Street were also affected by the beetle.

The Canker Worm, although it did damage to some of our trees this year, was not as destructive as it was during the previous year, but there was quite a bit of defoliation caused by the Satin Moth on our poplar trees.

All of these different insects were attended to at the proper time, and all our shade trees were sprayed during the season. Whenever property owners requested it, their estates were sprayed, thereby making a remittance to the town.

The Fall Webworm which we have had considerable trouble with in recent years was this year practically extinct, although there was a slight infestation on Webcowet Road and vicinity.

Due to the publicity given by the press, and private bulletins in regard to the Dutch Elm Disease which has invaded some of our neighboring states, I have been very observant of any signs of the disease on our trees, but as yet I have failed to detect any.

In conclusion I wish to take this opportunity to thank the Board of Selectmen and their Secretary for their courtesy and cooperation during the past year.

Respectfully yours,

GEORGE M. DOLAN,

Superintendent.

The following is a resume of Automobile Accidents in the Town of Arlington for the year 1936:

Automobile Accidents reported	454
Automobile Accidents Investigated	308
Operators Interviewed at the Station	422
Injured Persons Interviewed	132
Witnesses on Accidents Interviewed	165

Due to the numerous house breaks, automobile thefts, suicides, automobile accidents and the investigation of welfare cases, men from the Inspector's Office have worked a total of 1,324 hours at night for the past year investigating same.

RADIO

Since the radio equipment was installed at Police Headquarters in 1931, many police departments in greater Boston have followed in the footsteps of Arlington and have now installed similar equipment in their own police departments. There are, at present, five departments in the Metropolitan area operating their equipment on the same frequency (175 meters) as Arlington. Quite frequently two or more of these stations will broadcast a message simultaneously; when this happens it is of course very difficult for the patrol car operators to properly distinguish messages sent to them, and in some cases a message is lost entirely. When this happens the officer in charge at Headquarters has no way of knowing that his message was not received and assumes that the particular officers to whom the message was sent are on the way to the scene of the trouble. It can be readily seen that if the message sent and not received was of an urgent nature it may mean the loss of a life because of the failure of the police to arrive at the scene of the trouble promptly.

The only way to overcome this difficulty is to install so called two-way radio equipment in the patrol cars, similar to that which has been installed in the Boston Department. With this equipment the patrol car operators can talk to the officer in charge at Headquarters direct from the patrol car whether it is moving or not, and they will be required to acknowledge immediately all messages sent to them. If they do not answer immediately the message will be repeated until it is acknowledged.

I am therefore requesting an appropriation of $1,550 to install this equipment for the coming year. In 1933, 1934 and 1935 the Department received $300.00 a year each from Lexington, Woburn and Winchester for furnishing radio service to the patrol cars of each of these municipalities. In 1936 this service was extended to Stoneham and Wakefield at the same rate. It is expected that Reading and possibly Belmont will be contracted for this service at the same rate the first of April.

If these two towns do finally contract for the service, Arlington will receive a total of $2,100.00 per year from these seven municipalities which is $25.00 less than the actual yearly cost of the radio to Arlington. This cost consists of the yearly salary of the radio technician ($1,825.00) and the yearly maintenance allowance of $300.00.

During the past year the radio equipment has proven of invaluable aid in a great many cases.

TRAFFIC

During this past year there were seven persons killed by automobiles within the Town, six of these persons were pedestrians. Although our records show an increase of five fatalities over the previous year we had a total number of automobile accidents of 454 as against 533 in 1935 and there were 291 persons injured in 1936 as against 421 in 1935.

During 1936 the Massachusetts Safety Council together with the Massachusetts Police Chiefs Association conducted a State-wide safety contest throughout the year. All of the cities and towns throughout the State were divided into six different divisions according to population. Prizes are to be awarded to the city or town in each division which shows the greatest improvement for

1936 over the past three years average. Arlington won first place in its division, showing an improvement of 33 per cent and will be presented with a shield shortly.

During July it was decided to temporarily make Broadway a one-way street westerly from Franklin Street to Massachusetts Avenue and detour all east bound traffic into Broadway from Massachusetts Avenue down Massachusetts Avenue turning left into Franklin Street to Broadway. This was done to see if it would relieve congestion at the junction of Broadway and Massachusetts Avenue. We have had no accidents at this dangerous point since this change was made and as the change has worked out very satisfactorily I recommend that it be made permanent.

During the year isolated stop signs have been placed at all dangerous intersections where it had been found numerous accidents were occurring.

I wish to thank your Honorable Board for the whole hearted support you have given the department during the year, and all other departments of the Town Government who have cooperated in every way possible, as well as those citizens who have assisted the department during the year. With your continued support and cooperation the Police shall continue to function efficiently and endeavor to retain the high standing as a law abiding community and a desirable place in which to live, that Arlington now enjoys.

Respectfully submitted,

A. F. BULLOCK,
Chief of Police.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Arlington, Mass., Dec. 31, 1936

To the Honorable Board of Selectmen:

Gentlemen:

I herewith respectfully submit my annual report of the services of this department for the year ending December 31, 1936.

The above weights and measures were inspected, sealed, or condemned in my office or at the several places of business and statutory fees amounting to $164.29 were received and paid to the Town Treasurer.

During the year the usual inspection and reweighings of package goods, and orders ready for delivery were made. A check was also made on devices that had been sealed to insure accuracy.

The Town Treasurer has received $325.00 through my department for Hawkers and Peddlers licenses.

It was necessary to prosecute 3 cases in Court. All for peddling without a license as required by law. Each defendant was found guilty. One case placed on file, one case paid $10.00 fine, and the third paid a $50.00 fine. The Town received 50% of the amount of these fines.

Reweighing of Coal has also been followed up very closely and in some cases restitution was made satisfactory to those concerned.

During 1936 we have proved the value of the SEALERS 50 GALLON TEST TANK. Over 9,000 gallons of oil was

pumped through the meter on the Test Tank and more than 2,000 gallons of No. 2 or heavier oils was pumped through the by-pass, making approximately 12,000 gallons of oil being pumped through the Tank in order to test Bulk and Tank Truck Meters.

Respectfully submitted,

ALLAN E. COWIE

Sealer of Weights and Measures.

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works herewith submits its annual report for the year ending December 31, 1936.

At the Town Meeting held on March 2, 1936, James R. Smith was elected member of the Board for the term of three years. The Board organized on March 3 with the choice of Loren W. Marsh as chairman.

HIGHWAY DIVISION

In the Maintenance Department of the Highway Division, fourteen thousand, eight hundred fifty-five and 96/100 ($14,855.96) Dollars were spent for the Cleaning of Streets; and Nine thousand, eight hundred fifteen and 00/100 ($9,815.00) Dollars for the Maintenance and Repair of Public Ways, exclusive of Massachusetts Avenue. An expenditure of One hundred eighty and 90/100 ($180.90) Dollars was made for the Maintenance of Massachusetts Avenue.

For the Care and Repair of the Storm Drain System the sum of Eleven thousand, six hundred thirty-four and 26/100 ($11,634.26) Dollars was expended. A section of an old drain in Spring Street was relaid at a cost of Six hundred thirty-four and 40/100 ($634.40) Dollars to date. This project is now in progress.

Five thousand, five hundred ten and 60/100 ($5,510.60) Dollars were expended for the Maintenance of Sidewalks. The Permanent or Granolithic Sidewalks were maintained at a cost of Four thousand, seven hundred ninety-two and 68/100 ($4,792.68) Dollars.

The sum of Four thousand, four hundred sixty-eight and 21/100 ($4,468.21) Dollars was expended for a tar and sand protective treatment on the Tar and Gravel and Macadam Streets that were showing signs of wear.

RECONSTRUCTION OF STREETS

This year no appropriation was made by the Town for the Reconstruction of Streets. There was, however, available from the 1934 and 1935 Street Reconstruction appropriations the sum of Five thousand, three hundred seventy-one and 71/100 ($5,371.71) Dollars.

After having considered various streets throughout the Town, the Board decided tentatively to reconstruct Appleton Street, from Rhinecliff Street to Wachusett Avenue, with a penetrated macadam pavement. The cost of reconstructing this portion of Appleton Street was estimated at Eight thousand, seven hundred fifty and 00/100 ($8,750.00) Dollars. Since this amount was in excess of the sum of Five thousand, three hundred seventy-one and 71/100 ($5,371.71) Dollars which the Town had available for this purpose, this Board in conjunction with the Board of Selectmen petitioned the Commissioners of the State Department of Public Works and the County Commissioners for Highway Reconstruction assistance as provided by Chapter 90 of the General Laws. In accordance with the Town's petition, the State and County agreed to assume five-sevenths (5/7) of the cost of the roadway construction on Appleton Street, the State assuming three-sevenths (3/7), the County two-sevenths

(2/7) and the Town the balance. By this arrangement the Board was enabled to complete the reconstruction of Appleton Street, from Rhinecliff Street to Wachusett Avenue, as originally planned.

The total cost of reconstruction was Ten thousand, eight hundred ninety-seven and 14/100 ($10,897.14) Dollars of which amount, Six thousand, two hundred fifty and 00/100 ($6,250.00) Dollars was assumed by the State and County. This expenditure for the Reconstruction of Appleton Street includes not only the cost of roadway construction but also the installation of storm drains, the relaying of water services where necessary, the installation of sewer and water connections to vacant lots and other necessary underground work.

NEW STREET CONSTRUCTION

This year the following streets were accepted by the Town to be constructed under the direction of the Board of Public Works:

Argyle Road, from Dundee Road to Aberdeen Road.

Dundee Road, from Massachusetts Avenue to the southerly side of Arnold Street.

Edmund Road, from Forest Street, northerly.

Glen Avenue, from Mystic Street, easterly.

Hibbert Street, from Town Line to Lot No. 109.

Lockeland Avenue, from Gloucester Street to Gray Street.

Ottawa Road, from Highland Avenue to Menotomy Rocks Park.

Peter Tufts Road, from Edmund Road to Overlook Road.

Washington Street, from Ronald Road to Overlook Road.

Prior to the start of construction on the above streets,

the Board of Selectmen filed with the Works Progress Administration the projects covering all of the labor necessary for construction. These projects were approved and to date the labor used in the construction of streets has been furnished through the Works Progress Administration, the Town furnishing all materials and equipment.

For cost of material, equipment, etc., see Detail of 1936 Street Construction under "Table 1, Highway".

The following streets have not as yet been completed—Argyle Road, Dundee Road, and Hibbert Street. Construction is, however, in progress and the streets will be completed as soon as weather permits.

RECONSTRUCTION OF BOW STREET

In 1936 the Board of Public Works completed the Reconstruction of Bow Street under the provisions of Chapter 464 of the Acts of 1935 which the General Court had passed as an emergency "Act providing a public works program for the purpose of alleviating existing conditions resulting from unemployment".

This Act empowered the Commissioner of the State Department of Public Works to make one hundred (100%) per cent grants for highway projects to cities and towns of the Commonwealth. It provided generally that the labor, purchase of materials, and rental of equipment for such projects should be under the superintendence of the local community. All expenditures were, however, subject to the direct and mandatory supervision of the State Department of Public Works since no city or town was required, under the stipulations of the Act, to bear any portion of the cost of such projects.

The State Department of Public Works granted the Town of Arlington Fifteen thousand,four hundred seventy-

nine and 30/100 ($15,479.30) Dollars as its proportionate share of the monies appropriated under the enabling provisions of this Act. The Board of Public Works was thereby enabled to undertake and complete the reconstruction of Bow Street from Forest Street to Park Avenue. Storm drain installation was begun in November, 1935. Work was interrupted by cold weather in December, 1935, but renewed in April, 1936, and completed in June, 1936.

In its Highway Department the Town owns four horses that are by agreement loaned to the Peirce & Winn Company for their board and keep. In accordance with the agreement the horses are available for use by the Town at any and all times.

Respectfully submitted,

Board of Public Works of Arlington.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS

To the Honorable Board of Selectmen

Arlington, Mass.

Gentlemen:

In accordance with the provisions of Article 3, Section 3 of the Town's By-laws, the Joint Board of Selectmen and Board of Public Works respectfully submits its thirty-third annual report for the year ending December 31, 1936.

At the Annual Town Election held March 2, 1936, Mr. George H. Lowe, Jr. was re-elected a member of the Board of Selectmen for a term of three years, and Mr. James R. Smith was elected a member of the Board of Public Works for a term of three years, and by virtue of such elections both became members of this Board.

The Board organized with Mr. Ernest W. Davis as Chairman for the ensuing year.

The following appointments were made:

James J. Golden, Jr., Secretary.
Paul M. White, Town Counsel.
James M. Keane, Town Engineer.
William E. Mason, Superintendent of Wires.

The regular meetings of the Board are held in the Selectmen's Office on the second and fourth Tuesday evenings of each month at seven o'clock. Routine matters

are considered, interviews are held with the heads of the departments within its jurisdiction, hearings are given on petitions as required by law and audiences are given to individuals, committees and delegations by appointment. During the year 1936, thirty-eight regular and special meetings of the Board were held, many of them occasioned by reason of the continued improvement in business conditions. The special meetings were called by the Chairman when the occasion required.

NEW STREETS

Applications were filed with this Board by owners of property on thirteen streets, requesting the acceptance and construction of their streets in 1936. After holding the necessary hearings, the Board recommended the acceptance and construction of the following streets:

Argyle Road	Hibbert Street
Dundee Road	Lockeland Avenue
Edmund Road	Ottawa Road
Glen Avenue	Peter Tufts Road

Washington Street

These streets were accepted and the necessary funds for the laying out and construction were appropriated at the Annual Town Meeting. The actual work was executed with the assistance of the Federal Government under the auspices of the W.P.A. and carried out under the supervision of the Board of Public Works. Because of an unavoidable delay with regard to the approval by the Federal Government of the projects covering Argyle Road, Dundee Road and Hibbert Street, work was so interrupted that it was impossible to complete these streets this year. The Board proposes however to finish them during the early spring of 1937.

Although unusual conditions were encountered in

many instances while these streets were in the process of construction, the Board would be remiss in its duty in not taking this occasion to publicly commend all who were engaged in one capacity or another on these projects.

STREET LIGHTING

The street lighting schedule has been continued through the year and additional lights have been installed on public and private ways where required.

SIDEWALKS AND EDGESTONES

One of the more important of the miscellaneous W.P.A. projects designed and carried out under the supervision of this Board during the year was the continuation of a policy adopted several years ago to follow a progressive program in supplying property owners on public ways with permanent walks and a continuous line of curbing. The sum of five thousand (5,000) dollars was appropriated for this work at the Annual Town Meeting and as was true in the construction of streets, there was a substantial saving in cost realized by the property owners.

NEW BOARD OF SURVEY PLANS

The Board sitting as the Board of Survey gave its final approval to the following plans:

Bow Street	Chester Street
Boundary Road	Bates Road
Raleigh Street (continuation)	

The latter two streets are located within the area formerly known as the "Boston Elevated Lot."

Tentative approval was also given the following plans:

Fisher Road	Bradford Road
Bellevue Road	Pilgrim Road
Morton Road	Mayflower Road
Standish Road	Meadow Brook Road

Indian Hill Road

The last six streets comprise a portion of the area now being developed on the southwesterly side of the Concord Turnpike adjacent to the Arlington-Lexington town line and formerly known as the Hutchinson property.

Considerable time was devoted in conjunction with the Planning Board to the study of an alternative location for the proposed Super State Highway to Lowell. At a hearing before the Committee on Highways and Motor Vehicles, this Board and the Planning Board were recorded as opposed to the terminus of the proposed highway being at Mystic and Summer Streets, as set forth in Senate Bill No. 288 and recommended that the terminus of said highway be in the vicinity of Maple Street in the Town of Lexington and that a study be made for the continuation of the highway in a southerly direction as contained in House Bill No. 809. Many conferences were held during the year with planning officials and delegations from other municipalities interested in this highway. Although no definite action was taken by the Legislature, it is safe to assume that this matter will again be presented for consideration in 1937.

ITEMS OF GENERAL INTEREST

Appleton Street from Wachusett Avenue to Rhinecliff Street, a distance of approximately twelve hundred (1,200) feet was reconstructed. The State, County and Town shared in the expense of this improvement.

The New England Telephone and Telegraph Company of Massachusetts, the Edison Electric Illuminating Company of Boston and the Boston Elevated Railway Company have filed during the year various petitions for permission to locate, relocate and remove poles in and from the public ways of the Town and attach all necessary wires and fixtures thereto; also to construct and maintain underground conduits and manholes in Massachusetts Avenue, westerly from a point approximately one hundred forty (140) feet east of Mill Street to Grove Street.

Hearings have been held when required by law and necessary orders adopted.

The Arlington Gas Light Company has been given permission to install gas mains in various public ways upon petition.

The Board has conferred with the Selectmen of the Town of Belmont relative to a possible alteration of the boundary line between the Towns of Arlington and Belmont, but as yet has been unsuccessful in arriving at a mutual agreement in the matter.

The Board in this report of its activities desires to express its deep appreciation for the continued loyalty and active cooperation of all those who in so many ways have assisted in its work.

REPORT OF THE TOWN ENGINEER

February 15, 1937.

To the Honorable Joint Board of Selectmen

and Board of Public Works

Arlington, Mass.

Gentlemen:

I herewith submit my annual report as Town Engineer for the year ending December 31, 1936.

This year has been the most active experienced by this department since 1931 and all indications are that 1937 will exceed it by a wide margin and this being the case it will be necessary to add to the present force to meet the expected demands.

The Engineering Department has furnished all surveys and plans requested by the various other Town Departments, Boards, and Committees, all new underground structures have been located and plans drawn recording the layout, new streets, curb, sidewalk and sewer assessments have been levied, plans drawn for addition to Park Circle Fire Station and Police Station garage, study and design made for flood control in Mill Brook, Arlington Heights Reservoir and Great Meadows, plans drawn for proposed changes in Arlington, Belmont and Cambridge Town and City lines, layout and design for sewer and water extensions and sewer pumping station at Arlmont

Village development, also Chester Street, Fisher Road and vicinity, Bellevue Road and Morton Road, Bates Road, Raleigh Street and Tufts Street section; several studies were made and plans drawn for the Committee on Playgrounds and the usual number of plans were furnished the Legal Department.

A comparison of work between 1935 and 1936 will readily show the increase in practically every branch of the service rendered by this department.

REPORT OF TOWN COUNSEL

December 31, 1936.

Honorable Joint Board of Selectmen
and Board of Public Works.

Gentlemen:

During the year the activities of the town counsel have been of the same general character as in previous years. He has been present in the town hall for all your regular meetings and those of the Board of Selectmen. He has attended other meetings of town boards and committees and hearings at the State House and elsewhere. Although several court proceedings involving the Town or its interests have been instituted since the beginning of the year, the total of such proceedings has been reduced thirty-five per cent as the result of trials and settlements. The number of appeals taken to the Board of Tax Appeals is smaller than in the preceding year. Several small claims have been abandoned or compromised. All payments have been made with the prior approval of the Board of Selectmen.

The town counsel has held numerous consultations with town officers, employees and others; has furnished legal opinions when requested; and has performed numerous routine tasks. He wishes to express his appreciation of the friendly cooperation of the other workers for the Town with whom he has been associated.

Respectfully submitted,

PAUL M. WHITE,
Town Counsel.

REPORT OF THE MEDICAL INSPECTOR OF THE DEPARTMENT OF PUBLIC WELFARE

Honorable Board of Selectmen,

Town Hall, Arlington, Mass.

Gentlemen:

I present you herewith report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1936.

Office calls	1,330
House calls	1,985
Total	3,315

As you well know there has been a tremendous increase in the number of medical welfare cases in recent years. The number of calls for the year 1932 shows an increase of 100% over the year 1930. Likewise 1933 shows 100% increase over 1932, and 1935 100% increase over 1933.

One of the most important items I wish to call to your attention, is the fact that 1936 was the first year for the past several years in which there was no great increase in the number of medical welfare cases. This is a very significant fact especially since the number of Old Age Assistance cases was actually increased by 100% when the new law became operative in September, 1936.

One of the outstanding accomplishments of the Wel-

fare Department, in addition to the tremendous task of caring for the physical needs of so many people in an economic and fair manner, has been the establishment of a medical and dental clinic in May, 1936. This enables the department to function as a unit, with the various phases of the work under one roof. In addition the Clinic provides a storage space for drugs which are purchased by the department in large quantities, and disbursed to the recipients in usable amounts, thereby effecting a considerable saving to the Town.

I desire to express my deep appreciation for the cooperation and kind consideration extended to me by the officials of the Town during the past year.

Respectfully submitted,

EDWARD W. FEELEY, B.S., M.D.,

Medical Inspector, Department of Public Welfare.

REPORT OF BOARD OF HEALTH

In compliance with the Town By-Laws, the Board of Health herewith submits its annual report for the year ending December 31, 1936.

Board meetings are held at the office in the Town Hall the first Monday evening of each month at 7.30 o'clock. Special meetings are called when occasion requires. At the annual Town Meeting, held March 2, 1936, Dr. Charles F. Atwood was re-elected a member of the Board for the term of three years. Dr. Atwood having qualified before the Town Clerk, the Board held a special meeting on date of March 4 and organized by re-electing Alfred W. Lombard to serve as Chairman for the ensuing year. The personnel of the Board remains the same as last year, and is as follows:

ALFRED W. LOMBARD, Chairman
CHARLES F. ATWOOD, M.D.
ERNEST R. BROOKS, D.M.D.

Appointments

WILLIAM H. BRADLEY, Agent, Clerk and Milk Inspector
EZEKIEL PRATT, M.D., Bacteriologist and Physician to Board
*E. F. MACKAY, D.M.D., Dental Operator
HELEN M. HEFFERNAN, R.N., Nurse and Assistant to Dental Operator
ARTHUR TAYLOR, Inspector of Slaughtering
WILLIAM H. BRADLEY, Inspector of Slaughtering
*Died

During the past few decades much progress has been made in the control of communicable diseases. In those areas where compulsory vaccination is in force, smallpox rarely occurs. The protection given to the purifying of public drinking waters, the pasteurization of milk and the sanitary methods now in force in most communities of sewage disposal has done much in reducing the number of of cases of typhoid fever. In those towns where preventive methods are consistently carried out, the number of diphtheria cases reported is decidedly on the decline with each succeeding year.

In the year 1936 a total of sixteen hundred and fifty-nine cases of those diseases declared by law to be reportable were reported to this office. There has been no epidemic of any particular disease; therefore, this may be considered as a normal number for a Town of some forty thousand inhabitants, and to show the amount of work, both clerical and otherwise, necessary to properly care for this single feature of our activities, a brief explanation of the procedure followed is here given.

A physician reporting one of the major diseases gives the name of the disease, the date of onset, the name, age, and address of the person afflicted, the name of the milk dealer, and if of school age, the name of the school is also given. This information is entered upon, and becomes a part of, our permanent records, and we in turn mail a written report of each individual case to the State Department of Public Health, to the State District Health Officer, to the local public library, to the milk dealer and to the Superintendent of Schools. When the case is one of school age, the principal of the school which the child attends is, upon recovery, notified in order that the child may return to school. A warning card bearing the name of the disease is attached to the house where the disease exists. Should patient be removed to a hospital, the Board of Health physician, at the expiration of eight days,

examines other members of the family and should no symptoms of the disease be found in these, the card is removed and other children in the family allowed to return to school. Should patient remain at home the card remains on house until recovery, and other children in the family are not allowed to leave the premises during that period. The attaching and removing of the warning card requires at least two visits by a representative of this Department to each house where the disease exists.

DIPHTHERIA: Only one case of this disease was reported for 1936. Following our usual procedure we held two free public clinics the past year, one in the Spring and one in the Fall, and administered the full course of the toxoid treatment for the prevention of diphtheria to five hundred and thirty-five children. In the year 1923 there were reported to this office fifty-three cases of this disease, which is the highest number on record for any single year. In the same year we began holding our free public clinic to administer the preventive treatment, and cases have consistently dropped in number with each succeeding year to the low number, as above stated, of one case for the past year. This, we believe, shows conclusively the value of the immunization treatment against this disease.

MEASLES: Six hundred and fifteen cases were reported the past year. The State Department of Public Health now prepares and distributes to physicians direct, a placental extract for use as a prophylactic against this disease.

PNEUMONIA, LOBAR: Forty-seven cases of this disease were reported the past year.

RABID DOGS AND DOG BITES: A total of one hundred twenty-three dog bites were reported the past year. In case of dog bite requiring anti-rabic treatment the local Board of Health furnishes the vaccine and pays

the physician administering same, and the County Commissioners in turn reimburse the Town in an amount not to exceed fifty dollars for each case treated. Six dogs were reported as being positive for rabies in Arlington during the past year. Three persons bitten and nine others intimately exposed to either one or the other of these dogs were given the anti-rabic treatment. While there is an element of danger in taking, there is also an element of danger for a person bitten in not taking the treatment. The State Department of Public Health, believing the latter course to be the lesser of the two risks, recommends the treatment for persons bitten by any dog above the neck or by a dog that cannot be identified. Treatment was furnished in fourteen such instances the past year. During the month of April the Board sponsored a free public clinic to administer the anti-rabic vaccine to dogs for the prevention of rabies. The clinic was well advertised, and to make it convenient for all, four sessions, each of four hours' duration, were held on four successive days in four different sections of the Town, and out of a total of some fourteen hundred licensed dogs in Arlington, only three hundred and seventy-nine were brought forth for inoculation. This was decidedly disappointing as we were equipped and could have handled double the number without any additional expense to the Town. However, at the annual March Town Meeting of 1936 a By-Law was adopted which was approved by the Attorney-General September 18, 1936, which may be a factor in assuring a better attendance at future clinics. This By-Law reads as follows: "No person residing in the Town shall allow any dog belonging to him to run at large in the Town unless said dog shall have been vaccinated against rabies at some time during the previous twelve months."

SCARLET FEVER: Sixty-eight cases of this disease were reported for the past year. From information at hand it seems probable that in the not-far-distant future the State Department of Public Health will be able to furnish

a serum for the active immunization of persons against this disease.

TUBERCULOSIS: Sixteen cases of pulmonary and eleven cases of other forms of this disease were reported the past year. It is the duty of the nurse to obtain a history of each case reported, a copy of which is mailed to the State Department of Public Health, Division of Tuberculosis, and the original placed on file in this office. The nurse, unless requested otherwise, visits each case from time to time, and should a patient move to another town, the Board of Health of that town is notified as is also the State Department of Public Health. The State Department of Public Health, Division of Tuberculosis, is also notified of each person dying of tuberculosis while a resident of this town.

Seven hundred and sixty-six cases of minor diseases were reported to this office the past year. Other than omitting the placarding of homes and notifying the milk dealer, the same procedure of notifying the various agencies is carried out as in that of the major diseases.

DENTAL CLINIC: It becomes our sad duty to here record the death of Dr. Edgar F. MacKay, who passed away November 26, 1936. Dr. MacKay was the operator of our Dental Clinic for almost fourteen years, and the fact that during this long period, in the very trying position of treating the teeth of young children, no complaint of a serious nature was ever lodged against him, is evidence sufficient, that he might well be classed as a specialist in this particular line of dentistry. It can also be truly said that by his natural gentlemanly demeanor, he was held in the highest esteem by the Board and his coworkers in this Department.

In accordance with Chapter 119 of the General Laws, nine applications for a license to maintain boarding homes

for infants in Arlington, submitted by the State Department of Public Welfare, Division of Child Guardianship, were investigated and approved.

Previous to the opening of the bathing season in 1936 the State Department of Public Health at our request examined the waters of Spy Pond and the Reservoir at Arlington Heights and reported both waters as being safe for bathing. In previous years we gave both of these bodies of water two treatments of copper sulphate to control the green-algae growth that develops at certain periods of the year in both ponds. Last year as a measure of economy we gave these waters only one treatment, and from this experience we learned that to keep the ponds reasonably free from this growth at least two treatments are necessary each year.

Rubbish collected by the Town employees and burned in the open on the dumps in different sections of the Town has been, and always will be, the cause of numerous complaints until such time as the Town provides a modern method of disposal for this material.

The Financial Report of the Department, giving a detailed account of the expenditures and receipts for the year, together with morbidity and mortality reports and reports of appointees are appended.

The usual licenses and permits required by statute law and our regulations have been issued.

In closing we wish to express our thanks to the Arlington Visiting Nursing Association, to the staff of the Arlington Public Schools and the nursing staff of the Ring Sanatorium for assistance rendered during the year.

REPORT OF DENTAL CLINIC

To the Board of Health

Arlington, Mass.

Gentlemen:

I herewith submit a report of the work performed in the Dental Clinic during the year ending December 31, 1936.

In September, during the first week of school, the first-grade pupils in the Parochial and Public Schools were examined, and notices sent to the parents of all children found to need dental care. Five hundred and seventy-two children were examined by Dr. MacKay, and seventy-one per cent of that number were in need of dental care.

The school authorities have co-operated by sending the quota allowed from each school on regular days.

The preschool children, who receive appointments directly from the Clinic, continue to keep their quota filled. Dr. MacKay felt this work a very essential part of the Clinic procedure, both in its corrective and educational aspects.

A summary of the work follows:

Extractions	Deciduous	285
	Permanent	21
Fillings	Deciduous	1,479
	Permanent	531
Treatments, Silver Nitrate under Amalgam		1,053

Treatments, Prophylactic	312
Total Number of Operations	3,681
Total Number of Sittings	1,398
Total Number of Individual Patients	467
Total Number of Dismissals	351
Total Number of Operating Hours	549
or Mornings	183

Respectfully submitted,

HELEN M. HEFFERNAN, R.N.,
Dental Assistant.

REPORT OF DENTAL ASSISTANT

To the Board of Health

Arlington, Mass.

Gentlemen:

I have assisted Dr. MacKay with the examinations of first-grade pupils of the Parochial and Public Schools, and at the daily sessions of the Clinic, until November 6, 1936, when he left to enter the Hospital. Since then I have assisted, to the best of my ability, the operators who have been operating in the clinic each week.

Respectfully submitted,

ANNUAL REPORT OF THE ARLINGTON EMERGENCY UNEMPLOYMENT COMMITTEE AND THE LOCAL FEDERAL WORKS PROGRESS ADMINISTRATION

The Honorable Board of Selectmen
Arlington, Mass.

Gentlemen:

I herewith submit my annual report covering the activities of the Arlington Emergency Unemployment Committee and the Federal Works Progress Administration in the Town of Arlington for the year ending December 31, 1936.

It is difficult to measure the value of the Works Progress Administration and the Unemployment program in the town as a whole. It would be unreasonable to expect most people to delve through a comprehensive report of all the activities of our work. A brief summary, however, such as this, does not begin to tell the real story, but I hope that it will portray to some degree the work done so that you may, yourself, apply such value as you feel the situation warrants, and judge the program as a whole.

The Emergency Unemployment Committee, as authorized by the Board of Selectmen in 1930, continued to function during 1936, employing men from the Welfare list of the Town and those unemployed citizens of the Town not eligible for either Welfare or Works Progress Administration assignments. Projects authorized and supervised by the Board of Selectmen were operated. A total of eight thousand, three hundred thirty-three (8,333) man-days of labor were worked on Town properties.

The Federal Works Progress Administration, set up December 5, 1935, continued to function throughout 1936. Those eligible for work and who were assigned, were employed upon projects which were in the nature of proposals from the Town of Arlington and which were acceptable to the Federal Authorities. These projects called for the completion of work started under the Emergency Relief Administration and for new operations which included street and sidewalk construction; the erection of additions to the Park Circle Fire Station and the Central Police Headquarters; construction of a masonry culvert at Mill Brook; remodeling and repairing the Nathan Robbins House; deepening and cleaning Mill Pond; and the maintenance of public buildings and school properties in the Town. The male applicants for skilled and unskilled work in the Town were taken care of by these projects.

Female applicants for relief work were assigned, in the most part, to the sewing project. This project employed throughout the year, an average of one hundred twenty (120) women who were engaged in the manufacture of clothing and for the Works Progress Administration Commissary at Watertown. During the past year, this unit made forty-nine thousand, six hundred nineteen (49,619) pieces of wearing apparel. These consisted of articles for adults and children such as slips, underwear, dresses, overalls, pants, shirts, sheets and pillowcases, etc.

Conducted as a State Works Progress Administration Project, the Wood Carving Project, employing eleven (11) men—four (4) of whom, including the Supervisor, were Arlington men—was set up at Schwamb's Factory. Many valuable pieces of carving were made. These were exhibited at R. W. Shattuck's in the Fall and most favorable comment was received regarding them. The pieces consisted of bulletin boards, desks, seals, panels, spandrels, book ends, and picture frames. These articles, when com-

pleted, were distributed to the various schools, libraries, and other public buildings within the Town.

A bookbinding project, employing three (3) skilled bookbinders, was operated the last quarter of the year at the Locke School. During this period, approximately three thousand (3,000) school books were completely rebound at a great saving to the School Department. In addition to the school books, numerous other books in need of repair belonging to the various Town offices, were rebound.

The "White Collar" projects included engineering, clerical, library, statistical, and household aids work and employed both male and female persons.

The Works Progress Administration Recreational Project, a distinct innovation in Arlington, began on February 3, 1936. While the recreational program had been instituted by the Arlington Boys' Club under the direction of various civic organizations of the Town, expansion was impossible because of the lack of funds. These activities of the Boys' Club were taken over by the Works Progress Administration and National Youth Administration and the program was enlarged to meet the demands of the participants. The school gymnasiums were opened four (4) nights a week for the young men of the Town who desired to spend their evenings in wrestling, boxing, basketball, table games and the like. Because of these evening activities, it has been found that juvenile delinquency in the community was greatly reduced. During the summer, the men on this project acted as life guards at the Arlington Heights Reservoir Beach and the Fall program consisted of organizing football teams throughout the Town and the Fall activities were culminated by a game of football on Armistice Day, at which the All Junior High Team from Arlington defeated the All Junior High Team from Malden.

The projects already mentioned employed an average of five hundred thirty-five (535) men and women during the past year. This figure represents an over-run of approximately fifteen per cent (15%) over the quota set for Arlington. In addition to this employment, one hundred ninety-eight (198) men were working from September 15, 1936, to December 15, 1936, on State Projects. Of these one hundred ninety-eight (198) men, sixty-six (66) were charged to Arlington's quota. The balance was charged to the State projects, and, while these were Arlington men, they were not charged to Arlington's quota during the period mentioned.

The Town expenditure for materials and equipment necessary to operate these projects amounted to one hundred forty-three thousand, eight hundred sixty dollars and eighty-two cents ($143,860.82) and the expenditure by the Federal Government for the labor represented on these projects amounted to four hundred eighty-one thousand, one hundred twenty-eight dollars and forty-seven cents ($481,128.47).

The Administration of the Works Progress Administration in Arlington was performed by a staff of eleven (11) people who were paid out of the Town's appropriation of funds for Works Progress Administration activities. The amount paid for the maintenance of this administrative force compared closely with the amount paid for Works Progress Administration in cities and towns with a general population approximating that of Arlington. The local administration was headed by the Works Progress Administration Manager, who represented the Board of Selectmen in all matters pertaining to Works Progress Administration within the Town. In addition to these duties, this same official supervised all operations connected with the National Youth Administration, the Unemployment Committee and Welfare workers. Assisting this official was a staff of technical and clerical men and

women who performed the detail work so necessary and essential for the efficient administration of the Works Progress Administration in the Town.

I wish to express my sincere thanks to the Board of Selectmen, the various Town departmental heads, my assistants, and all others who cooperated so fully with me during the year.

NEIL S. PETERS,

Local W.P.A. Manager and Executive Secretary of The Unemployment Committee.

OFFICE OF PARK COMMISSION

The Board of Park Commissioners herewith respectfully submits its forty-first annual report for the year ending December 31, 1936.

At the annual town election held Monday, March 2, 1936, Mr. Daniel M. Hooley was re-elected a member of the Board of Park Commissioners for a term of three years.

The Board organized on Monday evening, March 9, 1936, with Mr. John B. Byrne as Chairman, Miss Ruth Cannell as Secretary, and Mr. George D. Higgins as Superintendent of Parks and Playgrounds.

The regular meetings of the Board are held on Monday evening of each week at seven-thirty o'clock for the purpose of considering routine matters, consulting the officials of the several branches of the Town Government and special committees thereof, and the Chairmen of the Town Meeting Members of the several precincts, granting audiences to committees, organizations, delegations, and citizens of Arlington whose interests are within the jurisdiction of the Board of Park Commissioners.

The following are the net expenditures made under the direction of this Board:

Personal Services:	
Superintendent	$2,007.50
Life Guards	W.P.A.
Police Duty	338.75
Clerk	106.00
Wages	2,997.80
	$5,450.05

Material and Expenses:	
Office Supplies	$10.24
Auto Maintenance	339.19
Trucking	99.75
Tools and Equipment	356.01
Loam and Fertilizer	498.20
Crushed Stone, Cinders, and other Material	74.64
Trees, Shrubs, Grass Seed	154.15
Repairs to Boats	83.50
Miscellaneous	.75
Power Lawn Mower	219.40
New Truck	366.00
	$2,201.83

Early in the year this Board sought to enhance the Office of the Park Commission, which was eventually accomplished by the acquisition of additional and necessary office equipment, and the ultimate establishment of an adequate filing system, together with a complete rearrangement of the Commission's records.

As in 1935, this Board, confronted with a limited budget, commensurate with the current economic depression, continued its policy of promoting progress and expansion in the administration of its affairs.

The development of Arlington is constantly increasing, thus presenting this Board with a serious problem in adequately providing suitable additional recreational areas to meet the demand of the accompanying populous growth.

Confronted with this serious situation, this Board held frequent meetings with the Planning Board, in order to consider properly the expediency of acquiring suitable, additional recreational areas within the Town.

As was evidenced last year, this Board again this year employed every means within its command to create and provide work for the unemployed men of Arlington, which was accomplished by the cooperation of Mr. Neil S. Peters, Arlington Works Progress Administration Administrator, and Mr. Clifford W. Cook, Arlington Welfare Agent.

The Board supervised the care and maintenance of twenty-two areas within its jurisdiction, together with four areas owned by the Town of Arlington outside the jurisdiction of the Park Commission, as well as two areas controlled by the Arlington Garden Club.

As follows:

Areas Within the Jurisdiction of the Park Commission

Heights Playground (Reservoir Field)

Early in the Spring the baseball outfield was increased and greatly improved, being leveled and brought to proper grade by the services of the unemployed men of Arlington. Due to these improved measures, the Board deemed it inexpedient to permit the use of the field for purposes of playing football thereon until such time as the field is placed in the proper condition for the aforementioned purpose.

Many of the young men of Arlington organized baseball teams and availed themselves of the opportunity to use the baseball field for the purpose of playing ball. The field was used in this respect until late in the Fall. Permits were issued by the Board to the following baseball teams, whose membership comprised the young men of Arlington: Forest Athletic Association, Arlington Collegians, Highland Athletic Club, and the Hurd Family

Nine. The baseball field, as well as other portions of the playground, were utilized throughout the Spring and Summer months and well into the Fall by the younger children of the Heights section of Arlington, for the purpose of engaging in the various juvenile forms of recreation.

Hundreds of Arlington citizens availed themselves of the opportunity to observe the baseball games at the field evenings and every Sunday afternoon throughout the summer and fall months.

The Board desires to compliment the membership of all baseball teams that made use of the field, for the orderly, sportsmanlike manner in which their games were conducted.

Reservoir Beach

The Beach was used extensively throughout the Summer by hundreds of Arlington citizens, and proved to be especially popular with children whose parents appreciated the adequate safety measures adopted by the Board for use at the Beach.

The lifeguards were provided by the National Youth Administration, and a Special Police Officer was in attendance throughout the season.

It is particularly gratifying to this Board to report, that the past season was entirely devoid of a fatal accident at the Beach.

The area embracing the Beach was constantly kept clean and free from refuse through the efforts of the employees of the Park Commission.

During the past year the Board became the recipients of many letters of commendation, commenting upon the

excellent manner in which the Beach was supervised during the season; among the letters was one received from the South End House, a settlement house in Boston that operates a summer camp in Lexington, within close proximity to the Beach. This camp is conducted for the benefit of the underprivileged children of Boston.

Arlington Heights Standpipe

General maintenance; grass area surrounding the standpipe was cut and trimmed.

Turkey Hill

Brush trimmed, and general maintenance supervised.

Forest and Bow Streets

General maintenance; brush cut and trees trimmed.

Appleton Street and Paul Revere Road

General maintenance; grass trimmed, etc.

Lowell Street and Massachusetts Avenue (Foot of the Rocks)

General maintenance; grass trimmed. The drinking fountain formerly located on Massachusetts Avenue, corner of Pleasant Street, Arlington Centre, and now situated upon this area, was repiped and new bubblers installed this year.

Ethel Wellington Playground

General maintenance.

Lockland Delta

Grass trimmed and watered; general maintenance.

Menotomy Rocks Park

General maintenance, grass cut and watered, and brush trimmed. This year a certain portion, formerly swamp land, was properly graded and filled with loam and made over into a suitable playground area for small children, thus making a safe landing field for those who use the toboggan slide throughout the winter months. This year the roadway extending from Jason Street to Eastern Avenue was covered with cinders and stone dust, resulting in a splendid, new, widened road. At the request of the residents occupying the new dwelling houses adjacent to the Jason Street entrance of the Park, the tool shed, formerly located near that vicinity, was razed, and a new enlarged tool shed erected in a suitable location some distance from the site of the old building. Early in the Spring, Hill's Pond was kept free from an unsightly undergrowth of weeds, and later in the season each pine tree was pruned two feet from the ground as a fire preventative. During the Spring and Summer months, many young children, with their parents, were to be seen sailing their ship models over the Pond. During the Winter months, as in the past, the Pond was utilized by many Arlington citizens for purposes of general skating and playing hockey. Throughout the Summer season, a great many citizens used the horse shoe quoit courts and derived much pleasure therefrom.

Russell Park

General maintenance. This year two Rock Maple trees were planted on the Mystic Street border, replacing those that died.

Meadowbrook Park

General maintenance. The area of Meadowbrook Park bordering Chestnut Street was graded and made

suitable for baseball early in the Spring. Many children utilized the field and its recreational appliances throughout the year. Late in the Fall a large area was flooded and made suitable for skating purposes. It was used by many of the children in this section of Arlington. The area of the Park bordering Mystic Valley Parkway still remains in very poor condition, and fill, from various excavations on the Town's property, was placed around this area and graded. The Board is of the opinion that it will be some time before this area will be suitable for recreational purposes.

Orvis Road

General maintenance; grass cut and trimmed.

River and Warren Street Delta

General maintenance; grass cut and trimmed.

Crosby School Playground

General maintenance.

Warren A. Pierce Playground

General care and maintenance; areas re-seeded, trimmed, etc. This year 400 yards of loam were spread over the football and baseball fields. The Board of Park Commissioners have joint jurisdiction with the School Committee over this Playground.

Monument Park

General maintenance; area re-seeded and grass cut. This year the flag pole was repainted and new halyards installed.

Linwood Street Beach (Spy Pond)

General maintenance. Early in the year signs were placed upon conspicuous locations advising citizens that bathing was prohibited. This past year, as was the policy of this Board throughout 1935, Linwood Street Beach remained closed to the public for bathing purposes. It is with a great deal of satisfaction that this Board reports that during the past year no drowning accident occurred in the vicinity of Linwood Street Beach.

Fowles Pond

General maintenance.

Dow Avenue and Appleton Street Delta

General maintenance; grass trimmed, area cared for, etc.

Medford and Warren Street Delta

General maintenance; grass trimmed, area cared for, etc.

AREAS OWNED BY TOWN OF ARLINGTON AND CARED FOR BY ARLINGTON PARK COMMISSION

Brattle and Summer Street Delta

General maintenance; grass cut and trimmed.

Junior High West (Crusher Lot)

General maintenance; brush trimmed, trees trimmed.

Falmouth Road and Crosby Street Delta

General maintenance; grass cut and trimmed.

Thomas J. Robinson Rock (Gray Street and Endicott Road)

General maintenance; grass cut and trimmed.

AREAS CONTROLLED BY ARLINGTON GARDEN CLUB AND CARED FOR BY ARLINGTON PARK COMMISSION

Delta, corner of Massachusetts Avenue and Swan Place

Area cared for.

Delta, adjacent to Old Town Hall

Area cared for.

RECOMMENDATIONS

The Board makes the following recommendations:
Arlington Heights Playground (Reservoir Field)

This Board recommends the construction of bleachers or grandstand to suitably accommodate approximately 1,000 persons, and the construction of a suitable tool shed.

Reservoir Beach

This Board recommends the erection of a suitable, adequately equipped bath house at this Beach, in order to provide for its ever-increasing patronage.

Ethel Wellington Playground

This Board recommends the erection of a garage and a tool shed on this area, thereby enabling the Park Commission to assemble its maintenance equipment at a central location.

Menotomy Rocks Park

This Board recommends the installation of a police box in this Park.

Meadowbrook Park (area bordering Chestnut Street)

The portion that has been used in the past for the playing of baseball has been considerably reduced due to the erection of a dwelling house within close proximity to the field, thereby making the field unsuitable for organized baseball. Therefore, this Board recommends the immediate installation of at least two lawn tennis courts in this area.

Crosby School Playground

On January 13, 1936, this Board received from the Office of the Clerk of Courts for Middlesex County, a Stipulation of the Superior Court, declaring the playing of baseball prohibitive at the Crosby School Playground. The Board accordingly posted notices to that effect upon several conspicuous places within the playground enclosure.

In view of the fact that the playing of baseball is prohibited at the Crosby School Playground, this Board recommends the installation of suitable lawn tennis courts thereon, as the present status of the playground offers no inducement whatever to the residents of East Arlington.

This Board cannot but strongly emphasize the expediency of immediately acquiring additional recreational areas in East Arlington, in order to meet adequately the demands of the citizens resident therein.

In conclusion, the members of this Board are thoroughly appreciative of the fact that it is clearly our duty

to serve, to the best of our ability, the people of Arlington, who place their confidence in us, by electing us to this Board.

Ever since its inception in 1935, this Board's action on all matters requiring a vote in executive session, has been unanimous on every occasion.

This Board, we hope, has acted wisely in our endeavors and decisions, and we are thoroughly appreciative of the full and genuine cooperation afforded us by all Town Departments, Town Officials, Town Meeting Members, and Citizens of Arlington, for which we are profoundly grateful.

With this continued manifestation of good will and unselfish support, the Arlington Park Commission will advance toward ultimate accomplishment and complete satisfaction, to the end that the best interests of the Town of Arlington will coincide with the desires of its citizens.

JOHN B. BYRNE, Chairman
NILS G. ANDERSON
DANIEL M. HOOLEY

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen,

Gentlemen:

The Planning Board respectfully submits herewith its report for the year of 1936.

ZONING

During the past year there has been but one request for a change in zoning. This request was for a change from a Single Residence classification to a Business area. In conformity with its previous report in 1935, on this same property, the Board recommended that no change be made which report was approved by the Town Meeting of October 19, 1936.

CAMBRIDGE—CONCORD HIGHWAY

There have been no radical changes with respect to the operation of this important highway during the past year. As regards property development along this route, one major housing project adjoining the Lexington line has been inaugurated and actual construction started. Due to irregularities in the Arlington-Cambridge boundary line, a small portion of this highway lies in Cambridge and a filling station is already in operation at this point. It is also possible that some form of tavern will be established nearby which use will be contrary to the policy which has been adopted by Arlington for the entire length of this highway through the town. An act by the Legislature authorizing a change in the boundary line would seem to

be the only method of preventing a use which we feel is not a desirable one.

With the change in general business conditions, a marked increase in building along the route of the highway is to be expected and the connection of these developments with the highway will present a problem if the number of local streets entering this main way is to be kept at a minimum. Already the question of extending Highland Avenue across the Belmont line to this highway has been discussed with your board and while this extension would occur at a point of practically maximum grade on the highway which, from a theoretical standpoint, is extremely undesirable, increased service and traffic requirements may force this connection, thereby, requiring another stop light control at this point. This Board believes that the extension of Eastern Avenue and Spring Street to handle some of the traffic from this section should be considered.

PROJECTS

The study of a proposed extension of Wellington Street as requested by your Board and mentioned in our report for 1935 has been completed. It is our understanding that it was felt that the benefits to be gained did not justify the probable cost and that this plan has been given up for the present. No further formal action has been taken by the Board relative to the projects which were also listed in our previous report.

BOSTON—LOWELL TURNPIKE

This Board has endeavored to keep in touch with this matter through the Town's State Representatives but has not as yet learned the results of any studies that may have been made by any of the State Boards as to possible routes through Arlington. The Planning Board feels that this is a matter of vital importance to Arlington and hopes

that if this project again becomes active, that it will be possible to secure a layout that will be advantageous to the town as a whole.

GENERAL

The Planning Board during the year has met with the Joint Board and discussed certain features of the street layout for the proposed Arlmont development and also the property between Tufts and Harlow Streets from Massachusetts Avenue to Broadway. A main street to be extended through the center of this latter land is planned to become a portion of a route between the Mystic Valley Parkway and the easterly end of Spy Pond. The proper development of this route should relieve Arlington Center of some of its cross town traffic.

The Board during the year has had representation at various hearings before your Board and the Joint Board when it was felt that the matter under discussion was of a character to warrant it.

The Planning Board has been engaged during the year in a revision of the Zoning By-laws in an effort to bring these By-laws into line with the present accepted best practice. It has endeavored to find a solution of the problem as to how to control overcrowding as a result of building on small sized lots, and has discussed this feature at some length with the Joint Board. In January a letter was received from Harvard University relative to the possibility of scholarships at Harvard in a course to be given by the Bureau for Street Traffic Research. This matter was given publicity through the local papers in order that anyone interested and qualified might take advantage of the offer. The Planning Board has also maintained contact with the usual State agencies together with the State Federation of Planning Boards. It has likewise communicated with the neighboring Planning Boards

relative to questions of mutual interest and has furnished information and copies of our Zoning By-laws to other municipalities who contemplated the adoption of similar laws.

The Board is aware of the passage of the so-called Herter Bill which if adopted by a town materially changes the present set-up of the Park Commission, the Board of Survey and the Planning Board. While it is not the intention of the Planning Board at this time to recommend the adoption of this bill in its entirety, particularly that portion relating to the assumption of the duties of the Park Board, nevertheless, if it is shown by trial elsewhere that the bill possesses merit, this Board believes that its adoption should be given serious consideration by the voters of the Town.

REPORT OF THE TRUSTEES

For the Year 1936

The Trustees of the Robbins Library present their report for the year 1936:

Notwithstanding a slight reduction from 1935 in our circulation, there has been no reduction in the activities of the library as is well set forth in the report of our Librarian, Mrs. Spofford.

Again the Trustees call the attention of our citizens to very much needed branch libraries at the Heights and in the East section of the town. It is hoped that these additional facilities may be furnished at an early date.

With registered borrowers of over one-third of our entire population, and a circulation of over 300,000, the need of more books is most evident. We now have but 55,000 volumes, and the reduced appropriation of $4,500 this year made the work of keeping all our borrowers happy a difficult task.

It is with sincere regret that the Trustees record the death during the year of Miss Louise M. Muir, a valued assistant.

For the Trustees,

WILLIAM A. MULLER,

Chairman.

REPORT OF THE LIBRARIAN FOR THE YEAR 1936

To the Trustees of the Robbins Library:

I herewith submit the annual report of the Librarian for the year ending December 31, 1936.

The year has shown great fluctuation in circulation. This was particularly true of the summer months. The home circulation for the year was 310,300 which is 11,215 less than the year 1935.

The following tables show many interesting facts:

Comparative Circulation by Stations

	1935	1936	Loss	Gain
Center, Adult	192,451	184,468	7,983	
Center, Juvenile	60,282	54,458	5,824	
East Branch	29,663	28,203	1,460	
Heights Branch	26,314	26,525		211
Schools	12,805	16,646		3,841
Total	321,515	310,300	15,267	4,052

Total Loss, 11,215

Comparison of Home Use of Books

	Non-fiction	Fiction	Total home use of books
1926			119,774
1931	77,813	178,887	256,610
1935	102,604	218,911	321,515
1936	102,465	207,835	310,300

In the ten year period 1926–1936 the circulation increased 190,526 or 2.5 times. From 1931–1936 the use of books increased by 53,690 or 1.2 times. The increased use of the books of non-fiction is very gratifying. It indicates that the Library is doing more than hand out books for mere entertainment. The questions that come to the reference desk and over the telephone, which many times tax our resources, substantiate this.

The Robbins Library has two very definite needs. First: Branch Library buildings at Arlington Heights and East Arlington. The Heights for many years has been desirous of better Branch facilities. As far back as twenty-five years there was an article in the Town Warrant. With the estimate division of population in December, 1936, 15,488 at the Heights, 11,404 at the Centre and 14,230 at East, it would seem that something must be done.

During the winter months our Reference room at the Centre is overcrowded. Our young men and women who come to read or study in the evening often monopolize the room to almost the exclusion of the adults. Adequate Library facilities provided in each end of the town would relieve this and provide a proper civic centre. School children must have access to libraries in order to meet school requirements.

The Branch Librarians have served their patrons as adequately as was possible in the limited time the branches are open, and with the equipment available. To help meet the demand 13,248 books were sent to and from the Branches during the year. Why not answer this need in 1937? Plans have already been accepted for a Branch at the Heights. Land is available.

Second: adequate money for books and periodicals.

Below is listed the amount spent for books and periodicals since 1931:

1931	$8,270.49
1932	7,122.65
1933	4,863.22
1934	5,073.26
1935	5,144.80
1936	4,485.75

The life of a book in circulation is eighty to a hundred circulations under favorable conditions. With only $4,033.60 spent for books and $452.15 for magazines and newspapers even the present standards cannot be maintained. The $4,033.60 had to cover all book purchases for the Reference Department, adult, juvenile, both new titles and replacements for the Main Library, two Branches, the deposits at fire stations, 94 classroom deposits in 7 schools.

Other than the work involved in cataloguing the current books the pamphlet file has been revised, 339 pamphlets added and 146 discarded. Total number of pamphlets is 2,576.

A bibliography of Arlington first compiled in 1905 by Miss Edith Whittemore has been revised and new material added. Valuable material gleaned from older books has been typed and added to the pamphlet file under Arlington, History. An effort is being made to have a complete and workable collection of Arlington material so that at a moments notice questions having to do with our Town history may be answered.

Work was begun in September on the indexing of the Arlington Advocate, which was first published in December, 1871. This was made possible by the grant of the time of a clerk from the W.P.A. Revision and planning

of the work has been under the supervision of our classifier, Miss Esther Gannett, who has much interest in local and historical matters. When the work is completed, the index will be a very valuable aid in looking up town history and old families of Arlington. When funds permit it is hoped we can increase our collection of town histories.

Needed work has been done on government and state documents.

Inventory has been taken of the Main Library and Branches. It is very disheartening when one reads the list of missing books caused by losses and wear; 2,505 books were discarded in 1936. Popular fiction missing, yes, but the number very small in comparison to the technical books, literature and drama. What can we say when we found that six copies of Fanny Farmer's Boston Cook Book were on the missing list? Our readers could render the Library much service if they would return books on time.

During the year $2,001.20 was turned over to the town in overdue fines. Not only does the Library receive none of the money, but it must also pay out substantial amounts for post cards, printing, and clerical work involved in an attempt to get these books back into circulation; 1,901 postals and letters were mailed in this effort. Reserves were received for 4,323 books.

To quote from the report of Mrs. Margaret Erskine, Reference Librarian:

"Every day brings to the reference desk new questions and new contacts. To stimulate all sorts of people to become curious and interested in a constant variety of new and worthy subjects, various exhibits have been arranged from time to time throughout the year. This we felt was a

definite library contribution to the constructive use of leisure. Some of the more interesting topics for the exhibits were: "Story of a House", "After graduation, what?", "Going south books", "Books for the stay-at-home", "Careers", "People worth reading about", "Meet these famous people during your vacation", and "Ramble through England".

The current interest felt in the Presidential Campaign of 1936 was fostered by a display of books on the history of the government of the United States, History of the Political parties and pamphlets on current affairs. Clippings concerning the candidates were cut for reference and election returns were posted. This material was of interest not only to the person who would vote for the first time but also to those who were in search of historical facts that they might build up a more sound and intelligent outlook on affairs pertaining to our country.

That the library is in sympathy with the varied interests of people is shown by our exhibits on hobbies, house architecture, needlework, interior decoration, opera, gardening and music. Through these displays, men and women have sometimes found the answer to their use of leisure time. Women who are preparing to mould their environment in the interest of the family are constantly seeking new ideas on building and beautifying the home, budgeting, child care and the family as a social institution. Then, there are those who have given their lives to building their career or doing creative work, who are interested in books on law, medicine, teacher-training, nursing, and office management.

One of the most hopeful tendencies in present day education is the trend toward a greater study of current events. Both students and business men are taking an active interest in the affairs of today. Such questions as "Problems of Soviet Russia", "Italian invasion of Ethio-

pia", "China-Japan relations" are only a few of those asked for repeatedly. Many of these questions are answered very satisfactorily from the pamphlet file. Four hundred and fifty pamphlets were circulated in 1936. Material on the N.R.A., the Social Security Act, Water supply of Arlington, Party platforms have been popular questions answered with pamphlet material.

The requests that come to the Reference Department of a public library reflect nearly the whole range of human interest and emotions. The depression period has brought to us in the libraries many people who never before have availed themselves of library resources and facilities.

The use of the telephone for reference work has been growing steadily.

Requests for books which we do not own were filled by borrowing from other libraries through Inter-Library Loan. Eighty-three books on various subjects such as "Intelligence tests", "Street traffic control", "Music teaching", "Cosmetics", "Industrial ownership", "Health", "Carpentry", "Leatherwork", "Commercial rose-growing", and "Personnel problems".

The encouragement and aid given to those of foreign birth is worthy of note. During the past year 232 books in 8 different languages were borrowed from the Division of Public Libraries. Seven of these books were for those who are now studying English for the first time.

Work with the various clubs of Arlington, requesting bibliographies has been an important and interesting division of reference work. Groups of books have been selected for Parent-Teacher organizations and Church groups.

There are not many greater services than that of

bringing the gift of books to men and women. Books that give a deeper meaning to lives, books that advance human knowledge and enrich lives.

"Can anything replace the glow and magic of a book —new people, new places and dreams we may never realize, but who could price the pleasure of dreaming even for an hour?"

At all seasons the Arlington Garden Club with flowers, plants, wreaths and Christmas decorations added much of beauty and warmth to the Library.

The gallery was used for five exhibits of prints, oils and water-colors. Two exhibits of prints from the Robbins Print collection were arranged by Mrs. Achuff, the Curator. Mrs. Ruth Sawyer Woodworth in March and Miss Jean Nutting Oliver in April showed oils and Miss Barbara Sears in November exhibited oils and water-colors.

The Sunday evening readings and teas continued to prove of interest. The first of the 1936 season on January 19 was one of the big storms of the year, the planned program was postponed and a small group listened to Rev. Laurence Barber read from a collection of modern poets. February 16 Rev. Laurence Barber spoke on "Abraham Lincoln and his connection with New England". For the last reading, March 8, all were asked to bring a book or manuscript, rare or new, and tell a bit of its history or share a poem, an essay, or a story that they had enjoyed.

The hall has been much used by:

During the year twenty-two story hours were held in the Library Hall with an attendance of 2,044. Stories were told at the Pierce and Locke School to the first three grades during the Christmas season.

Several classes have visited the Library for instruction in the catalogue and reference books. Good Book Week again gave an excuse for publicity and a chance to entertain teachers and mothers.

Many pleasant contacts were made at the two day Scoutorama put on at the High School by the Sachem Council. A booth with posters, bookcases and attractive books was made to look like a home library.

An opportunity for helpful and lasting friendships is given each summer when the Everyland Club is revived with its many activities, but all planned around the idea of creating a love for reading. The Children's Lirarian must show the judgment and tact possessed by every successful teacher and mother.

STAFF

The year of 1936 brought much of sickness and change to the Staff.

Miss Barbara Darling became a member of the Staff in January.

Very suddenly in August, death took from our Staff Miss Louise M. Muir. Miss Muir first began work at the Library while she was a student in Arlington High School. Later she became a faithful member of the Staff, where she endeared herself to many by her courteous and friendly manner.

Miss Alice Nelson, Reference Librarian, who came to us after finishing her Simmons Library School course, resigned to be married.

Two of our Staff members were married—Miss Margaret Webster became Mrs. Hugh Erskine, and Miss Thelma Brictson became Mrs. Richard Montague.

The Librarian and several Staff members have spoken at library meetings, parent-teacher groups, and Scout executive meetings, and have attended whatever of the library meetings could be arranged for without detriment to our own library service. Several have taken cultural courses and technical library courses during the year.

As the Librarian looks in retrospect at the work of the

year, with its accomplishments and unfulfilled hopes, she realizes anew her dependence on the unfailing spirit of service of her Staff, and she knows that on their mental and physical alertness, their earnestness, and sympathy depends whatever of success and usefulness the Library may have attained. In this spirit I wish to express to my Staff, my Board of Trustees, and to friends of the Library who have rendered helpful service sincere thanks.

Respectfully submitted,

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Arlington:

The personnel of the School Committee during 1936 had but one change. Mr. Winburn S. Cannell who served the town devotedly for six years retired. His interest in athletics has been greatly responsible for the development of sports in the schools. Mr. James W. Kidder was elected in March to fill the vacancy on the School Committee.

Your Committee has continued to uphold a high standard of education at the lowest possible cost. Our duty to give the children of this town a thorough educational training is our first concern, and we have attempted to accomplish this end by employing the best qualified teachers within the salary limits we are able to pay. The present economic conditions have made it difficult for Arlington residents who have prepared themselves for a teaching career to get positions in other towns. We have, therefore, where possible, given preference in positions to applicants who reside in Arlington. We have also employed recent graduates of normal schools as helping teachers, thus giving them an opportunity to get experience in teaching, and where they have proven themselves capable, have advanced them to regular teaching positions in the department.

During the year 1936 your Committee has continued to make economies in the operation of the school department. The teachers and other employees have cooperated to eliminate wasteful use of supplies and reduce other needless expenses which are bound to be present in any large organization. We have under construction a central storeroom to be used for the supplies of the entire system.

One person will be put in charge to keep an accurate inventory of the amount of supplies on hand, and a more systematic record of the orders and requirements of the various schools. Heretofore, each building has had its own storeroom and as no complete inventory of supplies has ever been kept many large surpluses of materials have found their way into some of the buildings. Excessive inventories encourage extravagant use of supplies, and require more capital investment than is necessary.

During the last three years we have been reducing the excess supply of materials on hand. We have standardized our inventory of paper so that fewer kinds and sizes are used, thereby requiring a smaller amount on hand. The same policy has been carried out with other materials.

The result has been that since 1931 the amount spent on supplies has been reduced from $41,976.60 to less than $18,000 in 1936, although the enrollment in November, 1931, including the evening school was 6,957, and in the corresponding month of 1936 without an evening school was 7,040. With a central storeroom and more accurate record of supplies we hope to keep their cost at a minimum.

As a result of abolishing positions or reducing the teaching staff during 1936, we have made an annual saving of $15,300. Of this amount $5,750 was anticipated in our 1936 budget, and the balance will be allowed for in the 1937 budget. This has been accomplished without impairing the high standard of education afforded the pupils. The teacher load or average number of pupils per teacher has been raised from 25.4 on December 31, 1935, to 26.6 on December 31, 1936, an increase of only 1.2 pupils per teacher.

Your school buildings have been well maintained. The estimated cost of these buildings is close to $3,000,000. A fair estimate of the amount necessary to keep them in

good repair is between 1½ to 2% of the cost, or between $45,000 and $60,000. By taking advantage of the Federal W.P.A. projects, however, we have been able to ask the town for but $30,000 to keep the buildings in good condition. It will be necessary to increase this item of the school budget if and when the W.P.A. help ceases.

Reimbursements to the town on account of payment by the Commonwealth of Massachusetts and other receipts from the use of school property, etc., amounted to $57,990.96. The Committee will return approximately $9,500 from the appropriations made in 1936. The sum of these items, or $67,490.96 deducted from the budget of $662,170 leaves for the year a net charge of approximately $594,679.04 against the real estate tax levy.

A change was made during the year in the control of athletics. It has long been a tradition in Arlington that the School Committee should in no way interfere in the management of our school sports. This idea undoubtedly has been handed down from the time when we had a very enthusiastic Arlington High School Athletic Association made up of nearly one hundred per cent of the high school undergraduates, which group took a great deal of interest in our teams and by means of putting on entertainments of various kinds were able to raise sufficient funds to keep the Athletic Association out of debt. Due to the varied interests of the present undergraduates this unity of interest in athletics no longer exists. Sports, on the other hand, have drawn more public interest in recent years in Arlington and have created a new problem. First, there is a need for sound management of finances and secondly, an effort to prevent the regimentation of our immature athletes for the purpose of swelling gate receipts.

For this reason we have created an Executive Committee consisting of the Superintendent of Schools, the Principal of the High School, the three members of the

Sub-Committee on Physical Training, the coach of the football team, the coach of that sport which may be under consideration at any time, the Chairman of the School Committee, the Treasurer of the Athletic Association, and the student in the Arlington High School who is elected by the "A-Men" of all sports. The purpose of this Committee is to create a better understanding between the various departments of the school system interested in athletics and to promote proper management.

The first meeting was held October 2, 1936, at which time the treasurer's report showed liabilities of $4,015.99 and cash on hand of $231.60. The Committee immediately started in operation a budget system for all sports and concentrated on the elimination of this deficit.

The fall football schedule was, in the opinion of this Committee, too difficult for the 1936 football team to complete successfully, and future schedules will be planned with consideration given more to the welfare of the boys than to the gate receipts.

We also will coordinate the junior high school teams into the complete system with a purpose of standardizing the training and with especial emphasis on keeping those participating in athletics up to high scholastic standards and of giving benefits of athletic training to a larger number of students rather than to a small selected group.

Your Committee has confined itself more to the efficient management of the school system than to the minute details of the curriculum. In a general way we did order an investigation of the commercial course with a motive of making it more practical and of giving the pupils a more thorough knowledge of commercial subjects in a shorter period of time. We take this opportunity of expressing our appreciation to Professor Frederick G. Nichols of Harvard University who generously gave his services to help us attain the results for which we were striving.

Our confidence in the ability of our Superintendent to carry on the administration of a system of education which would meet the standards expected by citizens of this town has left for the Committee more the duty of representing the general interests of the town as a whole. We have tried to act as a balance wheel between a too complex and costly school system on one hand and any unreasonable demands of small organized groups unfamiliar with the problems of the entire system.

For further information regarding the operation of your school department we respectfully refer you to the report of the Superintendent of Schools.

Respectfully submitted,

(Signed) HARRIE H. DADMUN,
Chairman.

ANNUAL REPORT OF SUPERINTENDENT OF SCHOOLS FOR THE YEAR 1936

To the Honorable School Committee,

Arlington, Mass.

Ladies and Gentlemen:

I respectfully submit for your consideration this annual report of conditions and work in the public schools. Our main problems—efficient instruction, adjustment of work to individuals, economy in finance, upkeep of buildings, careful supervision of regular and special subjects, health of teachers and pupils, public service within proper limits and the like—have been similar to those of preceding years. The entire personnel of the system has worked cheerfully and well as hitherto in performing the many tasks and duties devolving upon them.

The problem of housing, oftentimes a perplexing one, has not been acute with us during the year. A review of changes in the State since 1932 or 1933 reveals numerous shifts in school membership in places comparable in size to Arlington. Thus, Malden, Salem, Taunton, and Framingham did not change substantially between 1931–32 and 1935–36. Brockton, Holyoke, Pittsfield, Chelsea, Chicopee showed appreciable losses over the same period. Arlington, Watertown, Belmont and Medford all increased substantially and in that order.

School Growth

The story in Arlington has been one of steady growth in the junior and senior high schools, but of little change

in elementary membership. A three year comparison will show the situation clearly.

School Year, 1932–33

Average Membership, Senior High School	1,320
Average Membership, all Junior High Schools	1,552
Average Membership, all Elementary Schools	3,562
Total Average Membership	6,434
Total number of teachers, principals, and supervisors	273

School Year, 1935–36

Average Membership, Senior High School	1,534
Average Membership, all Junior High Schools	1,775
Average Membership, all Elementary Schools	3,544
Total Average Membership	6,853
Total number of teachers, principals, and supervisors	268

(Note:—Comparison over a longer period of years will be found at the end of this report.)

The November, 1936 figures give a clue to the trend for the year 1936–1937 but will, of course, change for the whole year.

November, 1936

Average Membership, Senior High School	1,619
Average Membership, all Junior High Schools	1,848
Average Membership, all Elementary Schools	3,512
Total Average Membership	6,979
Total number of teachers, principals, and supervisors	261

The question naturally arises—"Since school accom-

modations have not changed since September, 1932, are there existing or prospective, overcrowded conditions anywhere?"

Junior High School Conditions

As to existing conditions the answer is "No," with a reservation regarding the junior high schools. At the present time there are seats and rooms enough for all pupils, but numerous classes are filled to the last seat. In not a few cases chairs are brought in for extra pupils. The pupil load is too heavy for the best work. Not enough opportunity can be found for individual help, and the degree of teacher exhaustion is too large. Mass instruction for pupils of junior high age who are dealing largely with new and puzzling material is pushed too far.

The limit of efficiency has probably been reached in our junior high school organization. If appreciable growth is ahead of us, additional accommodations, instructional facilities and teaching staff ought to be provided without delay.

Senior High School

The enrolment noted above in the senior high school is also worthy of comment, especially if the number of teachers is also considered. For several years charges have been made that this school is overmanned, and demands have been made repeatedly that the teaching force be reduced. These suggestions, when reasonable, have not been ignored by the School Committee, as the following figures will show.

	1931–32	Nov. 1936
Average Membership	1,167	1,619
Principals and Teachers	60½	61
Pupils per Teacher	19.2	26.5

These figures do not indicate progress and improve-

ment, rather the reverse. The addition of four hundred fifty-two students with practically the same faculty is a heavy load, especially when one remembers that a considerable percentage is really not academically inclined.

Any decline in scholarship and general standards is difficult to measure outside of those students who enter higher institutions by certificate or examination. This group has not increased in the same ratio as groups taking other courses that are not objectively checked up by outside agencies.

Financial

In previous reports, especially that of 1934, detailed accounts were given of expenditures and the factors affecting school costs. The last table in this report gives a summary of finances for the past five years, and shows a steady and substantial decrease that necessarily has slowed up of late. It is highly probable that for the standards, service and efficiency desired by Arlington, the minimum has been reached. Salary schedules, cost of fuel, light, repairs, etc., constitute fixed charges that make up practically the entire budget. Further reduction would mean discontinuing educational courses and activities of long established, high value.

The unquestioned return of a substantial degree of prosperity should make the tax burden for schools less irksome.

Another situation is developing in Arlington that may soon affect our schools and their costs. I refer to the revival of home building in several parts of the town.

The immediate need for elementary class rooms can be met, but additional teachers throughout the system may be required in September, 1937, and more later.

Educational

Some changes in courses of study have been made during the past year that should be recorded.

A study by the superintendent and principals was made of arithmetic assignments for various grades. The consensus of opinion was that some subjects were too advanced for the grades in which they were taught, especially in view of the fact that practically all pupils now complete the junior high school. A recommendation was made to the School Committee that the course be correspondingly simplified and the plan was approved. Percentage is now assigned to the seventh grade, and work in long division, fractions, decimals and measurements advanced.

A second substantial change was made in the high school curriculum. By order of the School Committee an investigation was made of the commercial and related courses. Professor Frederick G. Nichols of Harvard University, an outstanding authority in this field, generously gave his services in a preliminary survey and recommended a number of changes tending toward greater efficiency and economy and toward modern practices.

His report was submitted to the Committe and also to the high school faculty as a body for study. As a result the commercial course was modified by changing stenographic and typewriting courses to two years of intensive work instead of three, work on calculating machines limited to one year, some minor changes made in bookkeeping assignments, and a course in business organization and practice introduced for the sophomore year. Minor adaptations were made in other subjects. It is apparently a wholesome and desirable readjustment of the commercial field of studies.

School Property

Our buildings and grounds have been kept in excellent condition through the efficient services of the supervisor of maintenance, his assistants and the janitors. This is in accordance with the wise, established policy of the town not to allow its property to deteriorate. Much valuable assistance has been given through the Works Progress

Administration, recognition of which is gladly given here.

The question may be raised whether, in view of existing conditions, smaller appropriations might be made for repairs for a year or two. It would not be wise to do this. There are a number of leaky roofs, copper gutters to be replaced, some waterproofing still to be done, boiler repairs to be provided for, besides the usual grist of miscellaneous jobs to be done on buildings, electrical systems, plumbing, furniture, heating systems, telephones, etc.

A project that ought not to be deferred longer than is absolutely necessary is the completion of the new high school auditorium. Not alone for school purposes but as a community hall, it is increasingly in demand. Its unfinished condition and its lack of proper heating, lighting and platform equipment limit its usefulness.

The schools are running smoothly and efficiently. The devotion and services of all from top to bottom of the system deserve commendation and should be a source of pride to the town.

Personally, I wish to express my own appreciation of the countless instances of help and evidences of kindness and loyalty that have been extended to me.

Respectfully submitted,

(Signed) CLARENCE H. DEMPSEY,
Superintendent of Schools.

REPORT OF THE TREE WARDEN

To the Citizens of Arlington:

I herewith submit my report as Tree Warden for the year ending December 31, 1936.

During the past year two hundred (200) Norway Maples, twenty (20) Europaea Lindens, nine (9) Rock Maples and one (1) Catalpa were planted on our streets.

The following trees were removed: twelve (12) Maples, one (1) Horse Chestnut, one (1) Ash, one (1) Poplar, two (2) Elms, all over 14″ in diameter and thirty-two (32) small trees ranging from 1½″ to 10″ in diameter, which were dead.

On account of street reconstruction, the following trees were removed as they were deemed obstruction to travel:

1–20″ Elm, 1—24″ Elm, 1—30″ Elm, 1—36″ Elm on Bow Street.
1—22″ Horse Chestnut on Massachusetts Avenue.
1—18″ Elm, 1—22″ Elm on Massachusetts Avenue.
1—18″ Elm, 1—24″ Elm, 1—20″ Ash, 1—8″ Elm, 1—4″ Elm, 1—40″ Elm, 1—10″ Elm, and 1—22″ Elm on Edmund Road.
1—18″ Maple on Florence Avenue.
1—10″ Elm, 1—14″ Plane on Glen Avenue.
4—8″ Hickory, 1—124″ Oak, 1—12″ Elm, 2—12″ Rum Cherries, 1—10″ Oak on Appleton Street.

The removal of these trees was in cooperation with the Highway Division of the Department of Public Works,

Edison Electric Illuminating Company of Boston, the Tree Warden and W.P.A. workers.

As important as the task of planting shade trees is the problem of selecting the proper species. Considering the adaptability for street planting, a tree must possess certain characteristics to be desirable. In the first place, it must be hardy and capable of withstanding the unfavorable conditions of city life, such as poor soil, heat, drought and cement streets and sidewalks. They should have the strength to resist winds, sleet and snow. A tree on a lawn may have its branches drooping, the stem crooked and the shape unsymmetrical, but a street tree must have a straight stem, a rounded well-filled head and be symmetrical in growth and must lend itself to the requirements of the public use of the highways, not only for travel but for proper lighting. Trees that retain their foliage in good condition throughout the summer and show changes of color in the autumn are most desirable. Trees that naturally grow a scraggly head are not adequate for shade production; a dense shade during the summer is objectionable as it cuts off sunlight, retards the drying of highways after rain and prevents the growth of grass. Two such trees are the white maple and the Carolina Poplar, and should never be planted on our streets.

The Elm trees on Pleasant Street and Academy Street suffered a bad defoliation by the Elm leaf beetle, and on account of their age the amount of serious damage that they will suffer cannot be estimated at this time. I am in hopes that by early spraying this year that much can be avoided, and would suggest that our street elms be given first attention.

The following is a financial statement:

Respectfully submitted,

DANIEL M. DALEY,
Tree Warden.

REPORT OF THE SUPERINTENDENT OF TOWN HALL GROUNDS

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Superintendent of the Town Hall Grounds for the year ending December 31, 1936.

The regular routine of cutting grass, caring of shrubs and bushes, edging and trimming of walks, clearing the hall platform and walks of snow, was attended to as usual.

A continuation of the work of relaying the brick on the walks, and those adjoining the catch basin in center of shrubs to alleviate the constant pools of water that formed there after each storm was completed under a W.P.A. project.

A new sprinkler system was also completed as a W.P.A. project, whereby, all water used for watering the lawn and supplying the pool will now be taken from the Arlington Heights Reservoir, thereby, saving the town a considerable amount of money.

A new power lawn mover was purchased this year and has proved its need many times over.

Children again this year have molested the statue of Menotomy Indian at the head of the pool, and it had to be repaired at considerable expense, and I would suggest that said statue should be surrounded by a wire fence of some sort to prevent any future damage.

Flowers were planted in the base of the fountains on the plaza of the hall prior to Memorial Day and remained there during the entire summer and many favorable comments were received about them.

During the latter months of the year when we had some very heavy rainstorms, I found that one of the dry wells in the rear of the hall was not taking the water from the roof of the building, and after investigating found that it was blocked up. It was immediately dug up and reset so as to take care of any emergency that may arise. I would suggest, however, that these outlets should be connected with the storm drain on Mass. Ave. to prevent a recurrence of what happened this year.

In conclusion I wish to take this opportunity to thank the Board of Selectmen and their Secretary for their courtesy and cooperation during the past year.

Respectfully yours,

GEORGE M. DOLAN,
Superintendent.
